My Trustee may perform every act reasonably necessary to administer each and every share or trust created under this agreement. All of the powers granted to my Trustee shall be in addition to those powers conferred upon Trustees under all applicable state and federal statutes. Each power conferred upon my Trustee, or upon Trustees in general, by applicable state or federal statutes, shall be subject to any express limitations or contrary directions contained in this agreement.

**(2) Investment Powers in General**

My Trustee may invest and reinvest in such classes of stocks, bonds, securities, commodities, options, metals, or other property, real or personal, as it shall determine. **(4) Margin, Brokerage, and Bank Account Powers**

My Trustee is authorized to sell, and trade in securities of any nature, including short sales and on margin. My Trustee may maintain and operate margin accounts with brokers, and may pledge any securities held or purchased by my Trustee with such brokers as securities for loans and advances made to my Trustee. My Trustee may make such contracts, deeds, leases, and any other instruments it deems proper under the immediate circumstances, and may deal with the trust property in all other ways in which a natural person could deal with his or her property.
