of any of the Common Areas and any amounts collected as special Assessments shall be disbursed by the Association in payment for the costs of such repair or restoration in such manner as may be determined by the Board of the Association. In no event shall the Association or the Owner or Mortgagee of any Lot be entitled to any portion of any special Assessments or proceeds of insurance payable as a result of the damage to or destruction of any portion of the Common Areas.

9.02 Damage or Destruction to Lots. In the event of any fire or other casualty which damages or destroys any portion of any Lot, then the Owner of such damaged Lot shall promptly repair and otherwise restore such Lot to the condition to which the same existed immediately prior to such fire or other casualty; provided, however, that any such restoration or repair shall be subject to compliance with all of the terms and provisions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. Any such restoration or repair shall be commenced within one hundred twenty (120) days following the occurrence of such fire or other casualty. The Owner of any such damaged Lot shall proceed diligently and complete all such restoration and repair no later than (1) year following the occurrence of such fire or other casualty. In the event the restoration or repair of such Lot is impractical or would otherwise violate any of the terms and provisions of these Covenants, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such fire or other casualty and shall leave such Lot and any remaining Improvements thereon in a clean, orderly, safe and sightly manner.

9.03 Condemnation of Common Areas.

(a) In the event of the taking of all or any portion of any of the Common Areas as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase of lieu thereof, the award from such taking or sale in lieu thereof shall be paid to the Association and shall be paid to the Association and shall be disbursed or held as follows:

(i) To the extent the Common Areas subject to such taking can either be restored or replaced, then to the extent practicable, the Association shall take such action, including the utilization of any other Common Areas within the Property, to restore, rebuild or replace, as the case may be, those portions of the Common Areas subject to such taking. If the award is insufficient to fully defray the cost of such repair or replacement and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, the Board of Association may levy a special Assessment against all Owners, which such special Assessments shall be in an amount sufficient to provide funds to pay a proportionate share of the remaining costs of repair, restoration and reconstruction. Such special Assessments shall be levied against each Owner as provided in Section 8.03 above.

(ii) To the extent the Common Areas subject to such taking cannot be restored or replaced or if the Association shall determine that the portions of the Common Areas so taken should not be replaced or restored, then in any such event, the net award from such taking shall be retained by and used for the benefit of the Association.

(b) If any portion of the award from any taking remains after restoration or replacement of any of the Common Areas, the remainder of such award shall be retained by and used for the benefit of the Association, without any claim thereto by any Owner. Except as specifically provided in Section 9.03(c) below, no Owner or Mortgagee of any Lot shall be entitled to any portion of the award made to the Association as a result of the taking of any portion of the Common Areas.

(c) If any such taking or sale in lieu thereof includes all or any part of a Lot and also includes any part of the Common Areas, then the award from such taking shall be equitably apportioned in accordance with the decision of a court of competent jurisdiction and such award shall be disbursed separately to the association and to the Owners so affected by such taking; provided, however, that the Owners of any Lot which is subject to any such taking and the Association may mutually agree on the amount of such apportionment, which mutual agreement shall be binding on all Owners.

9.04 Condemnation of Lots. In the event that all or any portion of a Lot is taken as a result of, in lieu of or in anticipation of the exercise of the right or eminent domain, condemnation or by private purchase in lieu thereof, then, to the extent practicable, the Owner of such Lot shall promptly repair, reconstruct, rebuild and otherwise restore the remaining portions of the Lot as nearly as practicable to the condition to which the same existed immediately prior to such taking; provided, however, that any such restoration shall be subject to all of the terms and conditions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. In the event the restoration of such Lot is impracticable or would otherwise violate any of the terms and provisions of these Covenants, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such taking and shall leave such Lot and any remaining Improvements thereon in a clean, orderly, safe and sightly condition.

9.05 Insurance.

(a) The Association may, at the discretion of the Board, obtain and maintain property and casualty insurance in such form as the Association deems appropriate for the benefit of the Association insuring all insurable Improvements in and on the Common Areas against all loss or damage by fire or other hazards, including, without limitation, extended coverage, flood, vandalism and malicious mischief, which coverage should be in an amount, with such insurance carriers, at such costs and with such deductibles as the Board of the Association, in its sole discretion, may determine.

(b) The Board of the Association shall have the right and authority to obtain and maintain in effect at all times such public liability insurance coverage covering all of the Common Areas in such amounts, with such insurance carriers, at such costs and with such deductibles as the Board of the Association, in its sole discretion, may deem necessary or desirable.

(c) The Board of the Association shall have the right to obtain workman's compensation insurance, employer's liability insurance, and all other types of insurance required by law, including, without limitation, errors and omissions and directors and officers liability insurance coverage, in such amounts, with such insurance carriers, at such costs and with such deductibles as the Board, in its sole discretion, may determine.
