# LOAN MODIFICATION AGREEMENT

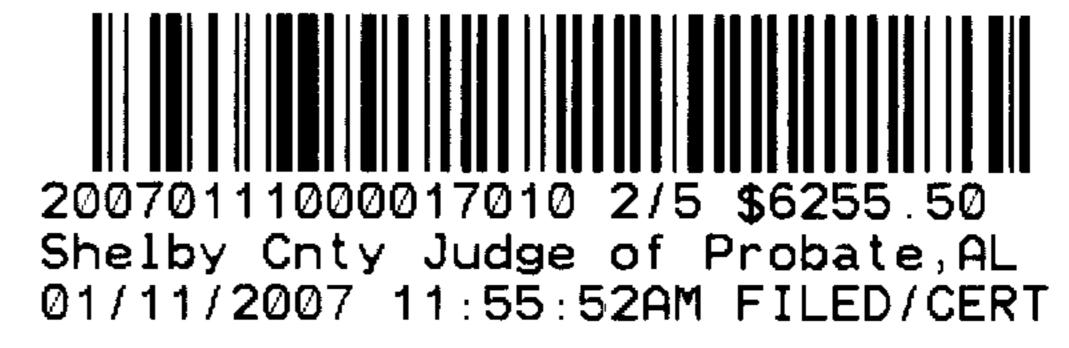

This Loan Modification Agreement ("Agreement") made this 4th day of January, 2007 between SHELBY LAND & DEVELOPMENT LLC, an Alabama Limited Company ("Borrower") and CADENCE BANK, N.A. ("Lender"), amends and supplements (1) the Future Advance Mortgage, Assignment of Rents and Leases and Security Agreement (the "Security Instrument"), dated December 21, 2005 and recorded in Instrument #20051228000664270, along with Assignment of Leases, Rents and Profits recorded in Instrument #20051228000664280, in the Office of the Judge of Probate of Shelby County, Alabama, and (2) the Promissory Note bearing the same date as, and secured by, the Security Instrument, which covers the real and personal property described in the Security Instrument, the real property described being set forth as follows:

See Exhibit "A" attached hereto and made a part hereof for legal description.

The Promissory Note attached hereto as Exhibit "B", is incorporated into this modification as though written herein.

In consideration of the mutual promises and agreements exchanged, the parties hereto agree as follows (notwithstanding anything to the contrary contained in the Promissory Note or Security Instrument):

- 1. As of **January 4, 2007**, the amount payable under the Promissory Note and Security Instrument (the "Unpaid Principal Balance") is U.S. \$3,183,794.54 consisting of the amount(s) loaned to the Borrower by the Lender and any interest capitalized to date.
- 2. Amendments to the Promissory Note and Security Instrument. The terms and provision of the Promissory Note and Security Instrument are amended and modified as follows:
  - The unpaid principal balance of the Promissory Note that is secured by the Security Instrument is hereby increased by Five Hundred Seventy Five Thousand Dollars (\$575,000.00) to a new principal balance of Four Million One Hundred Fifty Five Thousand Dollars (\$4,155,000.00).
  - (b) The maturity date of the Promissory Note is hereby extended from December 10, 2006 to May 31, 2007. The outstanding balance of the debt, if any remaining, evidenced by Borrower's Promissory Note dated the same date as the Security Instrument, if not paid earlier, shall be and payable on or before May 31, 2007.
- 3. The Borrower promises to pay the Unpaid Principal Balance, plus interest, to the order of the Lender. Interest will be charged on the Unpaid Principal Balance at the yearly rate of one-half percent (1/2%) in excess of the Wall Street Journal Prime Rate from time to time prevailing. The Borrower promises to make monthly payments of interest on or before the tenth (10<sup>th</sup>) day of each month beginning on January 10, 2007 and continuing thereafter on the same day of each succeeding month until principal and interest are paid in full. If on **May 31, 2007** (the "Maturity Date"), the Borrower still owes amounts under the Promissory Note and the Security Instrument, as amended by this Agreement, the Borrower will pay these amounts in full on the Maturity Date.

The Borrower will make such payments at CADENCE BANK, N.A., One Chase Corporate Center, Suite 400, Birmingham, Alabama 35244 or at such other place as the Lender may require.

3. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in the Borrower is sold or transferred and the Borrower is not a natural person) without the Lender's prior written consent, the Lender may, at its option, require immediate payment in full of all sums secured by the Security Instrument.

If the Lender exercises this option, the Lender shall give the Borrower notice of acceleration. The notice shall provide a period of not less than 30 day from the date the notice is delivered or mailed within which the Borrower must pay all sums secured by the Security Instrument. If the Borrower fails to pay these sums prior to the expiration of this period, the Lender may invoke any remedies permitted by the Security Instrument without further notice or demand to the Borrower.

- 5. The Borrower also will comply with all other covenants, agreements, and requirements of the Security Instrument, including without limitation, the Borrower's covenants and agreements to make all payments of taxes, insurance premiums, assessments, escrow items, impounds, and all other payments that the Borrower is obligated to make under Security Instrument.
- 6. Nothing in this Agreement shall be understood or construed to be a satisfaction or release in whole or in part of the Promissory Note and Security Instrument. Except as otherwise specifically provided in this Agreement, the Promissory Note and Security Instrument will remain unchanged, and the Borrower and Lender will be bound, by and comply with, all of the terms and provisions thereof, as amended by this Agreement.
