AFFIDAVIT

Before me, a Notary Public, personally appeared Jerline Scott, who, after being duly sworn, deposes and says:

"My name is Jerline Scott and my husband, Harold and I, own Lots 28, 29, 30, 31 and 32 of Block 115 of Saffords Map of Shelby, as recorded in the office of the Judge of Probate of Shelby County, Alabama.

We acquired title to Lots 29 and 31 from Gulf States Paper Company and our deed is recorded in Book 249 at Page 414 in the Probate Office of Shelby County, Alabama.

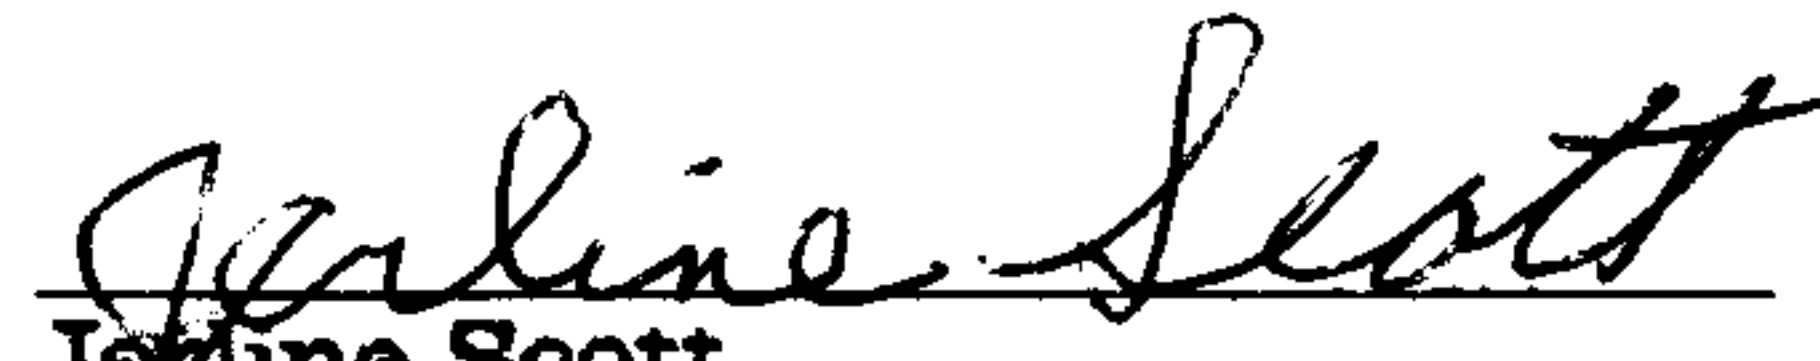

We also own title to a portion of a vacated alley as shown in Book 177 at Page 102 in the Probate Office of Shelby County, Alabama.

We purchased Lots 28, 30 and 32 from R. A. Carden in 1950. I specifically remember that we purchased the property from him then, because we had acquired the property about one year before our son was born. My husband and I have been in open, actual, hostile and adverse possession of all of said lots for more than 40 years and have regularly assessed and paid the taxes on the same.

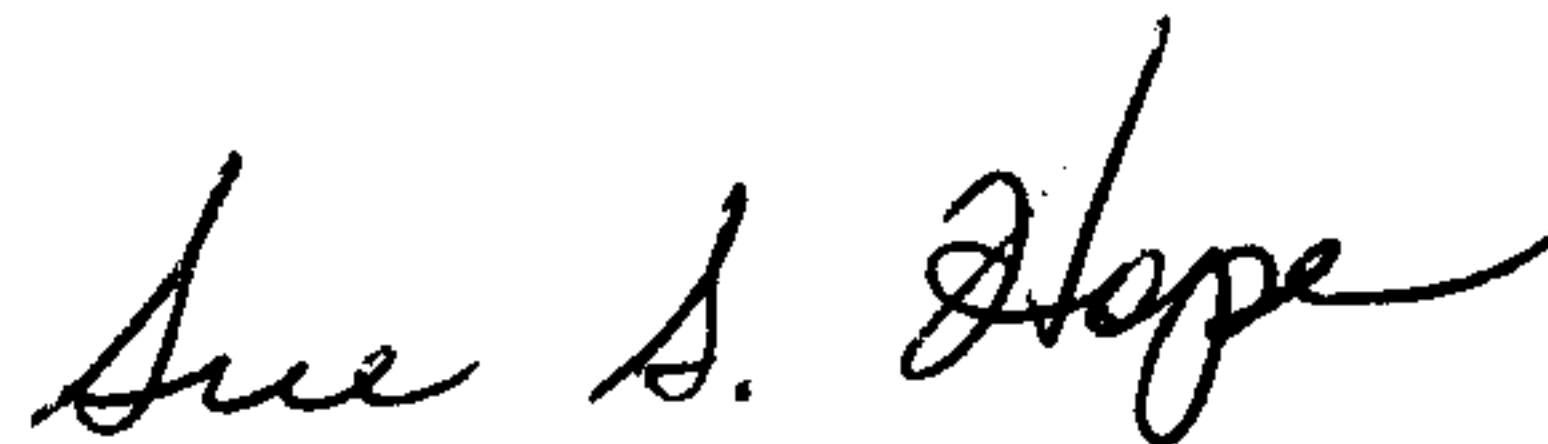

Recently we have discovered that our deed from R. A. Carden was not recorded and we have been unable to find him. I do know that we purchased the property from R. A. Carden and we have been in possession of the same for more than 40 years. My children were born while we were living in the property, but in approximately 1964 we moved out of the property and I have rented it since then.

I am making this affidavit for the purpose of establishing on record that we have been in possession of said property and have paid the taxes on the same for more than 40 years.

The above statements are true and correct to the best of my knowledge, information and belief.

Jerline Scott
