LAST WILL AND TESTAMENT

OF

JADIE HANSEL BROWN

I, JADIE HANSEL BROWN, Social Security Number state of Texas, declare that this is my LAST WILL AND TESTAMENT and I revoke all other wills and codicils previously made by me.

FIRST: I appoint my Wife, JEAN FORREST BROWN, as my Independent Executor concerning this Will. If she is unable or fails to serve, I then appoint my son, ROBERT WILSON BROWN to serve as my Independent Executor. If my son, ROBERT WILSON BROWN is unable or fails to serve, I then appoint my son, DONALD FORREST BROWN to serve as my Independent Executor. Any reference to "Personal Representative" in this Will shall be a reference to my Independent Executor.

- a. I direct that the Independent Executor of this will serve without bond, and I direct that no action shall be had in the County or Probate Court in relation to the settlement of my estate, other than the probating and recording of this will and the return of the statutory inventory, appraisement, and list of claims of my estate. I vest my Independent Executor with full power and authority to sell, lease, encumber, or otherwise dispose of or convert any or all of my estate in such manner as my Independent Executor may see fit. It is my desire that, subject only to the terms of this will, my Independent Executor shall have full power and authority to do all things reasonably necessary for the settlement of my estate. If it becomes necessary to have ancillary administration of my estate in any jurisdiction where my Independent Executor is unable or does not desire to qualify as ancillary legal representative, I appoint as such ancillary legal representative such individual or corporation as my Independent Executor shall designate, in writing.
- b. I direct my Independent Executor to pay the expenses of my last illness, the expenses of a funeral appropriate to my station in life and custom of living (including a suitable monument or marker for my grave), and written charitable pledges which I have made. I grant my Independent Executor the power to extend or renew any debt for such time as my Independent Executor shall deem appropriate.

CERTIFICATE This page to which this costiliants affored in a full, frue and convert happy of the original and MAR 21 2009

- c. All estate, inheritance, succession and other death taxes with respect to all property passing under this my Will shall be paid from and borne by the principal of my residuary estate, without regard to reimbursement, as if such taxes were administration expenses. My Independent Executor may pay such taxes at any time deemed advisable, whether or not then due and payable.
- d. My Independent Executor is requested to settle my estate as soon after my death as may be practicable, and to pay or deliver every legacy or bequest to my beneficiaries without waiting any time that may be believed to be customary in probate matters.
- e. I have served in the Armed Forces of the United States. Therefore, I direct my Independent Executor to consult with a Legal Assistance Attorney at the nearest military installation and with the Department of Veterans Affairs and the Social Security Administration to ascertain if there are any benefits to which my family members are entitled by virtue of my military service.

SECOND: I give, devise and bequeath, absolutely and forever, all of my estate and property of which I may be seized or possessed, or to which I may be entitled, at the time of my death, wherever situated or of whatever nature, be it real, personal, or mixed, to my Wife, JEAN FORREST BROWN, as her sole and absolute property if she shall survive me.

THIRD: In the event that my Wife, JEAN FORREST BROWN shall not survive me, I give, devise and bequeath, absolutely and forever, all of my estate and property of which I may be seized or possessed, or to which I may be entitled, at the time of my death, wherever situated or of whatever nature, be it real, personal, or mixed, to my children, ROBERT WILSON BROWN and DONALD FORREST BROWN and to any child or children that may be born to or adopted by me, in shares of substantially equal value to be divided as they may agree.

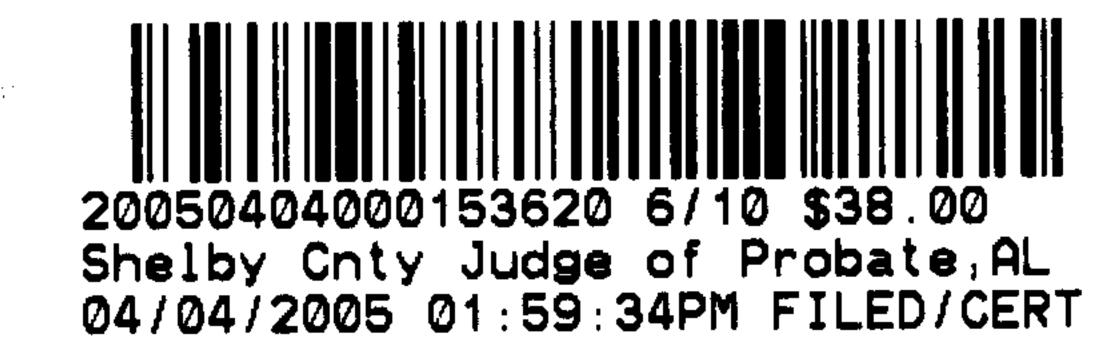

a. If any of my children shall not survive me, then the share of that deceased child shall go to the descendants of that child, who are to take per stirpes and not per capita. If any of my children shall not survive me and shall not be survived by any descendants, then the share of that deceased child shall be distributed to my surviving children and the descendants of any of my other children who fail to survive me, in the manner set forth above.

MAR 2 To 2005

b. If they are unable to agree, the division among my children and the descendants of any of my children who fail to survive me shall be made by my Personal Representative, in that person's sole and absolute discretion. I empower my Personal Representative to sell any or all of such property, if such property is not distributed in kind hereunder, and to distribute the proceeds among my said children in substantially equal shares. Any determination of my Personal Representative as to what should pass or be sold under this paragraph and to whom it should pass or be delivered or at what price it should be sold shall be conclusive.

FOURTH: Except as otherwise provided in this Will, I have intentionally failed to provide for any other relatives or other persons, whether claiming to be an heir of mine or not. Insofar as I have failed to provide in this Will for any of my issue now living or later born or adopted, such failure is intentional and not occasioned by accident or mistake.

FIFTH: Any beneficiary who fails to survive until one hundred twenty (120) hours after my death shall be deemed to have predeceased me, and the gift to that beneficiary shall be disposed of accordingly.

SIXTH: Definitions:

- a. The term "children" as used in this Will includes adopted and afterborn persons. A relationship by or through legal adoption shall be treated the same as a relationship by or through blood for purpose of succession to property under this Will.
- b. The term "descendants" as used in this Will means the immediate and remote lawful, lineal descendants by blood or adoption of the person referred to who are in being at the time they must be ascertained in order to give effect to the reference to them.
- c. The term "issue" as used in this Will means all persons who are descended from the person referred to either by legitimate birth to or legal adoption by that person, or any of that descendant's legitimately born or legally adopted descendants.
- d. The term "Personal Representative" as used in this Will means Executor, Executrix, Independent Executor, or any other title of like import which is used to describe such a fiduciary.

e. The term "per stirpes" as used in this Will means that whenever a distribution is to be made to the descendants of any person, the property to be distributed shall be divided into as many shares as there are (1) living children of the person, and (2) deceased children, who left descendants who are then living, of the person. Each living child (if any) shall take one share and the share of each deceased child shall be divided among his then living descendants in the same manner.

SEVENTH: In addition to any powers granted by the laws of the state in which this Will is probated, I hereby authorize and empower the fiduciaries named in this Will, to the extent of the discretion herein granted, to sell, exchange, convey, transfer, assign, mortgage, pledge, lease or rent the whole or any part of my real or personal estate, to invest, reinvest, or retain investments of my estate, to perform all acts and to execute all documents which my fiduciaries may deem necessary or proper in regard to my property. If any of my fiduciaries elect to receive compensation for services, such compensation will be that allowed by law.

EIGHTH: If any part of this Will shall be invalid, illegal, or inoperative for any reason, it is my intention that the remaining parts, so far as possible and reasonable, shall be effective and fully operative. My Personal Representative may seek and obtain court instructions for the purpose of carrying out as nearly as may be possible the intention of this Will as shown by the terms hereof, including any terms held invalid, illegal, or inoperative.

IN WITNESS WHEREOF, I have at San Antonio, Texas, this
