WHEREAS, Assignor will derive substantial economic benefits from the execution of the Loan Agreement.

WHEREAS, as a condition precedent to the execution and delivery of the Loan Agreement, Assignor and Lender have agreed to execute and deliver this Modification; and

NOW, THEREFORE, in consideration of the foregoing and the payment of Ten Dollars (\$10.00) and other good and valuable consideration the receipt and legal sufficiency of which are hereby acknowledged, the parties hereto agree and give notice as follows:

1. All of the foregoing recitals are acknowledged by Assignor as being true and correct and shall be deemed incorporated by reference herein. Assignor hereby acknowledges and agrees that the Original Assignment, as modified hereby, secures all Obligations of the Assignor under the Loan Agreement and all indebtedness evidenced by the Note. From and after the date hereof, all references in the Original Assignment to the "Loan Agreement" shall mean the Loan Agreement, as defined herein. From and after the date hereof, all references in the Original Assignment to the "Loan" and the "Note" shall mean the Loan and the Note, respectively, as described in the Loan Agreement.

2. The Original Assignment, as amended and modified by this Modification (the "Assignment"), cannot be further altered, amended, modified, terminated, waived, released or discharged except in a writing signed by the parties hereto or their respective successors or assigns. Any future amendment or modification of the Loan Documents or the Obligations of the Assignor under the Loan Agreement may or may not be recorded. All holders of any interest or claim that affects all or any portion of the Rents or Leases or any estate or interest in the Properties, which interest or claim is recorded after the date the Assignment was originally recorded or that is otherwise or is intended to be junior and subordinate to the lien of the Assignment (collectively, "Junior Lien Claimants"), are hereby placed on notice of the possibility that the Loan Documents or any of the Assignor's obligations thereunder may be amended but any such amendment may or may not be placed of record. Any such amendment shall be fully effective whether or not recorded, without thereby impairing or reducing the priority of the lien of the Assignment as to the amounts secured thereby or constituting a novation. Junior Lien Claimants should not assume they will be notified of any amendment of the Loan Documents or of the Obligations that occur before or after the recording of their lien. By accepting their interest in the Property, Junior Lien Claimants acknowledge and consent to the foregoing.

3. As modified herein, the terms of the Original Assignment shall continue in full force and effect. Notwithstanding anything to the contrary contained in this Modification, if at any time it is determined that the lien, validity or security of the Assignment is impaired or subordinated as a result of the modifications contemplated hereby (the "Modifications"), then the

Original Assignment shall be construed as if such Modifications had never taken place and the terms of the Original Assignment as unmodified hereby (other than the Modification set forth in the last two sentences of Section 1 above) shall continue in full force and effect and the Lender shall maintain all legal or equitable priorities which were in existence before the date of execution of this Modification. It is understood by and is the intention of the parties hereto that any legal or equitable priorities of the Lender over any party which were in existence before the date of execution of this Modification shall remain in effect after the execution of this Modification.

4. As modified herein, the Original Assignment remains in full force and effect. Any inconsistency between this Modification and the Original Assignment shall be resolved in favor of this Modification, whether or not this Modification specifically modifies the particular provision(s) in the Original Assignment inconsistent with this Modification.

5. The execution, delivery and effectiveness of this Modification shall not operate as a waiver of any defaults by Assignor, or any of Assignor's obligations under the Original Assignment or of Lender's rights and remedies under the Original Assignment, at law or at equity.

6. This Modification may be executed in any number of counterparts, and all such counterparts shall together constitute the same agreement.

7. THIS MODIFICATION SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF ALABAMA.
