EASEMENT

For and in consideration of Two thousand dollars ($ 2000.00) and other good and valuable consideration, the adequacy and receipt of which is hereby acknowledged, the undersigned owner(s) of the premises described below, hereinafter referred to as Grantor, do(es) hereby grant to BELLSOUTH TELECOMMUNICATIONS, INC., a Georgia corporation, its licensees, agents, successors, assigns, and allied and associated companies, hereinafter referred to as Grantee, an easement to construct, operate, maintain, add, and/or remove such systems of communications, facilities, stand by generators and associated fuel supply systems as a means of providing uninterrupted service during commercial power outages, or related services as the Grantee may from time to time require upon, over, and under a portion of the lands described in Deed Book 1996, page 12674, Shelby County, Alabama Records, and, to the fullest extent the grantor has the power to grant, upon, over, along, and under the roads, streets, or highways adjoining or through said property. The said easement is more particularly described as follows:

All that tract or parcel of land lying in Section 36, Township 19 South Range 2West, Meridian, Huntsville County, State of Alabama, consisting of a (strip) (parcel) of land 30ft by 30ft adjoining existing Bellsouth easement of 20ft by20ft along Hwy 11.

The following rights are also granted: the exclusive right to allow any other person, firm, or corporation to attach wires or lay cable or conduit or other appurtenances upon, over, and under said easement for communications or electric power transmission or distribution; ingress to and egress from said easement at all times; the right, but not the obligation, to clear the easement and keep it cleared of all trees, undergrowth, or other obstructions; the right, but not the obligation, to trim and cut and keep trimmed and cut all dead, weak, leaning, or dangerous trees or limbs outside the easement which might interfere with or fall upon the lines or systems of communication or power transmission or distribution; the right to relocate said facilities, systems of communications, or related services on said lands to conform to any future highway relocation, widening, or improvements; the right to conduct site evaluations and/or other above and below ground tests and surveys deemed necessary by Grantee, the right to test and maintain generators and associated equipment; and the right to allow any other person, firm, or corporation to provide for fuel/energy distribution to equipment placed on the site.

To have and to hold the above granted easement unto BellSouth Telecommunications, Inc., its licensees, agents, successors, assigns, and allied and associated companies forever and in perpetuity.

Grantor warrants that grantor is the true owner of record of the above described land on which the aforesaid easement is granted.

GENERAL NOTES:

Surveyor did not conduct a title search and offers no opinion as to title.

Easements or restrictions affecting property may exist of which the Surveyor has no knowledge. Surveyor accepts no responsibility for research in this matter.

Other utilities may exist other than shown or mentioned.

It is intended for the easement created by this survey to abut and adjoin an existing 25' x 25 Bellsouth easement in such a way as to be together with said existing 25 x 25 easement, be encompassed by a contiguous 37' x 41.24' of said easements also to abut and adjoin the North right of way margin of Shelby County highway # 11 , being situated in the Southeast quarter of the Southeast quarter of Section 36, Township 19 South, Range 2 West, Shelby County, Alabama.

It is intended for this easement to encompass Bellsouth cables or equipment
If at any time the locally accepted corners prove to be in error or any discrepancies
are discovered then the location of the easement shall revert to such an
orientation as to encompass the cables or equipment.

Basis of bearing is magnetic.

Underground utilities may exist that have not been shown.

Elevations and contours are based on an assumed elevation of 100.00 as applied to an iron pin found on the Eastmost corner of existing 25 x 25 Bellsouth easement.

Contour interval is one foot.
