EASEMENT

For and in consideration of Two hundred fifty dollars (\$ 250.⁰⁰) and other good and valuable consideration, the adequacy and receipt of which is hereby acknowledged, the undersigned owner(s) of the premises described below, hereinafter referred to as Grantor, do(es) hereby grant to BELL SOUTH TELECOMMUNICATIONS, INC., a Georgia corporation, its licensees, agents, successors, assigns, and allied and associated companies, hereinafter referred to as Grantee, an easement to construct, operate, maintain, add, and/or remove such systems of communications, facilities, stand by generators and associated fuel supply systems as a means of providing uninterrupted service during commercial power outages, or related services as the Grantee may from time to time require upon, over, and under a portion of the lands described in Deed Book DB 311, page 453, Shelby County, Alabama Records, and, to the fullest extent the grantor has the power to grant, upon, over, along, and under the roads, streets, or highways adjoining or through said property. The said easement is more particularly described as follows:

All that tract or parcel of land lying in Section 34, Township 20 S., Range 3 W., Huntsville Meridian, Shelby County, State of Alabama, consisting of a (strip) (parcel) of land 5ft x 200 ft running adjacent to Cedar Ln. and 5ft x 20ft running adjacent to County Hwy 44 as shown on attached drawing and hereby made a part of this document. (ATTACHMENT A)

The following rights are also granted: the exclusive right to allow any other person, firm, or corporation to attach wires or lay cable or conduit or other appurtenances upon, over, and under said easement for communications or electric power transmission or distribution; ingress to and egress from said easement at all times; the right, but not the obligation, to clear the easement and keep it cleared of all trees, undergrowth, or other obstructions; the right, but not the obligation, to trim and cut and keep trimmed and cut all dead, weak, leaning, or dangerous trees or limbs outside the easement which might interfere with or fall upon the lines or systems of communication or power transmission or distribution; the right to relocate said facilities, systems of communications, or related services on said lands to conform to any future highway relocation, widening, or improvements; the right to conduct site evaluations and/or other above and below ground tests and surveys deemed necessary by Grantee, the right to test and maintain generators and associated equipment; and the right to allow any other person, firm, or corporation to provide for fuel/energy distribution to equipment placed on the site.

To have and to hold the above granted easement unto BellSouth Telecommunications, Inc., its licensees, agents, successors, assigns, and allied and associated companies forever and in perpetuity.

Grantor warrants that grantor is the true owner of record of the above described land on which the aforesaid easement is granted.
