Four Riverchase Ridge  
Birmingham, AL 35244

**Subject: Stormwater Drainage from Westwood Baptist Church Site  
Alabaster, Alabama  
InSite Project No. 05004**

Gentlemen:

By acceptance of this letter in the spaces provided below, Shelby Land Partners, ~~Mr. Jim Jackson~~, and Mr. Mark Osborn acknowledge, agree and grant permission for Westwood Baptist Church to divert drainage from the Weatherly Connector Road across property owned by Shelby Land Partners per the attached letter from Walter Schoel Engineering Company, Inc. dated February 3, 2005 and referenced exhibit, provided that Westwood Baptist Church obtains all necessary permissions for this diversion from the U.S. Army Corps of Engineers and other regulatory agencies.

If you have any questions or need any additional information, please give us a call at 205-824-6488.

Sincerely,

ACCEPTANCE:

InSite Engineering, LLC  
for The City of Alabaster, Alabama

Bryan K. Pate, P.E.
