KNOW ALL MEN BY THESE PRESENTS that, for and in consideration of One Hundred Dollars (\$100) and other valuable considerations paid to **UNITED STATES STEEL CORPORATION**, a Delaware corporation, successor (by conversion) to United States Steel LLC and remote successor to USX Corporation (hereinafter referred to as "Grantor"), by **TACOA MINERALS, LLC**, an Alabama limited liability company, hereinafter referred to as "Grantee", the receipt and sufficiency of which is acknowledged, Grantor does hereby grant, bargain, sell, and convey unto Grantee five (5) tracts of land, **MINERALS AND MINING RIGHTS EXCEPTED**, together with all improvements situated thereon, said land being situated in the Southwest quarter of the Southeast quarter and in the Northwest quarter of the Southeast quarter of Section 21; in the Northeast quarter and in the East half of the Northwest quarter of Section 22; in the Northwest quarter of the Southwest quarter and the Northeast quarter of the Southwest quarter of Section 28; in the Southeast quarter of the Northwest quarter of Section 28; and in the Southeast quarter of the Southeast quarter of Section 20 and in the West half of the Southwest quarter of Section 21; all in Township 21 South, Range 4 West of the Huntsville Principal Meridian, Shelby County, Alabama, which tracts are identified as "Tracts 1 through 5" and more particularly described on "**EXHIBITS A-1 through A-5**" and shown on maps labeled "**EXHIBITS B-1 through B-5**" attached hereto and made a part hereof, together with a non-exclusive easement forty (40) feet in width for ingress, egress, utilities, and drainage on, over, and across other lands of Grantor as shown on "**EXHIBIT B-6**" attached hereto and made a part hereof (hereinafter collectively called the "Property").

RESERVING AND EXCEPTING unto Grantor, its successors and assigns, a non-exclusive easement of varying widths for ingress, egress, utilities, and drainage on, over, and across the Property as shown on **EXHIBITS B-1, B-2, B-3, and B-5**.

This conveyance is made upon the covenant and condition that no right of action for damages on account of injuries to the Property herein conveyed or to any buildings, improvements, structures, pipelines, or other sources of water supply now or hereafter located upon the Property, or to any owners or occupants or other persons in or upon the Property, resulting from sinkholes or other defects of the surface or subsurface of any nature affecting the Property or resulting from past mining and/or gas or oil producing operations of Grantor, or its

assigns, licensees, lessees, or contractors, or resulting from past blasting, dewatering, or the past removal of coal, iron ore, gas, oil, methane, hydrocarbons, occluded natural gas, coal bed methane gas, gob gas, limestone and all other minerals and non-mineral substances, including water associated with the production of coal bed methane gas, or coal seam or other roof supports by Grantor, or its assigns, licensees, lessees, or contractors, whether said past mining and/or gas or oil producing operations be in the Property or other lands, shall ever accrue to or be asserted by Grantee or by Grantee's successors in title, this conveyance being made expressly subject to all such injuries, either past or future, and this condition shall constitute a covenant running with the land as against Grantee and all successors in title.

By acceptance of this deed and as a condition of the conveyance hereunder, Grantee acknowledges and agrees that the physical and environmental condition of the Property conveyed hereunder has been inspected by Grantee or its duly authorized agent and that the Property is purchased by Grantee as a result of such inspection and not upon any agreement, representation, or warranty made by Grantor. Furthermore, Grantee, and on behalf of its successors and assigns, agrees to accept the Property in its "**AS IS, WHERE IS, WITH ALL FAULTS**" condition, including any physical and environmental conditions; to release Grantor from any and all liabilities under CERCLA, RCRA, or the HMTA, or any other local, state, or federal laws, rules, regulations, or ordinances; and to ***indemnify, defend, and hold Grantor harmless from and against*** any cost, fine, penalty, or other liability relating to the physical and environmental condition of the Property. It is the express intention of the parties that this assumption, release, and indemnity run with the land and shall be binding upon Grantee, its successors and assigns and all successors in title. (For the purpose of this provision, "CERCLA" shall mean and refer to the Comprehensive Environmental Response Compensation and Liability Act of 1980, 42 U.S.C. § 9601, *et seq.*, as amended; "RCRA" shall mean and refer to the Resource Conservation and Recovery Act, 42 U.S.C. § 6901, *et seq.*, as amended; and "HMTA" shall mean and refer to the Hazardous Materials Transportation Act, 49 U.S.C. § 5102, *et seq.*, as amended.)

No private right of action shall accrue with respect to the physical or environmental condition of the Property to any subsequent purchaser of the Property, whether by foreclosure or otherwise, due solely to the taking of title to the Property and, by taking such title, any such purchaser does thereby waive any and all right or claim against Grantor, Grantee, or their successors and assigns or any of them, for any costs, loss, damage, or liability such purchaser or its successors and assigns may incur as a result of the physical or environmental condition of the Property or the need or desirability to do any removal, corrective, or remediation work including, but not limited to, in connection with hazardous materials or waste pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, the Resources Conservation and Recovery Act, as amended, and all regulations thereunder or any similar laws or regulations enacted by the United States of America or the State of Alabama, or any agency or instrumentality of either.

Grantor does hereby covenant that the Grantor is lawfully seized and possessed of the Property and has the right and lawful authority to sell and convey the Property. The Grantor does hereby warrant the title to the Property, and will defend the same against the lawful claims of all persons claiming by, through, or under Grantor and that the Property is free and clear of all encumbrances except for the Permitted Encumbrances set forth in "**EXHIBIT C**" attached hereto and by this reference made a part hereof, against which Grantor shall not defend.

IN WITNESS WHEREOF, Grantor has caused these presents to be executed in its name and behalf and its seal to be hereunto affixed and attested by its officers or representatives thereunto duly authorized this, the 12 day of May, 2004.
