Mortgagor does hereby bind itself, its successors and permitted assigns, to warrant and forever defend all and singular the Realty Collateral, the Personalty Collateral and the Fixture Collateral unto the Mortgagee and its successors and assigns, against every Person whomsoever lawfully claiming or to claim the same, or any part thereof.

2.2 **Future Advances and Maximum Amount Secured.** It is contemplated and acknowledged that the Obligations may include advances from time to time and that this Mortgage shall have effect as of the date hereof to secure all Obligations, regardless of whether any amounts are advanced on the date hereof or on a later date or, whether having been advanced, are later repaid in part or in whole and further advances made at a later date. This Mortgage secures all future advances and obligations constituting Obligations. The Obligations may, if provided in the Credit Agreement and the other Loan Documents, provide for revolving or open-end loan and advances, all of which shall be secured by this Mortgage. **THE TOTAL AMOUNT OF OBLIGATIONS AND ADVANCES SECURED HEREBY MAY DECREASE OR INCREASE FROM TIME TO TIME, BUT AT NO TIME SHALL THE TOTAL AMOUNT OF OBLIGATIONS AND ADVANCES SECURED HEREBY EXCEED THE SUM OF \$150,000,000.00.**

2.3 **Security Interest.** For the same consideration and to further secure the Obligations, Mortgagor hereby grants to Mortgagee for its benefit and the ratable benefit of the other Secured Parties a security interest in and to the Collateral.

ARTICLE III

Proceeds from Production

3.1 **Assignment of Production.**

(a) In order to further secure the Obligations, Mortgagor has assigned, transferred, conveyed and delivered and does hereby assign, transfer, convey and deliver unto Mortgagee, effective as of the date hereof at 7:00 a.m. Central Time, U.S.A., all Hydrocarbons produced from, and which are attributable to, Mortgagor's interest, now owned or hereafter acquired, in and to the Oil and Gas Properties, or are allocated thereto pursuant to pooling or unitization orders, agreements or designations, and all proceeds therefrom.

(b) Subject to the provisions of subsection (f) below, all parties producing, purchasing, taking, possessing, processing or receiving any production from the Oil and Gas Properties, or having in their possession any such production, or the proceeds therefrom, for which they or others are accountable to Mortgagee by virtue of the provisions of this Section 3.1, are authorized and directed by Mortgagor to treat and regard Mortgagee as the assignee and transferee of Mortgagor and entitled in its place and stead to receive such Hydrocarbons and the proceeds therefrom.

(c) Mortgagor directs and instructs each of such parties to pay to Mortgagee, for its benefit and the ratable benefit of the other Secured Parties, all of the proceeds of such Hydrocarbons until such time as such party has been furnished evidence that all of the Obligations have been paid and satisfied and that the Lien and security interest evidenced and created hereby has been released; provided, however, that until Mortgagee shall have exercised its right as provided in Section 6.4 hereof to instruct such parties to deliver such Hydrocarbons and all proceeds therefrom directly to Mortgagee, such parties shall be entitled to deliver such Hydrocarbons and all proceeds therefrom to Mortgagor for Mortgagor's use and enjoyment, and Mortgagor shall be entitled to execute division orders, transfer orders and other instruments as may be required to direct all proceeds to Mortgagor without the necessity of joinder by Mortgagee in such division orders, transfer orders or other instruments. Mortgagor agrees to perform all such acts, and to execute all such further assignments, transfers and division orders, and other instruments as may be reasonably required or desired by Mortgagee or any party in order to have said revenues and proceeds so paid to Mortgagee. None of such parties shall have any responsibility for the application of any such proceeds received by Mortgagee. Subject to the provisions of subsection (f) below, Mortgagor authorizes Mortgagee to receive and collect all proceeds of such Hydrocarbons.

(d) Subject to the provisions of subsection (f) below, Mortgagor will execute and deliver to Mortgagee any instruments Mortgagee may from time to time reasonably request for the purpose of effectuating this assignment and the payment to Mortgagee of the proceeds assigned.

(e) Neither the foregoing assignment nor the exercise by Mortgagee of any of its rights herein shall be deemed to make Mortgagee a "mortgagee-in-possession" or otherwise responsible or liable in any manner with respect to the Oil and Gas Properties or the use, occupancy, enjoyment or operation of all or any portion thereof, unless and until Mortgagee, in person or by agent, assumes actual possession thereof, nor shall appointment of a receiver for the Oil and Gas Properties by any court at the request of Mortgagee or by agreement with Mortgagor or the entering into possession of the Oil and Gas Properties or any part thereof by such receiver be deemed to make Mortgagee a "mortgagee-in-possession" or otherwise responsible or liable in any manner with respect to the Oil and Gas Properties or the use, occupancy, enjoyment or operation of all or any portion thereof.

(f) Notwithstanding anything to the contrary contained herein, so long as no Event of Default shall have occurred and is continuing, Mortgagor shall have the right to collect all revenues and proceeds attributable to the Hydrocarbons that accrue to the Oil

and Gas Properties or the products obtained or processed therefrom, as well as any Liens and security interests securing any sales of said Hydrocarbons and to retain, use and enjoy same.

(g) Mortgagee may endorse and cash any and all checks and drafts payable to the order of Mortgagor or Mortgagee for the account of Mortgagor, received from or in connection with the proceeds of the Hydrocarbons affected hereby, and the same may be applied as provided herein. Mortgagee may execute any transfer or division orders in the name of Mortgagor or otherwise, with warranties and indemnities binding on Mortgagor; provided that Mortgagee shall not be held liable to Mortgagor for, nor be required to verify the accuracy of, Mortgagor's interests as represented therein.

(h) Mortgagee shall have the right at Mortgagee's election and in the name of Mortgagor, or otherwise, to prosecute and defend any and all actions or legal proceedings deemed advisable by Mortgagee in order to collect such proceeds and to protect the interests of Mortgagee or Mortgagor, with all costs, expenses and reasonable attorneys fees incurred in connection therewith being paid by Mortgagor. In addition, should any purchaser taking production from the Oil and Gas Properties fail to pay promptly to Mortgagee in accordance with this Article, Mortgagee shall have the right to demand a change of connection and to designate another purchaser with whom a new connection may be made without any liability on the part of Mortgagee in making such election, so long as ordinary care is used in the making thereof, and upon failure of Mortgagor to consent to such change of connection, the entire amount of all the Obligations may, at the option of Mortgagee, be immediately declared to be due and payable and subject to foreclosure hereunder.

(i) Without in any way limiting the effectiveness of the foregoing provisions, if Mortgagor receives any proceeds which under this Section 3.1 are payable to Mortgagee, Mortgagor shall hold the same in trust and remit such proceeds, or cause them to be remitted, immediately, to Mortgagee.

3.2 **Application of Proceeds.** All payments received by Mortgagee pursuant to this Article III attributable to the interest of Mortgagor in and to the Hydrocarbons shall be applied in the order set forth in Article X of the Credit Agreement and Section 5.02 of the Guarantee and Collateral Agreement.

3.3 **Mortgagor's Payment Duties.** Except as provided in Section 7.17 hereof, nothing contained herein will limit Mortgagor's absolute duty to make payment of the Obligations regardless of whether the proceeds assigned by this Article III are sufficient to pay the same, and the receipt by Mortgagee of proceeds from Hydrocarbons under this Mortgage will be in addition to all other security now or hereafter existing to secure payment of the Obligations.

3.4 **Liability of Mortgagee.** Mortgagee is hereby absolved from all liability for failure to enforce collection of any of the proceeds described in this Article III, and from all other responsibility in connection therewith except the responsibility to account to Mortgagor for proceeds actually received by Mortgagee.

3.5 **Actions to Effect Assignment.** Subject to the provisions of Section 3.1(f), Mortgagor covenants to use commercially reasonable efforts to cause all operators, pipeline companies, production purchasers and other remitters of said proceeds to pay promptly to Mortgagee the proceeds from such Hydrocarbons in accordance with the terms of this Mortgage, and to execute, acknowledge and deliver to said remitters such division orders, transfer orders, certificates and other documents as may be reasonably necessary, requested or proper to effect the intent of this assignment; and Mortgagee shall not be required at any time, as a condition to its right to obtain the proceeds of such Hydrocarbons, to warrant its title thereto or to make any guaranty whatsoever. In addition, Mortgagor covenants to provide to Mortgagee, upon Mortgagee's request, the name and address of every such remitter of proceeds from such Hydrocarbons, together with a copy of the applicable division orders, transfer orders, sales contracts and governing instruments. All reasonable expenses incurred by the Mortgagee in the collection of said proceeds shall be repaid promptly by Mortgagor; and prior to such repayment, such expenses shall be a part of the Obligations secured hereby. If under any existing contracts for the sale of Hydrocarbons, other than division orders or transfer orders, any proceeds of Hydrocarbons are required to be paid by the remitter directly to Mortgagor so that under such existing agreements payment cannot be made of such proceeds to Mortgagee in the absence of foreclosure, Mortgagor's interest in all proceeds of Hydrocarbons under such existing agreements shall, when received by Mortgagor, constitute trust funds in Mortgagor's hands and shall be immediately paid over to Mortgagee.

3.6 **Power of Attorney.** Without limitation upon any of the foregoing, Mortgagor hereby designates and appoints Mortgagee as true and lawful agent and attorney-in-fact (with full power of substitution, either generally or for such periods or purposes as Mortgagee may from time to time prescribe), with full power and authority, for and on behalf of and in the name of Mortgagor, to execute, acknowledge and deliver all such division orders, transfer orders, certificates and other documents of every nature, with such provisions as may from time to time, in the opinion of Mortgagee, be necessary or proper to effect the intent and purpose of the assignment contained in this Article III; and Mortgagor shall be bound thereby as fully and effectively as if Mortgagor had personally executed, acknowledged and delivered any of the foregoing orders, certificates or documents. The powers and authorities herein conferred on Mortgagee may be exercised by Mortgagee through any person who, at the time of exercise, is the president, a senior vice president or a vice president of Mortgagee. **The power of attorney conferred by this Section 3.6 is granted for valuable consideration and coupled with an interest and is irrevocable so long as the Obligations, or any portion thereof, shall remain unpaid.** All persons dealing with Mortgagee, or any substitute, shall be fully protected in treating the powers and authorities conferred by this Section 3.6 as continuing in full force and effect until advised by Mortgagee that the Obligations are fully and finally paid.

3.7 **Indemnification.** MORTGAGOR AGREES TO INDEMNIFY MORTGAGEE AND THE OTHER SECURED PARTIES, AND EACH OF THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AND AGENTS (COLLECTIVELY, THE "INDEMNIFIED PARTIES") FROM, AND DISCHARGE, RELEASE AND HOLD EACH OF THEM HARMLESS AGAINST ALL LOSSES, DAMAGES, CLAIMS, ACTIONS, LIABILITIES, JUDGMENTS, COSTS, REASONABLE ATTORNEYS FEES OR OTHER CHARGES OF WHATSOEVER KIND OR NATURE (HEREAFTER REFERRED TO AS "CLAIMS") MADE AGAINST, IMPOSED ON, INCURRED BY OR ASSERTED AGAINST ANY OF THEM AS A CONSEQUENCE OF THE ASSERTION, EITHER BEFORE OR AFTER THE PAYMENT IN FULL OF THE OBLIGATIONS, THAT ANY OF THE INDEMNIFIED PARTIES

RECEIVED HYDROCARBONS OR PROCEEDS PURSUANT TO THIS MORTGAGE OR PURSUANT TO ANY RIGHT TO COLLECT PROCEEDS DIRECTLY FROM ACCOUNT DEBTORS WHICH ARE CLAIMED BY THIRD PERSONS. THE INDEMNIFIED PARTIES WILL HAVE THE RIGHT TO EMPLOY ATTORNEYS AND TO DEFEND AGAINST ANY SUCH CLAIMS AND UNLESS FURNISHED WITH REASONABLE INDEMNITY, THE INDEMNIFIED PARTIES WILL HAVE THE RIGHT TO PAY OR COMPROMISE AND ADJUST ALL SUCH CLAIMS. MORTGAGOR WILL INDEMNIFY AND PAY TO THE INDEMNIFIED PARTIES ALL SUCH AMOUNTS AS MAY BE PAID IN RESPECT THEREOF, OR AS MAY BE SUCCESSFULLY ADJUDICATED AGAINST ANY OF THE INDEMNIFIED PARTIES. THE INDEMNITY UNDER THIS SECTION SHALL APPLY TO CLAIMS ARISING OR INCURRED BY REASON OF THE PERSON BEING INDEMNIFIED'S OWN NEGLIGENCE BUT SHALL NOT APPLY TO CLAIMS ARISING OR INCURRED BY REASON OF THE PERSON BEING INDEMNIFIED'S OWN GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. THE LIABILITIES OF MORTGAGOR AS SET FORTH IN THIS SECTION 3.7 SHALL SURVIVE THE TERMINATION OF THIS MORTGAGE.

ARTICLE IV

Mortgagor's Warranties and Covenants

4.1 **Payment of Obligations.** Mortgagor covenants that Mortgagor shall, and shall cause the other Loan Parties to, timely pay and perform the Obligations secured by this Mortgage.

4.2 **Representations and Warranties.** Mortgagor represents and warrants as follows:

(a) *Incorporation of Representations and Warranties from Credit Agreement.* The representations and warranties applicable to Mortgagor and to its Properties contained in Article VII of the Credit Agreement are hereby confirmed and restated, each such representation and warranty, together with all related definitions and ancillary provisions, being hereby incorporated into this Mortgage by reference as though specifically set forth in this Section.

(b) *Title to Collateral.* Except as set forth on Schedule 7.15 of the Credit Agreement, Mortgagor has good and defensible title to the material Oil and Gas Properties evaluated in the most recently delivered Reserve Report and good title to all its material personal Properties, in each case, free and clear of all Liens except Liens permitted by Section 9.03 of the Credit Agreement. After giving full effect to the Excepted Liens, Mortgagor owns the net interests in production attributable to the Hydrocarbon Interests as reflected in the most recently delivered Reserve Report, and the ownership of such Properties shall not in any material respect obligate Mortgagor to bear the costs and expenses relating to the maintenance, development and operations of each such Property in an amount in excess of the working interest of each Property set forth in the most recently delivered Reserve Report that is not offset by a corresponding proportionate increase in Mortgagor's net revenue interest in such Property. Mortgagor's ownership of the Hydrocarbons and the undivided interests therein specified on attached Exhibit A-2 are the same interests as reflected in the most recently delivered Reserve Report.

(c) *Status of Leases, Term Mineral Interests and Contracts.* All of the leases and term mineral interests in the Oil and Gas Properties are valid, subsisting and in full force and effect, and except as disclosed pursuant to the Credit Agreement, Mortgagor has no knowledge that a default exists under any of the terms or provisions, express or implied, of any of such leases or interests or under any agreement to which the same are subject. All of the Contracts and obligations of Mortgagor that relate to the Oil and Gas Properties are in full force and effect and constitute legal, valid and binding obligations of Mortgagor. Except as disclosed pursuant to the Credit Agreement, neither Mortgagor nor, to the knowledge of Mortgagor, any other party to any lease or term mineral interest in the Oil and Gas Properties or any Contract (i) is in breach of or default, or with the lapse of time or the giving of notice, or both, would be in breach or default, with respect to any obligations thereunder, whether express or implied, or (ii) has given or threatened to give notice of any default under or inquiry into any possible default under, or action to alter, terminate, rescind or procure a judicial reformation of, any lease in the Oil and Gas Properties or any Contract.

(e) *Pricing.* The prices being received for the production of Hydrocarbons do not violate any Contract or any law or regulation. Where applicable, all of the wells located on the Oil and Gas Properties and production of Hydrocarbons therefrom have been properly classified under appropriate governmental regulations.

(f) *Gas Regulatory Matters.* Mortgagor has filed with the appropriate state and federal agencies all necessary rate and collection filings and all necessary applications for well determinations under the Natural Gas Act of 1938, as amended, the Natural Gas Policy Act of 1978, as amended, and the rules and regulations of the Federal Energy Regulatory Commission (the "FERC") thereunder, and each such application has been approved by or is pending before the appropriate state or federal agency.

(g) *Production Balances.* As of the date hereof, Mortgagor (i) is not obligated in any material respect by virtue of any prepayment made under any contract containing a "take-or-pay" or "prepayment" provision or under any similar agreement to deliver hydrocarbons produced from or allocated to Mortgagor's Oil and Gas Properties at some future date without receiving full payment therefor at the time of delivery, or (ii) has not,

except as has been disclosed to the Mortgagee, produced gas, in any amount, subject to, and none of Mortgagor's Oil and Gas Properties is subject to, any balancing rights of third parties or subject to balancing duties under governmental requirements.

(h) *Drilling Obligations.* Except as disclosed in writing to Mortgagee on or before the date hereof, there are no obligations under any Oil and Gas Property or Contract which require the drilling of additional wells or any additional operations to earn or to continue to hold any of the Oil and Gas Properties in force and effect.

(i) *Compliance With Laws.* All wells on or attributable to the Oil and Gas Properties have been drilled, completed and operated, and all production therefrom has been accounted for and paid to the Persons entitled thereto, in compliance with all applicable federal, state and local laws and applicable rules and regulations of the federal, state and local regulatory authorities having jurisdiction thereof.

(j) *Regulatory Filings.* All necessary regulatory filings have been properly made in connection with the drilling, completion and operation of the wells on or attributable to the Oil and Gas Properties and all other operations related thereto.

(k) *Allowables.* All production and sales of Hydrocarbons produced or sold from the Oil and Gas Properties have been made in accordance with any applicable allowables (plus permitted tolerances) imposed by any Governmental Authorities.

(l) *Refund Obligations.* Mortgagor has not collected any proceeds from the sale of Hydrocarbons produced from the Oil and Gas Properties which are subject to any refund obligation.

(m) *Proceed Suspense.* All proceeds from the sale of Mortgagor's interest in the Hydrocarbons from the Oil and Gas Properties are being received by Mortgagor in a timely manner and are not held in suspense for any reason.

(n) *Mortgagor's Address.* The address of Mortgagor's place of business, residence, chief executive office and office where Mortgagor keeps its records concerning accounts, contract rights and general intangibles is as set forth in Section 7.12, and there has been no change in the location of Mortgagor's place of business, residence, chief executive office and office where it keeps such records and no change of Mortgagor's name during the four months immediately preceding the date of this Mortgage. Mortgagor hereby represents and warrants that the organization number of CDX Bishop Creek, LLC is 4253432, its State of formation is Delaware, and the correct spelling of its name is as set forth in its signature block below.

4.3 **Further Assurances.**

(a) Mortgagor covenants that Mortgagor shall execute and deliver such other and further instruments, and shall do such other and further acts as in the reasonable opinion of Mortgagee may be necessary or desirable to carry out more effectively the purposes of this Mortgage, including without limiting the generality of the foregoing, (i) prompt correction of any defect in the execution or acknowledgment of this Mortgage,

any written instrument comprising part or all of the Obligations, or any other document used in connection herewith; (ii) prompt correction of any defect which may hereafter be discovered in the title to the Collateral, (iii) prompt execution and delivery of all division or transfer orders or other instruments which in Mortgagee's opinion are required to transfer to Mortgagee, for its benefit and the ratable benefit of the other Secured Parties, the assigned proceeds from the sale of Hydrocarbons from the Oil and Gas Properties; and (iv) prompt payment when due and owing of all taxes, assessments and governmental charges imposed on this Mortgage or upon the interest of Mortgagee.

(b) Mortgagor covenants that Mortgagor shall maintain and preserve the Lien and security interest herein created as an Acceptable Security Interest so long as any of the Obligations remain unpaid or unsatisfied.

(c) Mortgagor shall immediately notify Mortgagee of any discontinuance of or change in the address of Mortgagor's place of business, residence, chief executive office or office where it keeps records concerning accounts, contract rights and general intangibles.

(d) Mortgagor shall not amend, supplement, modify or restate its articles or certificate of incorporation, bylaws, limited liability company agreements, or other equivalent organizational documents, or amend its name or change its jurisdiction of incorporation, organization or formation without prior written notice to, and prior consent of, the Mortgagee.

4.4 Operation of Oil and Gas Properties. As long as any of the Obligations remain unpaid or unsatisfied, and whether or not Mortgagor is the operator of the Oil and Gas Properties, Mortgagor shall (at Mortgagor's own expense):

(a) not enter into any operating agreement, contract or agreement which materially adversely affects the Collateral;

(b) do all things necessary and within the reasonable control of Mortgagor to keep, or cause to be kept, in full force and effect the Oil and Gas Properties and Mortgagor's interests therein;

(c) neither abandon, forfeit, surrender, release, sell, assign, sublease, farmout or convey, nor agree to sell, assign, sublease, farmout or convey, nor mortgage or grant security interests in, nor otherwise dispose of or encumber any of the Collateral or any interest therein, except as expressly permitted by the Credit Agreement;

(d) cause the Collateral to be maintained, developed and protected against drainage and continuously operated for the production and marketing of Hydrocarbons in a good and workmanlike manner as a prudent operator would in accordance with (i) generally accepted practices, (ii) applicable oil and gas leases and Contracts, and (iii) all applicable Federal, state and local laws, rules and regulations;

(e) promptly pay or cause to be paid when due and owing (i) all rentals and royalties payable in respect of the Collateral; (ii) all expenses incurred in or arising from

the operation or development of the Collateral; (iii) all taxes, assessments and governmental charges imposed upon Mortgagee because of its interest in the Collateral; and (iv) all taxes, assessments, and governmental charges imposed upon Mortgagor and/or the Collateral as provided in the Credit Agreement (and indemnify Mortgagee from all liability in connection with any of the foregoing);

(f) promptly take all action necessary to enforce or secure the observance or performance of any term, covenant, agreement or condition to be observed or performed by third parties under any Contract, or any part thereof, or to exercise any of its rights, remedies, powers and privileges under any Contract, all in accordance with the respective terms thereof;

(g) cause the Operating Equipment and the Fixture Operating Equipment to be kept in good and effective operating condition, and cause to be made all repairs, renewals, replacements, additions and improvements thereof or thereto, necessary or appropriate in connection with the production of Hydrocarbons from the Oil and Gas Properties;

(h) permit and do all things necessary or proper to enable the Mortgagee (through its agents and employees) to enter upon the Oil and Gas Properties for the purpose of investigating and inspecting the condition and operations of the Collateral in accordance with the terms of the Credit Agreement;

(i) cause the Collateral to be kept free and clear of Liens, charges, security interests and encumbrances of every character other than (i) the Liens and security interests created and assigned by this Mortgage and (ii) the Liens expressly permitted under Section 9.03 of the Credit Agreement;

(j) carry and maintain the insurance required by the Credit Agreement;

(k) furnish to Mortgagee, upon request, copies of any Contracts; and

(l) promptly perform all material covenants express or implied in any Contract.

4.5 **Recording.** Mortgagor shall promptly (at Borrower's and/or Mortgagor's own expense) record, register, deposit and file this Mortgage and every other instrument in addition or supplement hereto, including applicable financing statements, in such offices and places within the State where the Collateral is located and in Mortgagor's State of formation and at such times and as often as may be necessary to preserve, protect and renew the Lien and security interest herein created as an Acceptable Security Interest on real or personal property as the case may be, and otherwise shall do and perform all matters or things necessary or expedient to be done or observed by reason of any Legal Requirement for the purpose of effectively creating, perfecting, maintaining and preserving the Lien and security interest created hereby in and on the Collateral.

4.6 **Records, Statements and Reports.** Mortgagor shall keep proper books of record and account in which complete and correct entries shall be made of Mortgagor's transactions in accordance with the method of accounting required in the Credit Agreement and shall furnish or

cause to be furnished to Mortgagee the reports required to be delivered pursuant to the terms of the Credit Agreement.

4.7 **Insurance.** To the extent that insurance is carried by a third-party operator on behalf of Mortgagor, upon request by Mortgagee, Mortgagor shall obtain and provide Mortgagee with copies of certificates of insurance showing Mortgagor as a named insured. Any insurance proceeds received by Mortgagor and due to Mortgagee shall be held in trust for the benefit of Mortgagee, shall be segregated from other funds of Mortgagor and shall be forthwith paid over to Mortgagee.

ARTICLE V

Default

5.1 **Events of Default.** An Event of Default under the terms of the Credit Agreement shall constitute an "Event of Default" under this Mortgage.

5.2 **Acceleration Upon Default.** Upon the occurrence and during the continuance of any Event of Default, Mortgagee may, or shall at the request of the Majority Lenders, declare the entire unpaid principal of, and the interest accrued on, and all other amounts owed in connection with, the Obligations to be forthwith due and payable, whereupon the same shall become immediately due and payable without any protest, presentment, demand, notice of intent to accelerate, notice of acceleration or further notice of any kind, all of which are hereby expressly waived by Mortgagor. Whether or not Mortgagee or the Majority Lenders elect to accelerate as herein provided, Mortgagee may simultaneously, or thereafter, without any further notice to Mortgagor, exercise any other right or remedy provided in this Mortgage or otherwise existing under the Credit Agreement or any other Loan Document or any other agreement, document, or instrument evidencing obligations owing from the Mortgagor to any of the Secured Parties.

ARTICLE VI

Mortgagee's Rights

6.1 **Rights to Realty Collateral Upon Default.**

(a) *Operation of Property by Mortgagee.* Upon the occurrence and during the continuance of any Event of Default, and in addition to all other rights of Mortgagee, Mortgagee shall have the following rights and powers (but no obligation):

(i) To enter upon and take possession of any of the Realty Collateral and exclude Mortgagor therefrom;

(ii) To hold, use, administer, manage and operate the Realty Collateral to the extent that Mortgagor could do so, and without any liability to Mortgagor in connection with such operations; and

(iii) To the extent that Mortgagor could do so, to collect, receive and receipt for all Hydrocarbons produced and sold from the Realty Collateral, to make repairs, to purchase machinery and equipment, to conduct workover operations, to drill additional wells, and to exercise every power, right and privilege of Mortgagor with respect to the Realty Collateral.

Mortgagee may designate any person, firm, corporation or other entity to act on its behalf in exercising the foregoing rights and powers. When and if the expenses of such operation and development (including costs of unsuccessful workover operations or additional wells) have been paid in full, and the Obligations have been paid and satisfied in full, the Realty Collateral shall be returned to Mortgagor or other person legally entitled thereto (in either case, provided no foreclosure sale has occurred).

(b) *Judicial Proceedings.* Upon the occurrence and during the continuance of any Event of Default, the Mortgagee, in lieu of or in addition to exercising the power of sale hereafter given, may proceed by a suit or suits, in equity or at law (i) for the specific performance of any covenant or agreement herein contained or in aid of the execution of any power herein granted, (ii) for the appointment of a receiver whether there is then pending any foreclosure hereunder or the sale of the Realty Collateral, or (iii) for the enforcement of any other appropriate legal or equitable remedy; and further, in lieu of the non-judicial power of sale hereafter given for Collateral located in the State of Alabama, Mortgagee may proceed by suit for a sale of the Realty Collateral.

(c) *Foreclosure by Private Power of Sale of Collateral.* Upon the occurrence and during the continuance of any Event of Default, the Mortgagee shall have the right and power to sell the Realty Collateral to the highest bidder at public auction in front of the courthouse door in the county or counties, as may be required, where the Realty Collateral is located, either in person or by auctioneer, after having first given notice of the time, place and terms of sale, together with a description of the property to be sold, by publication once a week for three (3) successive weeks prior to said sale in some newspaper published in said county or counties, as may be required, and, upon payment of the purchase money, Mortgagee or any person conducting the sale for Mortgagee is authorized to execute to the purchaser at said sale a deed to the Realty Collateral so purchased. Mortgagee may bid at said sale and purchase the Realty Collateral, or any part thereof, if the highest bidder therefor. At the foreclosure sale the Realty Collateral may be offered for sale and sold as a whole without first offering it in any other manner or may be offered for sale and sold in any other manner as Mortgagee may elect.

(d) *Certain Aspects of Sale.* Mortgagee will have the right to become the purchaser at any foreclosure sale and to credit the then outstanding balance of the Obligations against the amount payable by Mortgagee as purchaser at such sale. Statements of fact or other recitals contained in any conveyance to any purchaser or purchasers at any sale made hereunder will conclusively establish the occurrence of any

Event of Default, any acceleration of the maturity of the Obligations, the advertisement and conduct of such sale in the manner provided herein, the appointment of any successor-Mortgagee hereunder and the truth and accuracy of all other matters stated therein. Mortgagor does hereby ratify and confirm all legal acts that the Mortgagee may do in carrying out the Mortgagee's duties and obligations under this Mortgage, and Mortgagor hereby irrevocably appoints Mortgagee to be the attorney-in-fact of Mortgagor and in the name and on behalf of Mortgagor to execute and deliver any deeds, transfers, conveyances, assignments, assurances and notices which Mortgagor ought to execute and deliver and do and perform any and all such acts and things which Mortgagor ought to do and perform under the covenants herein contained and generally to use the name of Mortgagor in the exercise of all or any of the powers hereby conferred on Mortgagee. Upon any sale, whether under the power of sale hereby given or by virtue of judicial proceedings, it shall not be necessary for Mortgagee or any public officer acting under execution or by order of court, to have physically present or constructively in his possession any of the Realty Collateral, and Mortgagor hereby agrees to deliver to the purchaser or purchasers at such sale, on the date of such sale, the Realty Collateral purchased by such purchasers at such sale and if it should be impossible or impracticable to make actual delivery of such Realty Collateral, then the title and right of possession to such Realty Collateral shall pass to the purchaser or purchasers at such sale as completely as if the same had been actually present and delivered.

(e) *Receipt to Purchaser.* Upon any sale made under the power of sale herein granted, the receipt of the Mortgagee will be sufficient discharge to the purchaser or purchasers at any sale for its purchase money, and such purchaser or purchasers will not, after paying such purchase money and receiving such receipt of the Mortgagee, be obligated to see to the application of such purchase money or be responsible for any loss, misapplication or non-application thereof.

(f) *Effect of Sale.* Any sale or sales of the Realty Collateral will operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of Mortgagor in and to the premises and the Realty Collateral sold, and will be a perpetual bar, both at law and in equity, against Mortgagor, Mortgagor's successors or assigns, and against any and all Persons claiming or who shall thereafter claim all or any of the Realty Collateral sold by, through or under Mortgagor, or Mortgagor's successors or assigns. Nevertheless, if requested by the Mortgagee to do so, Mortgagor shall join in the execution and delivery of all proper conveyances, assignments and transfers of the Property so sold. The purchaser or purchasers at the foreclosure sale will receive as incident to his, her, its or their own ownership, immediate possession of the Realty Collateral purchased and Mortgagor agrees that if Mortgagor retains possession of the Realty Collateral or any part thereof subsequent to such sale, Mortgagor will be considered a tenant at sufferance of the purchaser or purchasers and will be subject to eviction and removal by any lawful means, with or without judicial intervention, and all damages by reason thereof are hereby expressly waived by Mortgagor.

(g) *Application of Proceeds.* The proceeds of any sale of the Realty Collateral or any part thereof, whether under the power of sale herein granted and conferred or by virtue of judicial proceedings, shall either be, at the option of Mortgagee, applied at the

time of receipt, or held by Mortgagee in a cash collateral account as additional Collateral, and in either case, applied in the order set forth in Article X of the Credit Agreement and Section 5.02 of the Guarantee and Collateral Agreement.

(h) *Mortgagor's Waiver of Appraisalment, Marshalling, Exemption and Deficiency.* Mortgagor agrees, to the full extent that Mortgagor may lawfully so agree, that Mortgagor will not at any time insist upon or plead or in any manner whatever claim the benefit of any appraisalment, valuation, stay, extension or redemption law, now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Mortgage, the absolute sale of the Collateral, including the Realty Collateral, or the possession thereof by any purchaser at any sale made pursuant to this Mortgage or pursuant to the decree of any court of competent jurisdiction; and Mortgagor, for Mortgagor and all who may claim through or under Mortgagor, hereby waives the benefit of all such laws and, to the extent that Mortgagor may lawfully do so under any applicable law, any and all rights to have the Collateral, including the Realty Collateral, marshaled upon any foreclosure of the Lien hereof or sold in inverse order of alienation. Mortgagor agrees that the Mortgagee may sell the Collateral, including the Realty Collateral, in part, in parcels or as an entirety as directed by Mortgagee. Mortgagor further waives all rights of exemption pertaining to real or personal property as to any Obligations, and Mortgagor waives the benefit of any statute regulating the obtaining of a deficiency judgment or requiring that the value of such real or personal property be set off against any part of the Obligations.

6.2 **Rights to Personalty Collateral Upon Default.** Upon the occurrence and during the continuance of any Event of Default, Mortgagee may proceed against the Personalty Collateral in accordance with the rights and remedies granted herein with respect to the Realty Collateral, and in addition will have all rights and remedies granted by the Uniform Commercial Code as in effect in Alabama and otherwise in this Mortgage. Mortgagee shall have the right to take possession of the Personalty Collateral, and for this purpose Mortgagee may enter upon any premises on which any or all of the Personalty Collateral is situated and, to the extent that Mortgagor could do so, take possession of and operate the Personalty Collateral or remove it therefrom. Mortgagee may require Mortgagor to assemble the Personalty Collateral and make it available to Mortgagee at a place to be designated by Mortgagee which is reasonably convenient to both parties. Unless the Personalty Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Mortgagee will send Mortgagor reasonable notice of the time and place of any public sale or of the time after which any private sale or other disposition of the Personalty Collateral is to be made. This requirement of sending reasonable notice will be met if such notice is mailed, postage prepaid, to Mortgagor at the address designated in Section 7.12 hereof (or such other address as has been designated as provided herein) at least ten days before the time of the sale or disposition. In addition to the expenses of retaking, holding, preparing for sale, selling and the like, Mortgagee will be entitled to recover attorney's fees and legal expenses as provided for in this Mortgage and in the writings evidencing the Obligations before applying the balance of the proceeds from the sale or other disposition toward satisfaction of the Obligations. Mortgagor will remain liable for any deficiency remaining after the sale or other disposition. Mortgagor hereby consents and agrees that any disposition of all or a part of the Personalty Collateral may be made without warranty of any kind whether expressed or implied.

6.3 **Rights to Fixture Collateral Upon Default.** Upon the occurrence and during the continuance of any Event of Default, Mortgagee may elect to treat the Fixture Collateral as either Realty Collateral or as Personalty Collateral (but not both) and proceed to exercise such rights as apply to the type of Collateral selected.

6.4 **Account Debtors; Hydrocarbon Parties.** Mortgagee may, in its discretion, after the occurrence and during the continuance of any Event of Default, (a) notify any account debtor to make payments directly to Mortgagee, (b) instruct any party described in Section 3.1(b) to deliver all Hydrocarbons assigned to Mortgagee as described in Section 3.1(a) and all proceeds therefrom directly to Mortgagee, and (c) contact such account debtors and other parties directly to verify information furnished by Mortgagor. Mortgagee shall not have any obligation to preserve any rights against prior parties.

6.5 **Costs and Expenses.** All sums advanced or costs or expenses incurred by Mortgagee (either by it directly or on its behalf by any receiver appointed hereunder) in protecting and enforcing its rights hereunder shall constitute a demand obligation owing by Mortgagor to Mortgagee as part of the Obligations. Mortgagor hereby agrees to repay such sums on demand plus interest thereon from the date of the advance or incurrence until reimbursement of Mortgagee at the maximum non-usurious rate permitted by applicable law.

6.6 **Set-Off.** Upon the occurrence and during the continuance of any Event of Default, each Secured Party shall have the right to set-off any funds of Mortgagor in the possession of such Secured Party against any amounts in connection with the Obligations then due by Mortgagor.

ARTICLE VII

Miscellaneous

7.1 **Advances by Mortgagee.** Each and every covenant of Mortgagor herein contained shall be performed and kept by Mortgagor solely at Mortgagor's expense. If Mortgagor fails to perform or keep any of the covenants of whatsoever kind or nature contained in this Mortgage, Mortgagee (either by it directly or on its behalf by any receiver appointed hereunder) may, but will not be obligated to, make advances to perform the same on Mortgagor's behalf, and Mortgagor hereby agrees to repay such sums and any reasonable attorneys' fees incurred in connection therewith on demand plus interest thereon from the date of the advance until reimbursement of Mortgagee at the maximum non-usurious rate permitted by applicable law. In addition, Mortgagor hereby agrees to repay on demand any costs, expenses and attorney's fees incurred by Mortgagee which are to be obligations of Mortgagor pursuant to, or allowed by, the terms of this Mortgage, including such costs, expenses and attorney's fees incurred pursuant to Section 3.1(h), Section 6.5 or Section 7.2 hereof, plus interest thereon from the date of the advance by Mortgagee until reimbursement of Mortgagee at the maximum non-usurious rate permitted by applicable law. Such amounts will be in addition to any sum of money which may, pursuant to the terms and conditions of the written instruments comprising part of the Obligations, be due and owing. No such advance will be deemed to relieve Mortgagor from any default hereunder.

7.2 **Defense of Claims.** Mortgagor shall promptly notify Mortgagee in writing of the commencement of any legal proceedings affecting Mortgagor's title to the Collateral or Mortgagee's Lien or security interest in the Collateral, or any part thereof, and shall take such action, employing attorneys agreeable to Mortgagee, as may be necessary to preserve Mortgagor's and Mortgagee's rights affected thereby. If Mortgagor fails or refuses to adequately or vigorously, in the sole judgment of Mortgagee, defend Mortgagor's or Mortgagee's rights to the Collateral, Mortgagee may, but shall have no obligation to, take such action on behalf of and in the name of Mortgagor and at Mortgagor's expense. Moreover, Mortgagee may take such independent action in connection therewith as they may in their discretion deem proper, including the right to employ independent counsel and to intervene in any suit affecting the Collateral. All costs, expenses and attorneys' fees incurred by Mortgagee pursuant to this Section 7.2 or in connection with the defense by Mortgagee of any claims, demands or litigation relating to Mortgagor, the Collateral or the transactions contemplated in this Mortgage shall be paid by Mortgagor as provided in Section 7.1 above.

7.3 **Termination.** If all the Obligations are paid and satisfied in full, the Commitments are terminated, and the covenants herein contained are well and fully performed, then all of the Collateral not previously sold pursuant hereto will revert to Mortgagor and the entire estate, right, title and interest of the Mortgagee will thereupon cease and shall be null and void without necessity of further action by Mortgagee; and Mortgagee in such case shall, upon the request of Mortgagor and the payment by Mortgagor of all attorneys' fees and other expenses, deliver to Mortgagor proper instruments acknowledging satisfaction of this Mortgage.

7.4 **Renewals, Amendments and Other Security.** Without notice to or the consent of Mortgagor, renewals and extensions of the written instruments constituting part or all of the Obligations may be given at any time and amendments may be made to agreements relating to any part of such written instruments or the Collateral. Mortgagee may take or hold other security for the Obligations without notice to or consent of Mortgagor. The acceptance of this Mortgage by Mortgagee shall not waive or impair any other security Mortgagee may have or hereafter acquire to secure the payment of the Obligations nor shall the taking of any such additional security waive or impair the Lien and security interests herein granted. The Mortgagee may resort first to such other security or any part thereof, or first to the security herein given or any part thereof, or from time to time to either or both, even to the partial or complete abandonment of either security, and such action will not be a waiver of any rights conferred by this Mortgage. This Mortgage may not be amended, waived or modified except in a written instrument executed by both Mortgagor and Mortgagee.

7.5 **Security Agreement, Financing Statement and Fixture Filing.** This Mortgage will be deemed to be and may be enforced from time to time as an assignment, chattel mortgage, contract, deed of trust, financing statement, real estate mortgage, or security agreement, and from time to time as any one or more thereof if appropriate under applicable State law. **AS A FINANCING STATEMENT, THIS MORTGAGE IS INTENDED TO COVER ALL PERSONALTY COLLATERAL INCLUDING MORTGAGOR'S INTEREST IN ALL HYDROCARBONS AS AND AFTER THEY ARE EXTRACTED AND ALL ACCOUNTS ARISING FROM THE SALE THEREOF AT THE WELLHEAD. THIS MORTGAGE SHALL BE EFFECTIVE AS A FINANCING STATEMENT FILED AS A FIXTURE FILING WITH RESPECT TO FIXTURE COLLATERAL INCLUDED WITHIN THE**

COLLATERAL. This Mortgage shall be filed in the real estate records or other appropriate records of the county or counties in the State in which any part of the Realty Collateral and Fixture Collateral is located as well as the Uniform Commercial Code records or other appropriate office of the State in which any Collateral is located. At Mortgagee's request, Mortgagor shall execute financing statements covering the Personalty Collateral, including all Hydrocarbons sold at the wellhead, and Fixture Collateral, which financing statements may be filed in the Uniform Commercial Code records or other appropriate office of the county or State in which any of the Collateral is located or in any other location permitted or required to perfect Mortgagee's security interest under the Uniform Commercial Code. In addition, Mortgagor hereby irrevocably authorizes Mortgagee and any affiliate, employee or agent thereof, at any time and from time to time, to file in any Uniform Commercial Code jurisdiction any financing statement or document and amendments thereto, without the signature of Mortgagor where permitted by law, in order to perfect or maintain the perfection of any security interest granted under this Mortgage. A photographic or other reproduction of this Mortgage shall be sufficient as a financing statement.

7.6 **Unenforceable or Inapplicable Provisions.** If any term, covenant, condition or provision hereof is invalid, illegal or unenforceable in any respect, the other provisions hereof will remain in full force and effect and will be liberally construed in favor of the Mortgagee in order to carry out the provisions hereof.

7.7 **Rights Cumulative.** Each and every right, power and remedy herein given to the Mortgagee will be cumulative and not exclusive, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Mortgagee and the exercise, or the beginning of the exercise, of any such right, power or remedy will not be deemed a waiver of the right to exercise, at the same time or thereafter, any other right, power or remedy. No delay or omission by the Mortgagee in the exercise of any right, power or remedy will impair any such right, power or remedy or operate as a waiver thereof or of any other right, power or remedy then or thereafter existing.

7.8 **Waiver by Mortgagee.** Any and all covenants in this Mortgage may from time to time by instrument in writing by Mortgagee and the Majority Lenders, be waived to such extent and in such manner as Mortgagee may desire, but no such waiver will ever affect or impair the Mortgagee's rights hereunder, except to the extent specifically stated in such written instrument.

7.9 **Terms.** The term "Mortgagor" as used in this Mortgage will be construed as singular or plural to correspond with the number of persons executing this Mortgage as Mortgagor. If more than one person executes this Mortgage as Mortgagor, his, her, its, or their duties and liabilities under this Mortgage will be joint and several. The terms "Mortgagee" and "Mortgagor" as used in this Mortgage include the heirs, executors or administrators, successors, representatives, receiver, trustees and assigns of those parties. Unless the context otherwise requires, terms used in this Mortgage which are defined in the Uniform Commercial Code of Alabama are used with the meanings therein defined.

7.10 **Counterparts.** This Mortgage may be executed in any number of counterparts, each of which will for all purposes be deemed to be an original, and all of which are identical except that, to facilitate recordation, in any particular counties counterpart portions of Exhibit A hereto which describe properties situated in counties other than the counties in which such counterpart is to be recorded may have been omitted.

7.11 **Governing Law.** This Mortgage shall be governed by and construed in accordance with the laws of the State of Alabama.

7.13 **Duties of Mortgagee.** It shall be no part of the duty of the Mortgagee to see to any recording, filing or registration of this Mortgage or any other instrument in addition or supplemental hereto, or to see to the payment of or be under any duty with respect to any tax or

assessment or other governmental charge which may be levied or assessed on the Collateral, any part thereof, or against Mortgagor, or to see to the performance or observance by Mortgagor of any of the covenants and agreements contained herein. Mortgagee shall not be responsible for the execution, acknowledgment or validity of this Mortgage or of any instrument in addition or supplemental hereto or for the sufficiency of the security purported to be created hereby, and makes no representation in respect thereof or in respect of the rights of Mortgagee. Mortgagee shall have the right to seek the advice of counsel upon any matters arising hereunder and shall be fully protected in relying as to legal matters on the advice of counsel. Mortgagee shall not incur any personal liability hereunder except for his own willful misconduct; and the Mortgagee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by him hereunder, believed by him in good faith to be genuine.

7.14 **Condemnation.** All awards and payments heretofore and hereafter made for the taking of or injury to the Collateral or any portion thereof whether such taking or injury be done under the power of eminent domain or otherwise, are hereby assigned and shall be paid to Mortgagee. Mortgagee is hereby authorized to collect and receive the proceeds of such awards and payments and to give proper receipts and acquittances therefor. Mortgagor hereby agrees to make, execute and deliver, upon request, any and all assignments and other instruments sufficient for the purpose of confirming this assignment of the awards and payments to Mortgagee free and clear of any encumbrances of any kind or nature whatsoever, with the exception of the Liens expressly permitted under Section 9.03 of the Credit Agreement. Any such award or payment may, at the option of Mortgagee, if there is outstanding an Event of Default, be retained and applied by Mortgagee after payment of reasonable attorneys' fees, costs and expenses incurred in connection with the collection of such award or payment toward payment of all or a portion of the Obligations, whether or not the Obligations are then due and payable, or be paid over wholly or in part to Mortgagor for the purpose of altering, restoring or rebuilding any part of the Collateral which may have been altered, damaged or destroyed as a result of any such taking, or other injury to the Collateral.

7.15 **Successors and Assigns.** This Mortgage is binding upon Mortgagor, Mortgagor's successors and assigns, and shall inure to the benefit of the Mortgagee, Administrative Agent, Collateral Agent, and each of the Lenders, and each of their respective successors and assigns, and to the benefit of the other Secured Parties, and each of their respective successors and assigns with the prior consent of the Mortgagee, and the provisions hereof shall likewise be covenants running with the land.

7.16 **Article and Section Headings.** The article and section headings in this Mortgage are inserted for convenience of reference and shall not be considered a part of this Mortgage or used in its interpretation.

7.17 **Usury Not Intended.** It is the intent of Mortgagor and Mortgagee in the execution and performance of this Mortgage, the Credit Agreement and the other Loan Documents to contract in strict compliance with applicable usury laws governing the Obligations including such applicable usury laws of the State of Alabama and the United States of America as are from time-to-time in effect. In furtherance thereof, Mortgagee and Mortgagor stipulate and agree that none of the terms and provisions contained in this Mortgage, the Credit

Agreement or the other Loan Documents shall ever be construed to create a contract to pay, as consideration for the use, forbearance or detention of money, interest at a rate in excess of the maximum non-usurious rate permitted by applicable law and that for purposes hereof "interest" shall include the aggregate of all charges which constitute interest under such laws that are contracted for, charged or received under this Mortgage, the Credit Agreement and the other Loan Documents; and in the event that, notwithstanding the foregoing, under any circumstances the aggregate amounts taken, reserved, charged, received or paid on the Obligations, include amounts which by applicable law are deemed interest which would exceed the maximum non-usurious rate permitted by applicable law, then such excess shall be deemed to be a mistake and Mortgagee shall credit the same on the principal of the Obligations (or if the Obligations shall have been paid in full, refund said excess to Mortgagor). In the event that the maturity of the Obligations is accelerated by reason of any election of Mortgagee resulting from any Event of Default, or in the event of any required or permitted prepayment, then such consideration that constitutes interest may never include more than the maximum non-usurious rate permitted by applicable law and excess interest, if any, provided for in this Mortgage, the Credit Agreement or other Loan Documents shall be canceled automatically as of the date of such acceleration and prepayment and, if theretofore paid, shall be credited on the Obligations or, if the Obligations shall have been paid in full, refunded to Mortgagor. In determining whether or not the interest paid or payable under any specific contingencies exceeds the maximum non-usurious rate permitted by applicable law, Mortgagor and Mortgagee shall to the maximum extent permitted under applicable law amortize, prorate, allocate and spread in equal part during the period of the full stated term of the Obligations, all amounts considered to be interest under applicable law of any kind contracted for, charged, received or reserved in connection with the Obligation.

7.18 **Intercreditor Agreement and Credit Agreement.** To the fullest extent possible, the terms and provisions of Intercreditor Agreement and the Credit Agreement (collectively, the "Principal Credit Documents") shall be read together with the terms and provisions of this Mortgage so that the terms and provisions of this Mortgage do not conflict with the terms and provisions of the Principal Credit Documents; provided, however, notwithstanding the foregoing, in the event and to the extent that any of the terms or provisions of this Mortgage directly conflict with any terms or provisions of the Principal Credit Documents, the terms or provisions of the Principal Credit Documents shall govern and control for all purposes; provided further that (a) if the Principal Credit Documents and this Mortgage have a different standard or requirement for a representation, warranty, covenant or other obligation, the Mortgagor will be required to comply with the higher standard or more exacting requirement, and (b) the inclusion in this Mortgage of terms and provisions, supplemental rights or remedies in favor of the Secured Parties not addressed in the Principal Credit Documents shall not be deemed to be a conflict with the Principal Credit Documents and all such additional terms, provisions, supplemental rights or remedies contained herein shall be given full force and effect.

7.19 **Due Authorization.** Mortgagor hereby represents, warrants and covenants to Mortgagee that the obligations of Mortgagor under this Mortgage are the valid, binding and legally enforceable obligations of Mortgagor, that the execution, ensealing and delivery of this Mortgage by Mortgagor has been duly and validly authorized in all respects by Mortgagor, and that the Persons who are executing and delivering this Mortgage on behalf of Mortgagor have full power, authority and legal right to so do, and to observe and perform all of the terms and conditions of this Mortgage on Mortgagor's part to be observed or performed.

7.20 **No Offsets, Etc.** Mortgagor hereby represents, warrants and covenants to Mortgagee that there are no offsets, counterclaims or defenses at law or in equity against this Mortgage or the Obligations.

7.21 **Bankruptcy Limitation.** Notwithstanding anything contained herein to the contrary, it is the intention of the Mortgagor, the Mortgagee and the other Secured Parties that the amount of the Obligations secured by the Mortgagor's interests in any of its Property shall be in, but not in excess of, the maximum amount permitted by fraudulent conveyance, fraudulent transfer and other similar laws, rules or regulations of any Governmental Authority applicable to the Mortgagor. Accordingly, notwithstanding anything to the contrary contained in this Mortgage in any other agreement or instrument executed in connection with the payment of any of the Obligations, the amount of the Obligations secured by the Mortgagor's interests in any of its Property pursuant to this Mortgage shall be limited to an aggregate amount equal to the largest amount that would not render the Mortgagor's obligations hereunder or the Liens and security interest granted to the Mortgagee hereunder subject to avoidance under Section 548 of the United States Bankruptcy Code or any comparable provision of any other applicable law.

7.22 **Instrument Under Seal.** This Mortgage is given under the seal of all parties hereto, and it is intended that this Mortgage is and shall constitute and have the effect of a sealed instrument according to law.
