Together with all rights, easements, appurtenances, royalties, mineral rights, oil and gas rights, all water and riparian rights, ditches, and water stock and all existing and future improvements, structures, fixtures, and replacements that may now, or at any time in the future, be part of the real estate described above (all referred to as "Property"). When the Secured Debt (hereafter defined) is paid in full and all underlying agreements have been terminated, this Mortgage will become null and void.

3. **MAXIMUM OBLIGATION LIMIT.** The total principal amount secured by this Security Instrument at any one time shall not exceed \$ 100,000.00. This limitation of amount does not include interest and other fees and charges validly made pursuant to this Security Instrument. Also, this limitation does not apply to advances made under the terms of this Security Instrument to protect Lender's security and to perform any of the covenants contained in this Security Instrument.

4. **SECURED DEBT AND FUTURE ADVANCES.** The term "Secured Debt" is defined as follows:
A. Debt incurred under the terms of all promissory note(s), contract(s), guaranty(ies) or other evidence of debt described below and all their extensions, renewals, modifications or substitutions. ACCRUING AT A RATE OF 4.4500 % WITH A MATURITY DATE OF SEPTEMBER 10, 2014
SAID LOAN IN THE NAME(S) OF CHUCK CARR
AND KATHY CARR

- B. All future advances from Lender to Mortgagor or other future obligations of Mortgagor to Lender under any promissory note, contract, guaranty, or other evidence of debt executed by Mortgagor in favor of Lender after this Security Instrument whether or not this Security Instrument is specifically referenced. If more than one person signs this Security Instrument, each Mortgagor agrees that this Security Instrument will secure all future advances and future obligations that are given to or incurred by any one or more Mortgagor, or any one or more Mortgagor and others. All future advances and other future obligations are secured by this Security Instrument even though all or part may not yet be advanced. All future advances and other future obligations are secured as if made on the date of this Security Instrument. Nothing in this Security Instrument shall constitute a commitment to make additional or future loans or advances in any amount. Any such commitment must be agreed to in a separate writing.
- C. All other obligations Mortgagor owes to Lender, which may later arise, to the extent not prohibited by law, including, but not limited to, liabilities for overdrafts relating to any deposit account agreement between Mortgagor and Lender.
- D. All additional sums advanced and expenses incurred by Lender for insuring, preserving or otherwise protecting the Property and its value and any other sums advanced and expenses incurred by Lender under the terms of this Security Instrument.

In the event that Lender fails to provide any necessary notice of the right of rescission with respect to any additional indebtedness secured under paragraph B of this Section, Lender waives any subsequent security interest in the Mortgagor's principal dwelling that is created by this Security Instrument (but does not waive the security interest for the debts referenced in paragraph A of this Section).

5. **MORTGAGE COVENANTS.** Mortgagor agrees that the covenants in this section are material obligations under the Secured Debt and this Security Instrument. If Mortgagor breaches any covenant in this section, Lender may refuse to make additional extensions of credit and reduce the credit limit. By not exercising either remedy on Mortgagor's breach, Lender does not waive Lender's right to later consider the event a breach if it happens again.

Payments. Mortgagor agrees that all payments under the Secured Debt will be paid when due and in accordance with the terms of the Secured Debt and this Security Instrument.

Prior Security Interests. With regard to any other mortgage, deed of trust, security agreement or other lien document that created a prior security interest or encumbrance on the Property, Mortgagor agrees to make all payments when due and to perform or comply with all covenants. Mortgagor also agrees not to allow any modification or extension of, nor to request any future advances under any note or agreement secured by the lien document without Lender's prior written approval.

Claims Against Title. Mortgagor will pay all taxes, assessments, liens, encumbrances, lease payments, ground rents, utilities, and other charges relating to the Property when due. Lender may require Mortgagor to provide to Lender copies of all notices that such amounts are due and the receipts evidencing Mortgagor's payment. Mortgagor will defend title to the Property against any claims that would impair the lien of this Security Instrument. Mortgagor agrees to assign to Lender, as requested by Lender, any rights, claims or defenses Mortgagor may have against parties who supply labor or materials to maintain or improve the Property.

Property Condition, Alterations and Inspection. Mortgagor will keep the Property in good condition and make all repairs that are reasonably necessary. Mortgagor shall not commit or allow any waste, impairment, or deterioration of the Property. Mortgagor agrees that the nature of the occupancy and use will not substantially change without Lender's prior written consent. Mortgagor will not permit any change in any license, restrictive covenant or easement without Lender's prior written consent. Mortgagor will notify Lender of all demands, proceedings, claims and actions against Mortgagor, and of any loss or damage to the Property.

Lender or Lender's agents may, at Lender's option, enter the Property at any reasonable time for the purpose of inspecting the Property. Lender shall give Mortgagor notice at the time of or before an inspection specifying a reasonable purpose for the inspection. Any inspection of the Property shall be entirely for Lender's benefit and Mortgagor will in no way rely on Lender's inspection.

Authority to Perform. If Mortgagor fails to perform any duty or any of the covenants contained in this Security Instrument, Lender may, without notice, perform or cause them to be performed. Mortgagor appoints Lender as attorney in fact to sign Mortgagor's name or pay any amount necessary for performance. Lender's right to perform for Mortgagor shall not create an obligation to perform, and Lender's failure to perform will not preclude Lender from exercising any of Lender's other rights under the law or this Security Instrument.

Leaseholds; Condominiums; Time-Shares; Planned Unit Developments. Mortgagor agrees to comply with the provisions of any lease if this Security Instrument is on a leasehold. If the Property includes a unit in a condominium, time-share or a planned unit development, Mortgagor will perform all of Mortgagor's duties under the covenants, by-laws, or regulations of the condominium or planned unit development. In addition, except with the written approval of Lender, Mortgagor will not partition or subdivide the Property; abandon or terminate the condominium, time-share or planned unit development project; terminate professional management; or amend any provision of the covenants, bylaws or regulations of the condominium, time-share or planned unit development if the provision benefits Lender.

Condemnation. Mortgagor will give Lender prompt notice of any pending or threatened action, by private or public entities to purchase or take any or all of the Property through condemnation, eminent domain, or any other means. Mortgagor authorizes Lender to intervene in Mortgagor's name in any of the above described actions or claims. Mortgagor assigns to Lender the proceeds of any award or claim for damages connected with a condemnation or other taking of all or any part of the Property. Such proceeds shall be considered payments and will be applied as provided in this Security Instrument. This assignment of proceeds is subject to the terms of any prior mortgage, deed of trust, security agreement or other lien document.

Insurance. Mortgagor shall keep Property insured against loss by fire, flood, theft and other hazards and risks reasonably associated with the Property due to its type and location. This insurance shall be maintained in the amounts and for the periods that Lender requires. What Lender requires pursuant to the preceding two sentences can change during the term of the Secured Debt. The insurance carrier providing the insurance shall be chosen by Mortgagor subject to Lender's approval, which shall not be unreasonably withheld. If Mortgagor fails to maintain the coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property according to the terms of this Security Instrument.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard "mortgage clause" and, where applicable, "loss payee clause." Mortgagor shall immediately notify Lender of cancellation or termination of the insurance. Lender shall have the right to hold the policies and renewals. If Lender requires, Mortgagor shall immediately give to Lender all receipts of paid premiums and renewal notices. Upon loss, Mortgagor shall give immediate notice to the insurance carrier and Lender. Lender may make proof of loss if not made immediately by Mortgagor.

Unless otherwise agreed in writing, all insurance proceeds shall be applied to the restoration or repair of the Property or to the Secured Debt, whether or not then due, at Lender's option. Any application of proceeds to principal shall not extend or postpone the due date of the scheduled payment nor change the amount of any payment. Any excess will be paid to the

Mortgagor. If the Property is acquired by Lender, Mortgagor's right to any insurance policies and proceeds resulting from damage to the Property before the acquisition shall pass to Lender to the extent of the Secured Debt existing immediately before the acquisition.

Financial Reports and Additional Documents. Mortgagor will provide to Lender upon request, any financial statement or information Lender may deem reasonably necessary. Mortgagor agrees to sign, deliver, and file any additional documents or certifications that Lender may consider necessary to perfect, continue, and preserve Mortgagor's obligations under this Security Instrument and Lender's lien status on the Property.

6. **WARRANTY OF TITLE.** Mortgagor warrants that Mortgagor is or will be lawfully seized of the estate conveyed by this Security Instrument and has the right to grant, bargain, convey, sell, and mortgage, with power of sale, the Property. Mortgagor also warrants that the Property is unencumbered, except for encumbrances of record.
7. **DUE ON SALE.** Lender may, at its option, declare the entire balance of the Secured Debt to be immediately due and payable upon the creation of, or contract for the creation of, a transfer or sale of the Property. This right is subject to the restrictions imposed by federal law (12 C.F.R. 591), as applicable.
8. **DEFAULT.** Mortgagor will be in default if any of the following occur:

Fraud. Any Consumer Borrower engages in fraud or material misrepresentation in connection with the Secured Debt that is an open end home equity plan.

Payments. Any Consumer Borrower on any Secured Debt that is an open end home equity plan fails to make a payment when due.

Property. Any action or inaction by the Borrower or Mortgagor occurs that adversely affects the Property or Lender's rights in the Property. This includes, but is not limited to, the following: (a) Mortgagor fails to maintain required insurance on the Property; (b) Mortgagor transfers the Property; (c) Mortgagor commits waste or otherwise destructively uses or fails to maintain the Property such that the action or inaction adversely affects Lender's security; (d) Mortgagor fails to pay taxes on the Property or otherwise fails to act and thereby causes a lien to be filed against the Property that is senior to the lien of this Security Instrument; (e) a sole Mortgagor dies; (f) if more than one Mortgagor, any Mortgagor dies and Lender's security is adversely affected; (g) the Property is taken through eminent domain; (h) a judgment is filed against Mortgagor and subjects Mortgagor and the Property to action that adversely affects Lender's interest; or (i) a prior lienholder forecloses on the Property and as a result, Lender's interest is adversely affected.

Executive Officers. Any Borrower is an executive officer of Lender or an affiliate and such Borrower becomes indebted to Lender or another lender in an aggregate amount greater than the amount permitted under federal laws and regulations.

9. **REMEDIES ON DEFAULT.** In addition to any other remedy available under the terms of this Security Instrument, Lender may accelerate the Secured Debt and foreclose this Security Instrument in a manner provided by law if Mortgagor is in default. In some instances, federal and state law will require Lender to provide Mortgagor with notice of the right to cure, or other notices and may establish time schedules for foreclosure actions.

At the option of the Lender, all or any part of the agreed fees and charges, accrued interest and principal shall become immediately due and payable, after giving notice if required by law, upon the occurrence of a default or anytime thereafter. The acceptance by Lender of any sum in payment or partial payment on the Secured Debt after the balance is due or is accelerated or after foreclosure proceedings are filed shall not constitute a waiver of Lender's right to require complete cure of any existing default. By not exercising any remedy on Mortgagor's default, Lender does not waive Lender's right to later consider the event a default if it happens again.

If Lender initiates a judicial foreclosure, Lender shall give the notices as required by applicable law. If Lender invokes the power of sale, Lender shall publish the notice of sale, and arrange to sell all or part of the Property, as required by applicable law. Lender or its designee may purchase the Property at any sale. Lender shall apply the proceeds of the sale in the manner required by applicable law. The sale of any part of the Property shall only operate as a foreclosure of the sold Property, so any remaining Property shall continue to secure any unsatisfied Secured Debt and Lender may further foreclose under the power of sale or by judicial foreclosure.

10. **EXPENSES; ADVANCES ON COVENANTS; ATTORNEYS' FEES; COLLECTION COSTS.** If Mortgagor breaches any covenant in this Security Instrument, Mortgagor agrees to pay all expenses Lender incurs in performing such covenants or protecting its security interest in the Property. Such expenses include, but are not limited to, fees incurred for inspecting, preserving, or otherwise protecting the Property and Lender's security interest. These expenses are payable on demand and will bear interest from the date of payment until paid in full at the highest rate of interest in effect as provided in the terms of the Secured Debt. Mortgagor agrees to pay all costs and expenses incurred by Lender in collecting, enforcing or protecting Lender's rights and remedies under this Security Instrument. This amount may include, but is not limited to, attorneys' fees, court costs, and other legal expenses. If the Secured Debt is subject to the Alabama Mini-Code, then reasonable attorneys' fees after default are available only when: the original amount financed exceeds \$300, the attorney is not the Lender's salaried employee, and the amount due does not exceed 15% of the unpaid debt after default. No attorneys' fees after default are available when the Secured Debt is an open-end credit plan and its unpaid balance is \$300 or less. To the extent permitted by the United States Bankruptcy Code, Mortgagor agrees to pay the reasonable attorneys' fees Lender incurs to collect the Secured Debt as awarded by any court exercising jurisdiction under the Bankruptcy Code. This Security Instrument shall remain in effect until released. Mortgagor agrees to pay for any recordation costs of such release.
11. **ENVIRONMENTAL LAWS AND HAZARDOUS SUBSTANCES.** As used in this section, (1) Environmental Law means, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA, 42 U.S.C. 9601 et seq.), and all other federal, state and local laws, regulations, ordinances, court orders, attorney general opinions or interpretive letters concerning the public health, safety, welfare, environment or a hazardous substance; and (2) Hazardous Substance means any toxic, radioactive or hazardous material, waste, pollutant or contaminant which has characteristics which render the substance dangerous or potentially dangerous to the public health, safety, welfare or environment. The term includes, without limitation, any substances defined as "hazardous material," "toxic substances," "hazardous waste" or "hazardous substance" under any Environmental Law.

Mortgagor represents, warrants and agrees that:

- A. Except as previously disclosed and acknowledged in writing to Lender, no Hazardous Substance is or will be located, stored or released on or in the Property. This restriction does not apply to small quantities of Hazardous Substances that are generally recognized to be appropriate for the normal use and maintenance of the Property.
- B. Except as previously disclosed and acknowledged in writing to Lender, Mortgagor and every tenant have been, are, and shall remain in full compliance with any applicable Environmental Law.
- C. Mortgagor shall immediately notify Lender if a release or threatened release of a Hazardous Substance occurs on, under or about the Property or there is a violation of any Environmental Law concerning the Property. In such an event,

Mortgagor shall take all necessary remedial action in accordance with any Environmental Law.

D. Mortgagor shall immediately notify Lender in writing as soon as Mortgagor has reason to believe there is any pending or threatened investigation, claim, or proceeding relating to the release or threatened release of any Hazardous Substance or the violation of any Environmental Law.

12. **ESCROW FOR TAXES AND INSURANCE.** Unless otherwise provided in a separate agreement, Mortgagor will not be required to pay to Lender funds for taxes and insurance in escrow.

13. **JOINT AND INDIVIDUAL LIABILITY; CO-SIGNERS; SUCCESSORS AND ASSIGNS BOUND.** All duties under this Security Instrument are joint and individual. If Mortgagor signs this Security Instrument but does not sign an evidence of debt, Mortgagor does so only to mortgage Mortgagor's interest in the Property to secure payment of the Secured Debt and Mortgagor does not agree to be personally liable on the Secured Debt. If this Security Instrument secures a guaranty between Lender and Mortgagor, Mortgagor agrees to waive any rights that may prevent Lender from bringing any action or claim against Mortgagor or any party indebted under the obligation. These rights may include, but are not limited to, any anti-deficiency or one-action laws. The duties and benefits of this Security Instrument shall bind and benefit the successors and assigns of Mortgagor and Lender.

14. **SEVERABILITY; INTERPRETATION.** This Security Instrument is complete and fully integrated. This Security Instrument may not be amended or modified by oral agreement. Any section in this Security Instrument, attachments, or any agreement related to the Secured Debt that conflicts with applicable law will not be effective, unless that law expressly or impliedly permits the variations by written agreement. If any section of this Security Instrument cannot be enforced according to its terms, that section will be severed and will not affect the enforceability of the remainder of this Security Instrument. Whenever used, the singular shall include the plural and the plural the singular. The captions and headings of the sections of this Security Instrument are for convenience only and are not to be used to interpret or define the terms of this Security Instrument. Time is of the essence in this Security Instrument.

15. **NOTICE.** Unless otherwise required by law, any notice shall be given by delivering it or by mailing it by first class mail to the appropriate party's address on page 1 of this Security Instrument, or to any other address designated in writing. Notice to one mortgagor will be deemed to be notice to all mortgagors.

16. **WAIVERS.** Except to the extent prohibited by law, Mortgagor waives all appraisalment rights relating to the Property.

17. **LINE OF CREDIT.** The Secured Debt includes a revolving line of credit. Although the Secured Debt may be reduced to a zero balance, this Security Instrument will remain in effect until the Secured Debt is paid in full and all underlying agreements have been terminated in writing by Lender.

18. **APPLICABLE LAW.** This Security Instrument is governed by the laws as agreed to in the Secured Debt, except to the extent required by the laws of the jurisdiction where the Property is located, and applicable federal laws and regulations.

19. **RIDERS.** The covenants and agreements of each of the riders checked below are incorporated into and supplement and amend the terms of this Security Instrument.

**ADJUSTABLE RATE RIDER
(TO BE ATTACHED TO MORTGAGES)**

This Adjustable Rate Rider is made this **10th** day of **September 2004** and is incorporated and shall be deemed to amend and supplement the Mortgage, (the Security Instrument) of the same date given by the undersigned (the Borrower), to secure the Borrower's Adjustable Rate Note to **Community Bank**, (the Lender), of same date (the Note) and covering the property described in the Security Instrument and located at:
(property address).

**2985 Brook Highland Drive
Birmingham, AL 35242**

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND/OR INCREASES IN THE TERM OF SAID OBLIGATION.

Additional Covenants. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

I. INTEREST RATE CHANGES

The note provides for an Initial Rate of Interest of **4.45%** and the note provides for changes in the interest rate, as follows:

(a) Change dates

The rate of interest I will pay may change in accordance with the terms of the note. Each date on which the rate of interest could change is called a "change date".

(b) The base rate

Any changes in the rate of interest will be based on changes in the base rate. The base is New York Prime Interest Rate, the same being the New York Prime Interest Rate as published in The Wall Street Journal from day to day.

If the base is no longer available, the Note Holder will choose a new index or base which is based upon comparable information. The Note Holder will give the notice of this choice.

The base figure for this note is **4.45 %**. It is called the (original base).

The most recently available base figure as of the date of change or (change date) is called the (current base).

(c) Calculation of changes

Before each change date, the Note Holder will determine any change in my rate of interest. The Note Holder will calculate the amount of the difference, if any, between the current base and the original base. If the current base is higher than the original base, the Note Holder will add the difference to the initial base of interest. If the current base is lower than the original base, the Note Holder will then round the result of this addition or subtraction to the nearest one-eighth percentage point (0.125%). This rounded amount will be the new rate of interest I am required to pay.

(d) Borrower's Right to Defer payment of certain amounts

My monthly payments will remain the same and I will pay the remaining balance owing on the final maturity date of my said loan; or extend the term of my loan so that my monthly payments will remain the same but extend the number of monthly payments to cover any increased amount due to changes in the interest rate.

The limited payment amount I choose could be less than the amount of the interest portion of the full payment amount I would have paid after the (change date). If so, the Note Holder will subtract the limited payment amount from the amount of interest I would have paid and will add the difference to the outstanding principal balance of my loan each month until the next (change date). The Note Holder will also add interest on the amount of this difference to my outstanding principal balance each month. Until the next change date, when the Note Holder determines my new rate of interest on my then outstanding principal balance, the rate

of interest on the interest added to principal will be the rate determined and the method for determining the same as set forth above for the period I am paying the limited payment amount.

(e) The new rate of interest will become effective on each change date. I will pay my monthly payment each month beginning on the first monthly payment date after the (change date) until I have fully repaid the loan.

(f) Notice of Change

The Note Holder will mail or deliver to me a notice of my rate change before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who can answer any question I may have regarding the notice.

Except for any notice required under applicable law to be given in another manner,

(1) Any notice to Borrower provided for in this security instrument, shall be given by delivering it or by mailing it by first class mail, addressed to Borrower at the property address or at such other address that the Borrower may designate by notice to Lender as provided herein, and

(2) Any notice to Lender shall be given by first class mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

(g) Right to demand payment in full

In the event monthly payments made by me in any six consecutive calendar months are insufficient to pay all interest accrued under this Note during each such calendar month, you shall have the right to demand that all amounts due and owing under this Note shall become immediately due and payable by giving at least thirty days prior written notice of such demand to me. UPON ANY SUCH DEMAND, THE ENTIRE BALANCE OF ALL AMOUNTS OWING TO YOU HEREUNDER, INCLUDING WITHOUT LIMITATION, ALL PRINCIPAL, INTEREST, AND LATE CHARGES SHALL BECOME IMMEDIATELY DUE AND PAYABLE. I SHALL NOT BE RELIEVED OF MY OBLIGATIONS HEREUNDER UNTIL ALL AMOUNTS OWING TO YOU HEREUNDER ARE PAID IN FULL.

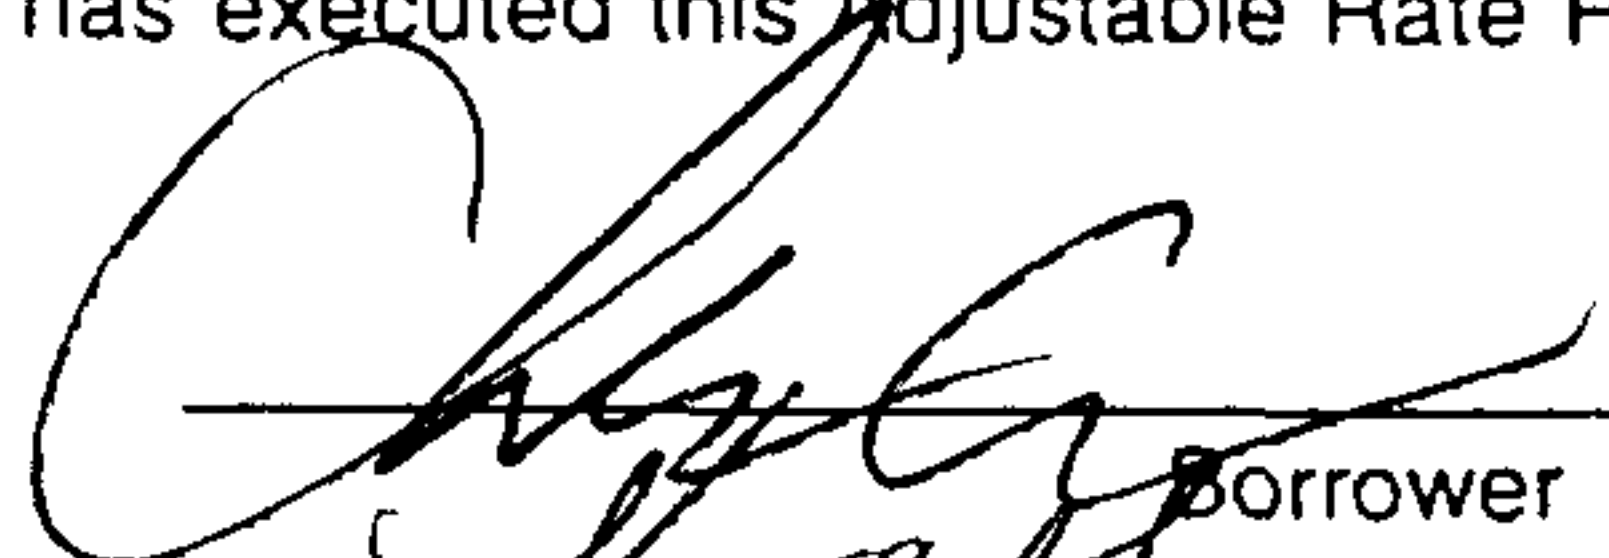

II. SEVERABILITY

In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect the provisions of this Security Instrument or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Security Instrument and the Note are declared to be severable.

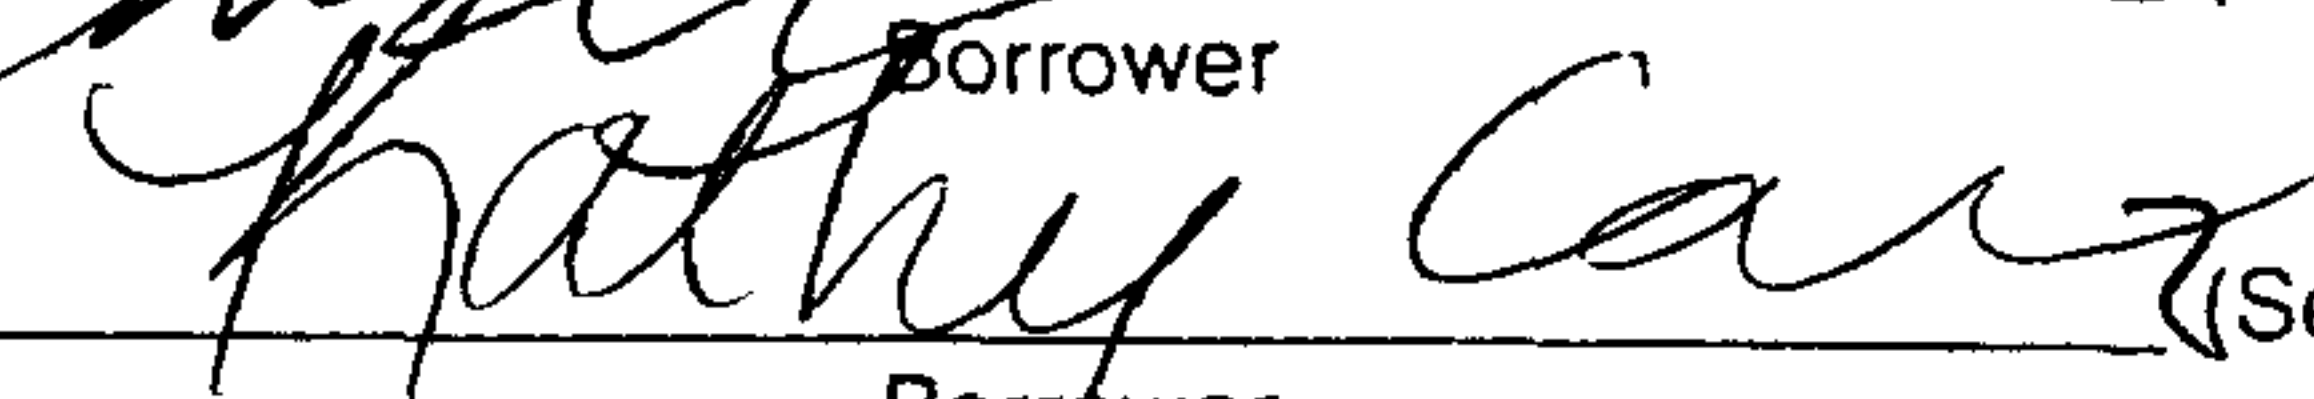

III. LEGISLATION

If, after the date hereof, enactment or expiration of applicable laws have the effect either of rendering the provisions of the Note, the Security Instrument or this Adjustable Rate Rider (other than this paragraph C), unenforceable according to their terms, or all or any part of the sums secured hereby uncollectible, as otherwise provided in the Security Instrument and Adjustable Rate Rider, or of diminishing the value of Lenders Security, then Lender, at Lender's option, may declare all sums secured by the Security Instrument to be immediately due and payable. In such event, Borrower shall not have the right to reinstate this loan.

In witness whereof, Borrower has executed this Adjustable Rate Rider in duplicate on the day and date above.

HOME EQUITY LINE OF CREDIT

GENERALLY: This is an agreement about your home equity line of credit. Many of the terms we use in this agreement have special meanings. The term "loan account balance" means the sum of the unpaid principal of loans made under this plan, plus unpaid but earned finance charges, plus any credit insurance premiums that are due. "Transaction Account" means an account you carry with us. The number of this account is listed at the top of the form on the line labeled "Trans. Acct. #." "Line of Credit" means the maximum amount of principal we will ordinarily allow you to owe us under this plan at any time. "Triggering Balance" is the amount you must keep in your transaction account to prevent us from lending you money under this plan.

In addition, we will use the following terms for this home equity plan: "Initial Advance" means the amount of money we will require you to accept as an advance to open the plan. "Minimum Advance" means the smallest amount of money we will advance to you at your request. The "Minimum Balance" is the amount of principal of loans we will require you to maintain outstanding during the plan. If the principal balance outstanding falls below the minimum balance, you may have to pay a fee described below.

The "Draw Period" is the time during the plan that you may request advances and will make payments on your loan account balance. The "Repayment Period" is the time during the plan that you must repay your loan account balance but may not request further advances. Except where otherwise indicated, the regulatory disclosures contained in this agreement apply to both the draw and repayment periods.

If any term of this agreement violates any law or for some other reason is not enforceable, that term will not be part of this agreement. This agreement is subject to the laws of the state where we are located.

TAX DEDUCTIBILITY: You should consult a tax advisor regarding the deductibility of interest and charges under this home equity plan.

REQUESTING A LOAN: You request a loan under this plan by the following methods:

- ◆ You write a special check that we have given you for this purpose.
- ◆ You request a withdrawal in person.

HOW THE LOAN IS ADVANCED: When you request a loan, we will, subject to any limitations contained in this agreement, advance exactly the amount you request, so long as the requested amount equals or exceeds the minimum advance listed in this agreement. We will make the advance by depositing the amount in your transaction account, by advancing the money directly to you, or by paying a designated third person or account, depending on how we agree to make the advance. We will record the amount as a loan in your loan account.

If your request is for less than the minimum advance, we may, at our option, grant the request. However, granting the request does not mean we will be required to grant requests for less than the minimum advance in the future. We always have the option to deny any such request.

However, we will not ordinarily grant any request for a loan which would cause the unpaid principal of your loan account balance to be greater than the Line of Credit listed in this agreement. We may, at our option, grant such a request without obligating ourselves to do so in the future.

HOW FINANCE CHARGES ARE COMPUTED: Finance charges begin to accrue immediately when we make a loan to you. To figure the finance charge, we will apply a periodic rate of finance charge each billing cycle to the "average daily balance" of your loan account for the billing cycle. The "average daily balance" is computed as follows: First, we take your loan account balance at the beginning of the day and subtract any unpaid finance charges and credit insurance premiums (if any) that are due. Next, we subtract the portion of any payments or credits received that day which apply to the repayment of your loans. (A portion of each payment you make is applied to finance

charges and credit insurance premiums, if any.) Then we add any new loans made that day. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance."

The periodic rate of **FINANCE CHARGE** is .0122 % which corresponds to an **ANNUAL PERCENTAGE RATE** of 4.4500 %. The annual percentage rate includes interest and not other costs.

VARIABLE RATE: The annual percentage rate may change, and will be .050 BELOW PRIME the following "base rate": the highest rate on corporate loans posted by at least 75% of the USA's 30 largest banks known as The Wall Street Journal Prime Rate and is published in The Wall Street Journal. The annual percentage rate may increase if this "base rate" increases. An increase will take effect on the same day the rate changes. An increase will result in an increase in the finance charge and it may have the effect of increasing your periodic minimum payment. The annual percentage rate will not increase more often than once a day. A decrease will have the opposite effect of an increase disclosed above.

If the base rate changes more frequently than the annual percentage rate, we will always use the base rate in effect on the day we adjust the annual percentage rate to determine the new annual percentage rate. In such a case, we will ignore any changes in the base rate that occur between annual percentage rate adjustments.

The "annual percentage rate" referred to in this section is the annual rate which corresponds to the periodic rate applied to the balance as described above. This corresponding **ANNUAL PERCENTAGE RATE** will never exceed 18%, and will never exceed the highest allowable rate for this type of agreement as determined by applicable state or federal law.

☒ **HOW YOU REPAY YOUR LOANS - DRAW PERIOD:** On or before each payment date during the draw period, you agree to make a minimum payment to reduce your debt. The minimum payment amount is the amount of any credit insurance premiums due and the greater of: 1% of the principal loan balance outstanding on your account, or \$100.00 or the amount of the accrued finance charges.

☒ **HOW YOU REPAY YOUR LOANS - DRAW PERIOD:** On or before each payment date during the draw period, you agree to make a minimum payment to reduce your debt. Your minimum payment depends on your loan account balance on the last day of the billing cycle. Find your loan account balance in the schedule listed below and read across to find your minimum payment.

If you owe:	Your minimum payment is:
\$.01 - 100.00	Balance of account
100.01 - 10,000.00	\$100.00
Greater than 10,000.00	1% of Balance

PRINCIPAL REDUCTION: During the draw period the minimum payment may not fully repay the principal that is outstanding on your line.

HOW YOU REPAY YOUR LOANS - REPAYMENT PERIOD: On or before each payment date during the repayment period, you agree to make a minimum payment to reduce your debt. The minimum payment amount is the amount of any credit insurance premiums due and the greater of: 1% of the principal loan balance outstanding on your account, or \$100.00 or the amount of the accrued finance charges.

FINAL PAYMENT: On the maturity date listed in this agreement, you must pay the amount of any remaining loan account balance outstanding. The minimum payments may not be sufficient to fully repay the principal that is outstanding on your line. If they are not, you will be

required to pay the entire outstanding balance in a single balloon payment.

We are not obligated to refinance your loan at that time, but will consider your request to do so. If you refinance this account at maturity, you may have to pay some or all of the closing costs normally associated with a new loan even if you obtain financing from us.

ADDITIONAL REPAYMENT TERMS: If your loan account balance on a payment date is less than the minimum payment amount, you must pay only the loan account balance.

If you fail to make a payment, we may, but are not required to, advance money to you to make the payment. All the terms of this agreement would apply to such a loan.

You can pay off all or part of what you owe at any time. However, so long as you owe any amount you must continue to make your periodic minimum payment.

The amounts you pay will be applied first to any charges you owe other than principal and finance charges, then to any finance charges that are due, and finally to principal.

☐ **AUTOMATIC WITHDRAWAL:** If checked, you authorize us to automatically withdraw your payment from your transaction account on each payment date. If your transaction account does not have enough money in it to make the minimum payment, we may, but are not required to, lend you money to make the payment. All the terms of this agreement will apply to such a loan. If your loan account balance is less than the minimum payment amount, we will withdraw only the amount necessary to reduce your loan account balance to zero.

SET-OFF: You agree that we may set-off any amount due and payable under the terms of this agreement against your right to receive money from us, unless prohibited by applicable law. For example, our right of set-off does not apply to an Individual Retirement Account; other tax-deferred retirement account; or federal benefit, wage, salary and retirement payments held in an electronic transfer account (ETA). In addition, our right of set-off does not apply to an account or other obligation if your rights arise only in a representative capacity or if you can obtain credit under this agreement by using a credit card.

Your right to receive money from us includes any deposit or share account balance you have with us; any money owed to you on an item presented to us or in our possession for collection or exchange; and any repurchase agreement or other non-deposit obligation. "Any amount due and payable under the terms of this agreement" means the total amount of which we are entitled to demand payment under the terms of this agreement at the time we set off.

- ◆ We may make changes that unequivocally benefit you.

If we are required to send notice of a change in terms, we will send the notice to your address listed in this agreement. (You should inform us of any change in address.)

ADDITIONAL TERMS

DEFAULT: You will be in default on this agreement if any of the following occur:

- (1) You engage in fraud or material misrepresentation in connection with this plan;
- (2) You fail to make a payment as required by this agreement;
- (3) Your action or inaction adversely affects the collateral or our rights in the collateral.

REMEDIES: We may terminate your account, require you to pay the entire outstanding balance in one payment and charge you a termination fee (if provided for in this agreement), and fees related to the collection of the amount owing, if you are in default in any manner described above. In that instance, we may take other action short of termination, such as charging you a fee if you fail to maintain required property insurance and we purchase insurance. We may also use our right of set-off as explained in this agreement.

Even if we choose not to use one of our remedies when you default, we do not forfeit our right to do so if you default again. If we do not use a remedy when you default, we can still consider your actions as a default in the future.

SUSPENSION OF CREDIT AND REDUCTION OF CREDIT LIMIT: We may temporarily prohibit you from obtaining additional extensions of credit, or reduce your credit limit if:

- (1) The value of the dwelling securing this home equity line of credit declines significantly below its appraised value for purposes of this line;
- (2) We reasonably believe you will not be able to meet the repayment requirements due to a material change in your financial circumstances;
- (3) You are in default of a material obligation of this agreement or any agreement securing this agreement, which shall include, but is not limited to, your ongoing obligation to supply us with information we feel we need to assess your financial condition;
- (4) A governmental action prevents us from imposing the annual percentage rate provided for in this agreement;
- (5) The action of a governmental body adversely affects our security interest to the extent that the value of the security interest is less than 120% of the home equity line;
- (6) The annual percentage rate corresponding to the periodic rate reaches the maximum rate allowed under this plan (if provided for in this agreement); or
- (7) A regulatory agency has notified us that continued advances would constitute an unsafe and unsound practice.

In the event that we suspend your right to additional advances or reduce your credit line, we will send you notice of our decision at the address listed in this agreement. (You should inform us of any change in your address.) If we have based our decision to suspend or reduce your credit privileges on an assessment of your financial condition or performance under this plan, and you believe that your situation has changed, you must request that we re-evaluate your situation, and reinstate your credit privileges.

CREDIT INFORMATION: You agree to supply us with whatever information we reasonably feel we need to decide whether to continue this plan. We agree to make requests for this information without undue frequency, and to give you reasonable time in which to supply the information.

COMMISSIONS OR OTHER REMUNERATION: You understand and agree that any insurance premiums paid to insurance companies as part of this loan will involve money retained by us or paid back to us as commissions or other remuneration.

In addition, you understand and agree that some other payments to third parties as part of this loan may also involve money retained by us or paid back to us as commissions or other remuneration.

YOUR BILLING RIGHTS KEEP THIS NOTICE FOR FUTURE USE

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify Us In Case of Errors or Questions About Your Bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us at the address listed on your bill. Write to us as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- ◆ Your name and account number.
- ◆ The dollar amount of the suspected error.
- ◆ Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.

If you have authorized us to pay your bill automatically from your savings, checking, share draft or other account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur.

Your Rights and Our Responsibilities After We Receive Your Written Notice

We must acknowledge your letter within 30 days, unless we have corrected the error by then. Within 90 days, we must either correct the error or explain why we believe the bill was correct.

After we receive your letter, we cannot try to collect any amount you question, or report you as delinquent. We can continue to bill you for the amount you question, including finance charges, and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your bill that are not in question.

If we find that we made a mistake on your bill, you will not have to pay any finance charges related to any questioned amount. If we didn't make a mistake, you may have to pay finance charges, and you will have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date that it is due.

If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within ten days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill. And, we must tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is.

If we don't follow these rules, we can't collect the first \$50 of the questioned amount, even if your bill was correct.
