Terms

1. Incorporation of Recitals. The Recitals set forth above are true and correct and are incorporated herein by reference. Capitalized terms which are not otherwise defined herein shall have those meanings set forth in the Loan Documents.

2. Modification of Mortgage. To secure to Lender (a) the repayment of the indebtedness evidenced by the Note, with interest thereon, and all renewals, extensions and modifications thereof, (b) the repayment of any Future Advances, with interest thereon, made by Lender to Borrower pursuant to paragraph 21 of the Mortgage, (c) the payment of all other sums, with interest thereon, advanced in accordance with any of the Loan Documents, (d) the performance and the covenants and agreements of Borrower contained in the Loan Documents, Borrower does hereby mortgage, grant, convey and assign to Lender the parcel(s) of land in the State of Alabama described in Exhibit "A" (the "Additional Land") attached hereto, together with all buildings, improvements and tenements now or hereafter erected on such land, and all vacated alleys and streets abutting such land, and all easements, rights, appurtenances, rents, and royalties appurtenant to such land, and all fixtures, machinery, equipment, building materials, appliances and goods of every nature whatsoever now or hereafter located in or on, or used or intended to be used in connection with such land, all of which, including all replacements and additions thereto, for all purposes shall be and remain part of the Mortgaged Property, as that term is defined in the Mortgage, as fully as though such land and property was described in the Mortgage at the time of its execution and delivery. Borrower hereby further acknowledges and agrees that the lien of the Mortgage is hereby spread to such Additional Land and property so as to encumber all of such Additional Land and property.

3. Modification of Assignment. The Assignment is hereby modified (i) to include the Additional Land in the Property, as defined in the Assignment, so that all of the assignments made by the Borrower in the Assignment shall also encumber the Additional Land and (ii) Borrower acknowledges and agrees that the lien of the Assignment is hereby spread to the Additional Land with the same force and effect as if the Additional Land had been described in the Assignment at the time of its execution and delivery.

4. Affirmation of Loan Documents, Warranties and Representations. Borrower hereby ratifies and affirms the Loan Documents and the representations and warranties set forth therein and represents and warrants that same, together with all matters set forth in any affidavits executed in connection with the Loan Documents, are and remain true and correct in all respects. Borrower hereby (i) acknowledges that Lender has performed all of its obligations under the Loan Documents; (ii) acknowledges that it has no claims, defenses or rights of setoff against Lender or as to the validity or enforceability of the Loan Documents or any of them, or any other documents executed in connection therewith; and (iii) waives, discharges and releases forever any and all existing claims, actions, causes of action, demands, defenses or rights of setoff, whether in contract, tort or otherwise (collectively, the "Claims"), which Borrower might have against Lender or Lender's officers, directors, shareholders, agents or employees, or the successors or assigns of any of the foregoing, or which may affect the enforceability by Lender of Lender's rights and remedies under any of the Loan Documents including, without limitation, any Claims relating to or arising out of the administration or servicing of the Loan and Claims relating to any actions taken under, or with respect to, the Loan Documents, the Mortgaged Property or the

Mortgaged Property's development, condition or operation. Borrower acknowledges and agrees that the affirmations, acknowledgments, waivers and discharges contained in this Section represent an essential part of the consideration bargained for and received by Lender in return for its agreements hereunder.

5. Execution of Documents. Borrower warrants and represents to Lender that the execution, delivery, and performance by Borrower of the Loan Documents and this Agreement: (i) are within the powers and authority of Borrower; (ii) has been duly authorized by all requisite action of Borrower and its directors and shareholders; and (iii) does not require the approval of any governmental authority having jurisdiction over Borrower, its members or the Mortgaged Property.

6. Enforceability of Documents. Borrower warrants and represents to Lender that the Loan Documents and this Agreement: (i) have been duly and validly executed by Borrower; (ii) constitute the valid and legally binding obligations of Borrower, enforceable in accordance with their terms; and (iii) will not violate any provision of law or any order of court or other agency of government, or any indenture, agreement or instrument by which either Borrower, its members, or the Mortgaged Property, or both, are bound or be in conflict with, result in a breach of, or constitute (with due notice or lapse of time, or both) a default under, any such indenture, agreement or other instrument, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the properties or assets of Borrower, except as specifically contemplated by the Loan Documents and this Agreement.

7. Representations as to Claims or Suits. Borrower warrants and represents to Lender that: (i) there are no claims, suits, proceedings or investigations pending or threatened against or affecting Borrower (except as have been disclosed to Lender) or the Mortgaged Property, or both, at law or in equity, or before any governmental, regulatory or administrative agency or instrumentality, and there are no factual occurrences that might reasonably afford a basis for any such claims, suits, proceedings or investigations; and (ii) no judgment, decree or order of any court or governmental or administrative agency or instrumentality has been issued against Borrower or the Mortgaged Property, or both.

8. Reaffirmation of Loan Documents; No Waiver. All of the terms and provisions of the Loan Documents, as modified herein, are hereby ratified and affirmed by Borrower in all respects and all parties shall be bound by their respective obligations thereunder. In the event of any default under the Loan Documents, as modified by this Agreement, Lender shall be entitled to exercise any and all rights and remedies against Borrower as are available at law or in equity. Borrower acknowledges and agrees the Lender shall not be deemed to have waived or relinquished any rights or remedies by reason of this Agreement.

9. Indemnification of Lender. Borrower hereby agrees to indemnify, defend and hold Lender and Lender's officers, directors, shareholders, agents and employees harmless from and against any and all claims, demands, actions, causes of actions, losses, damages, liabilities, judgments, costs and expenses (including, without limitation, attorneys' fees at trial and appellate levels) of every kind and character, known or unknown, fixed or contingent, asserted against or incurred by Lender at any time by reason of or arising out of: (i) the breach of any representation or warranty set forth in this Agreement; (ii) the failure of Borrower to perform any obligation under the Loan Documents or this Agreement as and when due; or (iii) the ownership, construction, occupancy, operation, use, maintenance, repair or replacement of the Mortgaged Property prior to the date upon which all sums and obligations due under the Loan Documents have been fully paid and performed and the Mortgage has been satisfied, or Lender becomes the owner of the Mortgaged Property (by way of foreclosure, deed-in-lieu of foreclosure or otherwise), whichever shall occur first. The provisions of this Section shall survive payment and satisfaction of the Loan Documents and the succession by Lender to title to the Mortgaged Property and shall inure to the benefit of Lender, its successors and assigns.

10. Miscellaneous.

10.1. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one instrument.

10.2. Benefit. All of the terms, covenants and provisions herein are and shall be binding upon, and shall inure to the benefit of, the respective parties and their respective heirs, personal representatives, successors and assigns.

10.3. No Further Modification; Lien Priority. Except as expressly modified herein, the Loan Documents and all other documents executed in connection therewith shall not be deemed modified or amended. All Loan Documents (including this Agreement) shall be read together as constituting a single transaction. Nothing contained in this Agreement shall be construed to alter or affect the priority of the lien created by the Loan Documents nor shall any provision of this Agreement be construed to conflict with the agreement of Lender and Borrower that the lien of the Loan Documents be maintained and preserved and be superior to any and all other encumbrances and interests affecting the Mortgaged Property.

10.5. Governing Law; Invalidity; Entire Agreement. This Agreement shall be construed in accordance with the laws of the State of Alabama. In the event a court of competent jurisdiction shall deem any part or provision hereof to be invalid or unenforceable, such invalidity or unenforceability shall not affect the remaining provisions, all of which shall remain in full force and effect. This Agreement constitutes the entire agreement between the parties with respect to the subject matter and merges and supersedes all prior or contemporaneous negotiations, discussions, agreements and understandings with respect to same.

10.6. Acknowledgment of Counsel Representation. Each party acknowledges that it has been represented by counsel of its choice in the negotiation, drafting, preparation, review and execution of this Agreement and has relied solely upon its counsel's advice and instructions. No representations or warranties have been made by Lender or relied upon by Borrower with respect to this Agreement. The parties acknowledge that all of the terms and conditions of this Agreement were negotiated at arms-length and without fraud, duress, undue influence or coercion of any kind. Neither this Agreement nor any other document shall be more strictly construed against one party than the other by virtue of the fact that it may have been physically prepared by one party or its counsel.
