PROPERTY SUBJECT TO THIS DECLARATION, ADDITIONS THERETO, DELETIONS THEREFROM

2.01 Legal Description. The real property, which presently is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration, is located in Shelby County, Alabama, and is described in the Map and Survey of The Reserve at Timberline, as recorded in Map Book 34, Pages 117A, 117B, 117C and 117D, in the Probate Office of Shelby County, Alabama. This Declaration shall not apply to any other property owned by Developer or any other person or entity, unless expressly made subject to this Declaration pursuant to Section 2.02 hereof.

2.02 Additions to Property. The Developer may at its sole discretion file a Supplementary Declaration to these Protective Covenants in the Office of the Judge of Probate of Shelby County, Alabama. Such Supplementary Declaration may contain such supplementary additions to and modifications of the Protective Covenants as the Association shall determine to be necessary or proper to reflect the different character, if any, of the additional property, provided they are not inconsistent with the general plan of this Declaration.

It is contemplated by the Developer that additional phases shall be added to the Initial Phase or Phases of Timberline and that similar development shall continue until all of the Developers property adjoining the Phases as described above is exhausted. Additionally, it is contemplated that the Developer shall develop and construct a Pavilion, swimming pool or pools, and grounds (property) associated with these amenities for use and benefit of the residents of Timberline.

These amenities may be added by amendment or Supplemental Declaration by the Developer as Common Areas, but upon conditions and limitations the Developer may determine or deem necessary or desirable and shall be subject to the Committee's (as defined in Section 3.02 (a)) and Associations control, supervision, rules and regulations and shall also be subject to Covenants for maintenance Assessments and Common Expenses as well as all other provisions of the Declaration of Protective Covenants for Timberline.

The Developer at its sole discretion shall be entitled at any time and from time to time, to subdivide, plat or re-plat all or any portion of the Property, and to file subdivision restrictions or amendments thereto with respect to any undeveloped portion or portions of the Property. No Lot may be subdivided or re-surveyed by any Owner without the express written consent of the Developer or without the express written consent of the Association.

ARTICLE III

ARCHITECTURAL CONTROL

3.01 Architectural Review and Approval.

(a) All plans and specifications for any structure improvement or accessory whatsoever to be erected on or moved upon any Lot, the proposed location thereof on any Lot, the construction material, exterior paint and finishes, the roofs, landscaping, fences and later changes or additions after initial approval thereof and any remodeling, reconstruction, alterations or additions thereto on any Lot shall require the approval in writing (the "Letter of Approval") of the Committee (as described in Section 3.02 below) before any work is commenced. **THE SCOPE OF REVIEW BY THE COMMITTEE SHALL BE LIMITED TO EXTERIOR APPEARANCE ONLY AND SHALL NOT INCLUDE ANY RESPONSIBILITY, LIABILITY OR AUTHORITY TO REVIEW FOR STRUCTURAL SOUNDNESS, INTERIOR DESIGN, COMPLIANCE WITH BUILDING OR ZONING CODES OR STANDARDS, OR ANY OTHER FACTORS.** Commencement of construction prior to receipt of written Approval of the Committee, a copy of which must be signed by the Builder, or Owner, and returned to the Committee for retention, is **STRICTLY PROHIBITED.**

3.02 Architectural Review Committee.

(a) All architectural review and control functions shall be administered and performed by the Architectural Review Committee (the "Committee" or "ARC"). The Committee shall be composed of three (3)

members. The Developer reserves the right to appoint the initial and successor members of the Committee, none of whom need be an Owner of a Lot in the Property, until the Developer no longer owns any Lots within the Property, or until Developer elects to terminate its control of the Committee, whichever shall first occur. After terminating control of the Committee by Developer, as aforesaid, the members of the Committee shall be appointed by, and shall serve at the pleasure of, the Board of Directors of the Association.

(b) The Committee shall not be required to conduct regular meetings. The Committee may conduct special meetings upon five (5) days notice from the Chairman elected by such Committee at such times and locations as may be established by the Committee.

(c) The members of the Committee may, as a Common Expense, retain the services of a registered architect, registered engineer, registered landscape architect, other licensed professional or any other qualified person or firm to provide advisory services to and consult with the Committee in connection with the performance of its duties hereunder.

3.03 Powers and Duties of the Committee. The primary authority of the Committee shall be to examine and approve or disapprove all initial and subsequent plans more particularly set out herein, including site plans, for construction of improvements on Lots within the Property in accordance with the provisions of these Protective Covenants. The Committee shall have the following powers and duties:

(a) To propose, adopt, alter and amend rules and regulations applicable to builders, general contractors, and subcontractors who are engaged in the construction of improvements on any Lot or any portion of the Common Area within the Property.

(b) To require submission to the Committee of plans and specifications for any improvement or structure of any kind, and any change, modification or alteration thereof, including, without limitation, any such improvement or change to any building or fencing, or any other exterior items or accessories or changes, the construction or placement of which is or is proposed upon any Lot. Such plans and specifications shall be in such form and shall contain such information as is required in Section 3.04 hereof.

(c) To approve or disapprove the submitted plans and specifications for any improvement or structure as herein above described prior

to commencement of construction of such improvement or structure and to approve or disapprove any improvements constructed pursuant to such plans and specifications after the same have been fully completed. The Committee shall meet as needed to approve plans and specifications and other matters to come before the Committee. Prior to the use or occupancy of any improvement or structure constructed or erected on any Lot, the Owner thereof may apply for a certificate from the Committee (the "Compliance Certificate") that the construction thereof has been completed in accordance with the aesthetic requirements of the plans and specifications approved by the Committee. If any improvement or structure as aforesaid shall be completed, changed, modified or altered without the prior approval of the Committee, or shall not be completed, changed, modified or altered in accordance with the approvals granted by the Committee, then the Owner shall, upon and in accordance with a demand by the Committee, cause the property, improvement or structure either to be restored to its original condition or to comply with the plans and specifications as approved by the Committee, and shall bear all costs and expenses of such restoration or compliance, including the costs and attorneys' fees of the Committee. Any agent or member of the Committee may at any reasonable time enter any building or property subject to the jurisdiction of the Committee which is under construction or on or in which the agent or member may believe that a violation of the Protective Covenants in this Declaration is occurring or has occurred. The Committee may, from time to time, delegate to a person or persons, who may or may not be a member of the Committee, the right to approve or disapprove plans and specifications and to issue such certification. The approval by the Committee of the builder or contractor and/or plans and specifications submitted for its approval, as herein specified, shall not be deemed to be a waiver by the Committee of the right to object to such builder or contractor and/or any of the features or elements embodied in such plans or specifications if and when the same builder or contractor and/or the same features and elements are embodied in any plans and specifications subsequently submitted for approval for other Lots. Any Owner aggrieved by a decision of the Committee shall have the right to make a written request to the Board of Directors of the Association (the "Board"), within thirty (30) days of such decision, for a review thereof. The determination of the Board of Directors, after reviewing any such decision, shall in all events be dispositive.

(d) To adopt fees which shall be designed to reimburse the Association for the necessary and reasonable costs incurred by it in processing requests for Committee approval of any matters under its jurisdiction. Such fees, if any, shall be payable to the Association, in cash, at the time that any application for approval is sought from the Committee. In the event such fees

are not paid by the Owner, they shall become a lien of the Association on the affected Lot enforceable in the manner specified in Article V hereof.

(e) To modify, amend, or otherwise change the Architectural Guidelines and Requirements set forth in the Architectural Guidelines and Requirements for Timberline which is a separate published document and may be obtained from the Association upon request, so long as such modification, amendment, addition or change will not, in the opinion of the Committee, be inconsistent with the architectural environment of the Property or have a material adverse effect on improvements then existing within the Property, or to adopt and approve additional Architectural Guidelines and Requirements for the Property. Such changes or additional guidelines and requirements shall be effective upon approval in writing by (i) a majority of the members of the Board of Directors of the Association at a meeting duly called and noticed and at which a quorum is present, and (ii) the Developer if the Developer shall then own any Lots. Notice of adoption of any change hereto or of any additional Architectural Guidelines and Requirements shall be available to each member of the Association, but delivery shall not be a condition precedent to adoption of such modification or additional guidelines and requirements, or the validity and enforceability thereof.

3.04 Review Documents. Two sets of prints of the drawings and specifications (herein referred to as "Plans") for the exterior of each house or other structure proposed to be constructed on each Lot shall be submitted for review and approval to the Committee. One copy of the Plans submitted to the Committee may be retained by the Committee. Said Plans shall be delivered to the general office of the Committee or to the office of the administration agent designated to service the Committee at least twenty-one (21) business days prior to the date construction is scheduled to commence. All Plans submitted shall include the following:

(a) The Plans shall include a site plan, foundation plan and floor plan.

(b) All Plans for structures shall be not less than one-eighth (1/8) inch to one (1) foot scale.

(c) The site plan must take into consideration the particular topographic and vegetative characteristics of the Lot or Lots involved.

3.05 Architectural Guidelines and Requirements for Timberline. The Developer shall promulgate and publish rules, regulations and guidelines for each Sector or Phase of its development which shall supplement these Declarations of Protective Covenants and these Rules and Regulations shall be part of these covenants and restrictions and incorporated herein by reference.

Amendments to these Guidelines and Requirements may be made in the same manner as provided for in Article XI to the Declaration of Protective Covenants for Timberline.

3.06 Limitation of Liabilities. Neither the Committee nor any architect, nor engineer, nor agent thereof, nor Developer, nor the Association, shall be responsible in any way for any defects in any Plans or specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such Plans and specifications. It is specifically agreed that the scope of review by the Committee shall be limited to aesthetic characteristics and appearance only and shall not include any responsibility or authority to review for structural soundness, compliance with building or zoning codes or standards, or any other similar matter. Neither the Committee, nor any member thereof, shall be liable to any Owner for any action taken, or omitted to be taken by the Committee or the individual members thereof in the performance of their respective duties hereunder.

3.07 Exclusive Residential Use and Improvements.

(a) All Lots in the Property shall be known, used, and described as residential Lots and shall be used for single family residential purposes exclusively, and for no other purpose, and no Lot shall be subdivided so as to decrease the size of any Lot as shown on any recorded map or plat. No building, except as otherwise provided, shall be erected, altered, placed or permitted to remain on any Lot other than one detached single family residence dwelling with not more than two stories, excluding the basement as a story, and a private garage. For purposes of this section 3.07(a), attics, attic areas and roofs shall not be included as a story. This section shall not be interpreted as to prohibit the construction of one residence upon two (2) or more Lots. No open deck or other structure requiring separate and independent support to the ground shall be constructed so as to be higher than the top of the first floor of the dwelling.

(b) No more than one single family unit shall occupy any dwelling house. For purposes of this section, and except as may be otherwise provided by law, a single family shall mean a group of people related to the occupant, the spouse of the occupant, or any person cohabiting with the occupant by blood or marriage within the first degree of affinity as computed under the civil law.

(c) Garages or carports cannot be converted to interior rooms, living spaces or other areas. Garages and carports are intended for parking and storing motor vehicles and partly for storing items out of sight in the interior part of the dwelling from the street and neighbors view.

(d) No propane tanks other than those used for gas grills shall be visible from the street nor from adjacent properties and it is strongly suggested if owners wish to have propane tanks for gas fireplaces or cooking use or similar use, the tanks should be buried underground.

3.08 Subsurface Conditions.

(a) Approval of the submitted Plans by the Committee as herein provided shall not be construed in any respect as a statement, representation or warranty of the Committee, the Developer, or any person acting on behalf of them, to the Owner or any other person submitting such Plans, or successors or assigns of such Owner, that the surface or subsurface conditions of the Lot are suitable for the construction of the improvements contemplated by such Plans. It shall be the sole responsibility of the Owner to determine the suitability and adequacy of the surface and subsurface conditions of the Lot for the construction of any and all structures and other improvements thereon.

(b) Neither the Association, the Committee (and their respective individual members), nor the Developer and its partners, agents, and employees and the officers, directors, agents, and employees of its partners, shall be liable to any Owner, or the successors, assigns, licensees, lessees, employees and agents of any Owner, for loss or damage on improvements, or structures now or hereafter located upon the Property, or on account of injuries to any Owner, occupant, or other person in or upon the Property, which are caused by known or unknown sinkholes, underground mines, limestone formations or other similar conditions under or on the Property.

3.09 Variance Requests. The Committee, in its discretion, shall have the authority to modify the requirements of this Article III and the Architectural Guidelines and Requirements upon the request for a variance from such requirements by an Owner with respect to his or her Lot. If the Committee grants a requested variance, the nonconforming improvements subject to said request shall not be deemed to be in violation of these covenants. The granting or denial of a request for variance shall not, have any precedential value, on any further variance requests by the Owner or another Owner.

ARTICLE IV

EASEMENTS

4.01 Owners' Easement With Respect to Common Areas. Every Owner shall have a right and easement of enjoyment in and to all Common Areas subject to the limitations set forth in this Declaration.

4.02 Other Services and Drainage. Additional Easements and/or right of way, where appropriate, necessary or desirable may be created by consent of all affected property owners, by filing an Amendment to this Declaration in the Probate Office of Shelby County, Alabama.

4.03 Drainage Easement. Drainage flow shall not be obstructed or diverted from drainage swales, storm sewers and/or utility easements as reflected on the Record Map, or as may hereafter appear on any plat of record in which reference is made to these Protective Covenants. The Developer or the Association may locate and construct drainways for surface water within or outside easements wherever and whenever such action may appear to Developer or the Association to be necessary in order to maintain reasonable standards of health, safety and appearance. These easements and rights expressly include the right to cut any trees, bushes or shrubbery, fences or require Owner to so modify

or move and make any gradings of the soil, or to take any other similar action reasonably necessary to provide economical and safe utility installation and to maintain reasonable standards of health and appearance. Except as provided herein, existing drainage shall not be altered in such a manner as to divert the flow of water onto an adjacent Lot or Lots or Common Areas. The provisions hereof shall not be construed to impose any obligation upon Developer or the Association to locate or construct such drainway.

No permanent structure or fence may be constructed or placed in such flowage easement area. Each Lot owner also agrees, upon a conveyance of a Lot and by acceptance of a deed to a Lot, to assume all the risks and hazards of ownership or occupancy attendant to such Lots, including but not limited to its proximity to waterways.

4.04 Utility Easement. Developer reserves for itself and the Association the right to use, dedicate and/or convey to the appropriate local authority or agency, and/or to the appropriate utility company or other companies, rights-of-way or easements on, over or under the ground to erect, maintain and use utilities, electric and telephone poles, wires, cables, cable television, conduits, storm sewers, sanitary sewers, water mains and other suitable equipment for the conveyance and use of electricity, telephone equipment, gas, sewer, water, cable television, or other public conveniences or utilities, on, in and over the utility easements reflected on the Record Map or as may hereafter appear on any plat of record of Property subject to these Protective Covenants.

4.05 Additional Easements and Uses. For so long as the Developer owns any Lot, the Developer, and, thereafter, the Association, on its own behalf and on behalf of all Owners, who hereby appoint the Developer and/or the Association, as the case may be, irrevocably, as their attorney-in-fact for such purposes, shall have the right to grant such additional electric, telephone, water, sanitary sewer, landscaping, irrigation, security, maintenance, drainage, gas, cable television and/or other utility, recreational or service easements or facilities (subject to applicable restrictions), in any portion of the Property, and to grant access easements or relocate any existing access easements in any portion of the Property, as the Developer or the Association shall deem necessary or desirable for the proper operation and maintenance of the Property, or any portion thereof, or for the general welfare of the Owners, or for the purpose of carrying out any provisions of this Declaration, provided (a) such new easements or relocation of existing easements will not, in the opinion of the Board of Directors of the Association, unreasonably interfere with any Owner's enjoyment of the portion of the Property owned by such Owner, (b) any required work is done at

the sole cost and expense of the Association, and after completing such work, the Association will restore any portion of the Property which was affected to the same or as good a condition as existed immediately before the commencement of such work, and (c) following the completion of such work, the Association shall cause a survey to be made of the easement showing its location on the Property and cause the same to be recorded in the Probate Office of Shelby County, Alabama. Such right of the Developer and/or the Association shall also include the right to provide for such simultaneous or concurrent usage of any presently existing or additional easements for such purposes, not infringing upon their stated purposes, as it may deem necessary or desirable, including, but not limited to, their use for the recreational purposes of the Owners, their respective tenants, employees, guests, invitees, licensees and agents.

4.06 Additional Documents. All Owners agree, upon the request of the Developer, the Committee, or any other person having the right to do so, to execute such other documents as are necessary or convenient to effectuate the intent of this Declaration with respect to all easements which may be created pursuant to this Article IV.

4.07 Limitations. Any easements which may be created pursuant to this Article IV shall be appurtenant to, and the benefits and burdens thereof shall pass along with the title to, every Lot and are further subject to the following limitations:

(a) All provisions of this Declaration and the Articles and By-Laws of the Association;

(b) All the rules and regulations governing the use and enjoyment of the Common Areas which may have been or may hereafter be adopted by the Association; and

(c) All restrictions contained on any and all plats of all or any part of the Common Areas or any other part or parts of the Property.

ARTICLE V

COVENANTS FOR MAINTENANCE ASSESSMENTS

5.01 Affirmative Covenant to Pay Assessments. Each Owner, by acceptance of a deed or other instrument of conveyance for a Lot, whether or not it shall be so expressed in any such deed or other instrument, including any

purchaser at a judicial sale, shall be obligated and hereby covenants and agrees to pay to the Association, in the manner set forth herein, all assessments or other charges, determined in accordance with the provisions of this Declaration (the "Assessments").

5.02 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the preservation of the appearance, value and amenities of the Property, and in particular for the improvement, preservation, maintenance and administration of the Common Areas (including, without limitation, the payment of Common Expenses under Article VI below) and for any easement in favor of the Association and/or the Owners, as well as for such other purposes as are properly undertaken by the Association.

5.03 Annual Assessments. The Association shall levy Annual Assessments in such amounts as are necessary to meet the Common Expenses (as defined in Article VI below) and such other recurring or projected expenses as the Board of Directors of the Association (the "Board") may deem appropriate. The Assessment year for the Annual Assessment need not be the calendar year.

5.04 Special Assessments. In addition to the Annual Assessments specified in Section 5.03 above, the Association may at any time levy one or more Special Assessments for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, or expected or unexpected repair to or replacement of any of the Common Areas, including any fixtures and personal property related thereto.

5.05 Duties of the Board of Directors. The Board shall fix the amount of all Assessments, the date of commencement for each Assessment, and the due date of such Assessment, on a per Lot basis, at least thirty (30) days in advance of any such commencement date, and shall at that time, prepare a roster of the Lots and Assessments applicable thereto, which roster shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the amount of the Assessment, the commencement and due dates shall be sent to every Owner subject thereto.

5.06 Date of Commencement and Due Date for Assessments. The liability of a Lot for any Assessment shall commence on the date or dates (which shall be the first day of a month) fixed by the Board in the Resolution authorizing such Assessment. The due date of any such Assessment (which may be different from the commencement date) shall also be fixed in the Resolution authorizing such Assessment. Such Assessments shall be payable as so fixed in the Resolution

authorizing the Assessment, in advance, in monthly, quarterly, semi-annual or annual installments, (but which need not be the first day of a month).

5.07 Allocation of Assessment. The Board shall allocate a portion of each Assessment to each Lot in the proportion that each Lot bears to the total number of Lots within the Property (to the nearest one-thousandth).

5.08 Certificates Concerning Assessments. The Association shall, upon demand at any time, furnish to any Owner liable for any Assessment or his designee or any Institutional Mortgagee a certificate in writing signed by an Officer or authorized Agent of the Association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

5.09 Liability of Owners for Assessments. No Owner may exempt himself from liability for any Assessment levied against his Lot by waiver of the use or enjoyment of any of the Common Areas, or by abandonment of the Lot.

5.10 Effect of Non-Payment of Assessments: The Lien, the Personal Obligation; Remedies of the Association.

(a) If any Assessment or other charge or lien provided for herein is not paid in full on the due date set by the Board, then such Assessment, charge or lien shall become delinquent on the thirtieth day thereafter, and together with interest thereon and cost of collection thereof as are hereinafter provided, thereupon become a continuing lien on the Lot encumbered thereby, and also the personal obligation of its Owner, his heirs, and his or its successors and/or assigns. Notice of such delinquency shall be forwarded to such Owner and any Institutional Mortgagee having an interest in the Lot. The personal obligation of any Owner to pay such Assessment, however, shall remain his or its personal obligation and shall not pass to any successors or assigns unless expressly assumed by them.

(b) If any Assessment is not paid within thirty (30) days after the delinquency date, the Assessment shall bear interest from the date of delinquency at eighteen percent (18%) until paid, and the Association may bring an action against the Owner personally obligated to pay the same and/or commence the foreclosure of the aforesaid lien against the Lot in like manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, and there shall be added to the amount of such Assessment all attorneys' fees incurred in attempting to collect such Assessment and in prosecuting any action for the same,

the cost of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include the interest on the Assessment as above provided together with the costs of the action. The lien granted to the Association shall further secure such advances for taxes and payments on account of superior mortgages, liens or encumbrances which may be required to be advanced by the Association in order to preserve and protect its lien. Any person (except an Institutional Mortgagee) who shall acquire, by whatever means, any interest in the ownership of any Lot, or who may be given or acquire a mortgage, lien or other encumbrance thereon, is hereby placed on notice of the lien granted to the Association and shall acquire his interest in any Lot expressly subject to any such lien of the Association.

(c) The lien herein granted to the Association shall be perfected by recording a Claim of Lien in the Probate Office of Shelby County, Alabama, stating the description of the Lot encumbered thereby, the name of its Owner, the amount due and the date when due. The lien shall continue in effect until all sums secured by it, as herein provided, shall have been fully paid. Such Claim of Lien shall include only Assessments which are due and payable when the Claim of Lien is recorded, plus interest, costs, attorneys' fees and advances to pay taxes, prior encumbrances and other proper charges together with interest thereon, all as provided herein. Such Claim of Lien shall be signed and verified by an officer or agent of the Association. Upon full payment of all sums secured by such Claim of Lien, the same shall be satisfied of record. No sale or other transfer of a Lot shall relieve any Owner from liability for any Assessment due before such sale or transfer, nor from the lien of any such Assessment. The written opinion of an Officer or authorized Agent of the Association that any lien is subordinate to any given mortgage shall be deemed to be dispositive of that issue.

(d) The lien of any Assessments shall be subordinate to the lien of any Institutional Mortgagee bearing a recording date in the Probate Office of Shelby County, Alabama prior to the date of recording the Association's Claim of Lien. Where an Institutional Mortgagee obtains title to a Lot as a result of foreclosure of its mortgage or where any Institutional Mortgagee or its designee accepts a deed to a Lot in lieu of foreclosure, such acquirer of title, its successors and assigns, shall not be liable for any Assessment pertaining to such Lot or chargeable to the former Owner which became due prior to the acquisition of title to such Lot, unless such delinquent Assessment was secured by a Claim of Lien recorded prior to the recordation of the Institutional Mortgagee's mortgage. Nothing herein contained shall be construed as releasing the party liable for such delinquent Assessments from the payment thereof or liability for the enforcement or collection thereof by means other than foreclosure.

(e) Any person who acquires an interest in a Lot, except an Institutional Mortgagee as specifically provided above, including, but not limited to, persons acquiring title by operation of law or at a judicial sale, shall not be entitled to occupancy of the Lot or the use or enjoyment of the Common Areas until such time as all unpaid Assessments due and owing by the former Owner have been paid in full. Any party who has a contract to purchase a Lot, or who has made application for a loan secured by a mortgage on said Lot, may, by written request, inquire of the Association whether the Lot is subject to any Assessments which are due and payable and the Association shall give the requesting party a written response within ten (10) days of such inquiry providing information as to the status of Assessments on said Lot. The party making such request may rely on the information set forth in such response and the facts stated therein shall be binding upon the Association.

(f) The Association shall have the right to assign its Claim of Lien, and any other lien rights provided for in this Article V, for the recovery of any unpaid Assessments, to the Developer, to any Owner or group of Owners, or to any third party.

5.11 Exempt Property. The Board shall have the right to exempt any portion of the Property from the Assessments, charges and liens created herein provided that such part of the Property exempted is used (and as long as it is used) for any of the following purposes:

(a) As an easement or other interest therein dedicated and accepted by the local public authority and devoted to public use;

(b) As a Common Area as defined in Section 1.02 hereof.

(c) Builder exemption, for the builder during Construction periods

5.12 Initial Assessments. Assessments shall commence or levied pursuant to this Article upon the purchase of the Residences from the Builder or Builders.

ARTICLE VI

(a) Each Lot Owner shall keep all Lots owned by the Lot Owner, and all Improvements therein, thereon or appurtenant thereto, in good order and repair, including the seeding, watering and mowing of all lawns, the pruning and cutting of all trees and shrubbery and the painting (or other appropriate external care) of all buildings and other Improvements, all in a manner and with such frequency as is consistent with good property management. There shall be no outside burning of wood leaves, or trash except during construction of a dwelling or with approval of the fire department.

Developer or the Association may charge the Owner a reasonable cost for such services, which charge shall constitute a lien upon such Lot enforceable in accordance with Section 5.10 of this Declaration. The provisions of this section shall not be construed as an obligation on the part of Developer or the Association to mow, clear, cut or prune any lot nor to provide garbage or trash removal services.

(c) All maintenance for the Common Areas will be the responsibility of the Association. Maintenance to be provided by the Association includes, but is not limited to, maintenance of the entrance to the Property, maintenance of all landscaping and grassed portions of the Common Areas, including medians, if any, and general maintenance or repair of any kind whatsoever of any areas within the Property which are not the responsibility of a governmental authority or a specific Owner. (b) During construction of any dwelling or improvement, the Owner must keep Lots, homes and garages maintained and clean and must keep Yards cut. All building debris, stumps, trees, and other waste must be removed from each Lot by the builder or contractor as often as necessary to keep the Lot attractive. (c) Adequate silt fencing, erosion control devices, and gravel at the entry of each driveway must be properly installed and maintained during

construction. All streets within the Property or any adjoining property shall be kept free of dirt, gravel, mud, silt and debris from erosion and construction traffic.

(d) During the construction of any improvements or dwellings, the Owners and their agents, contractors, subcontractors and material suppliers shall comply with all requirements of any governmental authorities having jurisdiction over the Property, including but not limited to the Alabama Department of Environmental Management and the Engineering Department of the City of Calera.

7.03 Nuisance. No noxious, offensive or illegal activities shall be carried on or permitted to exist upon any Lot or within the Property nor shall anything be done on any Lot or within the Property which may be or may become an annoyance, embarrassment, nuisance or source of discomfort to the neighborhood or which would render any portion of the Lot or dwelling thereon unsanitary, unsightly, offensive or detrimental to other Lot owners or which may result in the cancellation or increase of insurance coverage or premiums for others, or cause a violation of any law, statute, ordinance, rule, regulation or requirement of any governmental authority. Without limiting the generality of the foregoing, no horns, whistles, bells, or other similar sound devices other than security and fire alarm devices used exclusively for such purposes shall be located or placed upon any Lot, dwelling or other portion of the Property.

7.04 Minerals. No oil or natural gas drilling, refining, quarrying or mining operations of any kind shall be permitted upon any Lot and no derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained, or permitted on any Lot nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted on any Lot.

7.05 Damaged Structures. Any dwelling or other structure on any Lot in the Property which may be destroyed in whole or in part for any reason must be rebuilt within one (1) year. All debris must be removed and the Lot restored to a sightly condition with reasonable promptness, provided that in no event shall such debris remain on any Lot longer than sixty (60) days.

7.06 Roadway Obstruction. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between two (2) and six (6) feet above any roadway shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street lines, or in the case

of a rounded property corner, from the intersection of the street property lines extended. Except as herein provided, no trees shall be permitted to remain within such distance of such intersections unless the foliage is maintained at sufficient height to prevent obstruction of such sight-lines. Any such tree or shrub of a rare or unusual species may be permitted to remain in place upon application to and written permission from the Committee.

7.07 Due Care. Each and every Owner and future Owner, in accepting a deed or contract for any Lot or Lots in the Property, whether from Developer or a subsequent Owner of such Lot, agrees, in connection with the construction of any improvements on such Lot or Lots, to exercise due care, and to assure that any builders or contractors of such Owner, or employees and subcontractors of such contractors, will exercise due care and will comply with any and all governmental rules, regulations, codes and ordinances relating to safety, so as to protect the safety and health of the public, and the safety and health of such Owner, his or her family, and any such builder or contractor and its employees and subcontractors.

7.08 Time of Construction. Upon the commencement of construction of any building on a Lot, work thereon must be prosecuted diligently and continuously and must be completed within twelve (12) months from date of commencement of construction.

7.09 Drainage. No Owner shall restrict the planned flow of storm water along any street or road upon which the Owner's Lot fronts or adjoins. All proposed construction of driveways or other ingress and egress to each Lot shall be approved by the Committee in efforts to prevent violation of such restriction.

ARTICLE VIII

8.01 Membership. Every Owner, including the Developer for so long as it is an Owner, shall at all times be a member of the Association. Membership shall attach automatically upon the acceptance of delivery of the instrument of transfer of such ownership interest, provided that such instrument is promptly recorded in the Probate Office of Shelby County, Alabama. Membership shall terminate automatically upon the tendering of delivery of an instrument of transfer of such ownership interest (provided such tender is accepted), or upon such ownership interest being divested in some other manner.

Voting may take place by proxy executed and delivered in the manner set forth in the By-Laws. There shall be no cumulative voting allowed.

Notwithstanding the provisions of this Section 8.02, the Developer shall have the exclusive right to (i) vote on all issues and matters of the Association, and (ii) elect the members of the Board of Directors of the Association, and in the event of vacancies, the Developer shall fill vacancies, until such time as all Lots have been sold to Owners other than Developer, or the Developer elects, at its option, to terminate its control of the Association, whichever first occurs.

ARTICLE IX
