STATE OF ALABAMA SHELBY COUNTY

ASFIDANIT

Before me, the undersigned authority in and for the State of Alabama, does hereby certify that Robert C. Farmer, Alabama Professional Surveyor No. 14270, being duly sworn to speak the truth, deposes and says:

On January 10, 1997, our firm surveyed Wynlake, Phase 4-A, which is recorded in Map Book 22 Page 19 in the Probate Office of Shelby County, Alabama. On August 12, 1998, our firm was called upon to resurvey Lots 186 and 189 thru 193 of Wynlake, Phase 4-A to change the building setback line to 30 feet from the Street instead of a 35 foot building setback line. This map was recorded in Map Book 24 Page 100 in said Probate Office.

I understand a deed was executed by Metropolitan Homes, Inc. to Wynlake Construction, Inc. on December 16, 1998, recorded as Inst. No. 1998-50389, in which it described Lot 191 according to Map Book 22 Page 19; whereas, it should have described the lot as Lot 191-A, according to Mao Book 24 Page 100. I do therefore certify that Lot 191 was not changed in any manner from the survey recorded in Map Book 22 Page 19, except for the change in the building setback line.

Robert C. Farmer

Ala. Professional Surveyor No. 14270

Sworn to and subscribed to before me on this the day of November, 2005.
