The easements established and reserved herein shall include the right to cut and remove trees, undergrowth and shrubbery, to grade, excavate or fill and to otherwise take all other action reasonably necessary to provide economical and safe installation, maintenance, repair, operation and replacement of all such utility services and the systems, equipment and machinery used to provide the same. Notwithstanding anything provided in this Section 3.05 to the contrary, (i) the utilization of any of the easements and rights established and reserved pursuant to this Section 3.05 shall not unreasonably interfere with the use or occupancy of any Dwelling situated on any Lot, and (ii) Developer shall use good faith efforts to attempt to cause any utility company or other supplier or provider of any utility service which may utilize any of the easements and right reserved and established pursuant to this Section 3.05 to take reasonable action to repair any damage to any Lot or Dwelling caused by such utility company or other supplier or provider of such utility service during the exercise of any rights established and reserved herein.

Section 3.06 Reservation of Easements for Signs, Walks, Trails, Walls and Fences.

(a) Easement for Walks, Trails and Signs. Developer does hereby establish and reserve for itself, the Association, and their respective successors and assigns, a permanent and perpetual easement appurtenant over, across, through and upon a strip of land ten (10) feet in width on any side of any Lot or Dwelling lying parallel and directly adjacent to and abutting any public or private roadway, for the purpose of constructing, installing, maintaining, repairing, operating, replacing sidewalks, walkways, trails, bicycle and jogging paths and lanes, traffic directional signs, street lights and related improvements; provided, however, that neither Developer nor the Association, by virtue of this sentence, shall have any obligation to construct any of the foregoing improvements.

(b) Easement for Perimeter Wall. Developer does hereby establish and reserve for itself, the Association, and their respective successors and assigns, a permanent and perpetual easement appurtenant over, across, through and upon a strip of land fifteen (15) feet in width on the side of any Lot lying parallel to the perimeter boundary of the Development for the purpose of constructing, installing, maintaining, repairing, operating and replacing a perimeter wall, fence, mound or berm around the perimeter boundary of the Development; provided, however, that neither Developer nor the Association, by virtue of this sentence, shall have any obligation to construct any such perimeter wall, fence, mound or berm.

Section 3.07 Reservation of Maintenance Easement. Subject to the terms and provisions of Section 7.02(b) below, Developer does hereby establish and reserve for the Association, and each of their respective agents, employees, successors and assigns, a permanent and perpetual right and easement to enter upon any Lot or Dwelling for the purpose of mowing, removing, clearing, cutting or pruning underbrush, weeds, stumps or other unsightly growth and removing trash so as to maintain reasonable standards of health, fire, safety and appearance within the Property; provided, however, that such easement shall not impose any duty or obligation upon Developer or the Association to perform any of the foregoing actions.

Section 3.08 Reservation of Environmental Easement. Developer does hereby establish and reserve for itself, the ARC, the Association and their respective agents, employees, successors and assigns, a permanent and perpetual right and easement on, over, across and upon all Lots for the purpose of taking any action necessary to effect compliance with the Architectural Standards or any environmental rules, regulations and procedures from time to time promulgated or instituted by any Governmental Authorities or the Association. Except in the case of an emergency situation or a perceived emergency situation, the exercise by Developer or the Association of the rights reserved in this Section 3.08 shall not unreasonably interfere with the use or occupancy of any Dwelling or Improvement situated on any Lot.

Section 3.09 Landscaping by Owners on Easement Areas. The Developer, the Association, any Governmental Authority, any utility company, and each of their respective successors and assigns, shall not be liable to any Owner, Occupant or any other party for and on account of damage to any landscaping or plantings placed on any easement area or road right-of-way within the Property by any Owner, Occupant or any other party.

## ARTICLE IV

### ASSOCIATION

Section 4.01 Membership. The Owner of each Lot or Dwelling shall be a member of the Association. Membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot or Dwelling; provided, however, that (a) Developer shall be deemed a member of the Association for so long as Developer owns any portion of the Property, or until such earlier date as Developer elects, in Developer's sole discretion, to terminate Developer's membership in the Association, (b) in the event any Lot or Dwelling is owned by more than one (1) person, then the Owners of such Lot shall be entitled to only one vote in the Association and only one of the Owners shall be entitled to hold a position in the

Association at any given time. The transfer or conveyance of fee title to any Lot or Dwelling (other than by a Mortgage as security for the payment of an obligation), shall automatically include the transfer of all membership rights of such Owner in the Association with respect to the Lot transferred and conveyed, notwithstanding any failure of the transferor to endorse to his transferee any certificates, assignments or other evidence of such membership. Membership or the rights and benefits in the Association may not be transferred, assigned, conveyed or otherwise alienated in any manner separately and apart from the ownership of a Lot. Each member of the Association shall at all times comply with the provisions of these Covenants, the Articles of Incorporation, the Bylaws and all rules and regulations which may from time to time be adopted by the Board of the Association.

Section 4.02 **Board.** The Board shall have the rights and duties set forth in the Articles of Incorporation and the Bylaws. Developer hereby retains and shall have the right to appoint or remove, with or without cause, any member or members of the Board and any officer or officers of the Association until such time as Developer no longer owns any Lot in the Property, or until such earlier date as Developer elects, in Developer's sole discretion, to relinquish such right. Each Owner, by acceptance of a deed to or other conveyance of a Lot, vests in Developer such authority to appoint and remove members of the Board and officers of the Association as provided by this Section 4.02.

Section 4.03 **Voting Rights.** Subject to the rights reserved to Developer in the Articles of Incorporation and Bylaws (which, among other things, provided that only Developer, for so long as Developer owns any Lot in the Property, or until such earlier date as Developer may elect, in Developer's sole discretion, shall be exclusively entitled to take various actions and vote on all matters to be voted on by the members of the Association) and the rights of the Association, as the case may be, to suspend any Owner's voting rights or privileges in the Association pursuant to Section 11.01 below, the Owner of each Lot shall be entitled to one (1) vote in any matters submitted to the members of the Association for approval. No Owner, whether one or more persons, shall have more than one membership and one vote per Lot. Such voting rights shall continue to apply to each Lot upon the addition of any of the Additional Property to these Covenants pursuant to Section 2.02. Each Owner, by acceptance of a deed or other conveyance to a Lot or Dwelling, consents and agrees to the dilution of his or her voting interest in the Association by virtue of the resubdivision of any Lot by Developer pursuant to Section 2.06 above or the submission of any Additional Property to the terms of these Covenants. In no event, whether as a result of there being multiple ownership interests in any Lot or otherwise, shall more than one vote be allowed for any one Lot. Fractional voting shall not be permitted. For purposes of this Section 4.03, Developer shall be deemed to be the Owner of and entitled to all voting rights attributable to any Lots owned by Developer.

Section 4.04 **Duties and Powers of Association.** In addition to the rights, duties, responsibilities and obligations of the Association otherwise set forth in these Covenants, the Association shall have the power to perform or cause to be performed any of the duties and powers set forth in the Articles of Incorporation and the Bylaws. The Association may exercise any other right or privilege granted to it expressly by these Covenants or by law, together with every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided to the contrary herein, in the Articles of Incorporation

or in the Bylaws, the powers and authority granted to the Association may be exercised by the Board, acting through the officers of the Association, without further consent or action on the part of the Owners. Nothing herein shall be construed as a restriction of the rights, duties, responsibilities and obligations of the Association set forth in the Articles of Incorporation or the Bylaws.

Section 4.05 **Agreements.** Subject to the conditions, restrictions and other provisions of these Covenants, all agreements, actions and determinations lawfully authorized by the Board with respect to the Property shall be binding upon all Owners, their heirs, executors, personal representatives, administrators, successors and assigns and all others having any interest in the Property. In performing its responsibilities hereunder, the Association, through the Board, shall have the right and authority to delegate to such persons of its choice such duties of the Association hereunder as may be determined by the Board. In furtherance of the foregoing and not in limitation thereof, the Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall deem necessary or desirable for the proper operation of any portion of the Property, whether such personnel are furnished or employed directly by the Association or by independent contract with the Association. During the term of any such management agreement entered into by the Association with a third party, such manager may, if authorized by the Board, exercise all the powers and shall be responsible for the performance of all of the duties of the Association hereunder, excepting any of such powers or duties specifically and exclusively reserved to the Board or the officers of the Association by these Covenants, the Articles of Incorporation or the Bylaws. Such manager may be an individual, corporation or other legal entity and may be bonded in such manner as the Board may require, with the costs of such bond to be a Common Expense. In addition to the foregoing, the Association may pay for and the Board may hire and contract for such legal and accounting services as are necessary or desirable in connection with the operation of the Property, or the enforcement of these Covenants, the Articles of Incorporation, the Bylaws, or any rules and regulations of the Association.

Section 4.06 **Management by Developer or its Affiliates.** In addition to the rights and authority granted to the Association in Section 4.05, Developer may, but shall not be obligated to, be employed as the manager of the Association and the Property for so long as Developer owns any Lot in the Property, or until such earlier date as Developer elects, in Developer's sole discretion, to relinquish such right, at such compensation and on such terms as would be usual, customary and obtainable in an arms-length transaction with any third party providing comparable services for any real estate development in the southeastern United States of the size, quality and nature of the Property. Each Owner, by acceptance of a deed to or other conveyance of a Lot or Dwelling, shall be deemed to ratify the provisions of this Section 4.06 and specifically be deemed to have approved any management agreement entered into by the Association or Developer.

Section 4.07 **Rules and Regulations.** The Board may establish and enforce reasonable rules and regulations governing the use of all Lots, Dwellings and Common Areas. Each such rule and regulation shall be binding upon all Owner and Occupants until and unless any such rule or regulation is specifically overruled, canceled or modified by the Board, the Developer or by the majority vote of the total votes of the Association at any regular or special

meeting of the Association; provided, however, that no such rule or regulation may be overruled, canceled or modified unless such action is also approved by Developer for so long as Developer owns any Lot in the Property or until such earlier date as Developer elects in Developer's sole discretion, to relinquish such right.

Section 4.08 **Indemnification.** The Association shall and does hereby indemnify, defend and agree to hold each and every officer, agent, representative and member of the Board harmless from and against any and all expenses, including court costs and reasonable attorney's fees, suffered, paid or incurred in any action, suit or other proceedings (including the settlement of any suit or proceedings if approved by the Developer and the Board) to which such person may be made a party by reason of being or having been an officer, agent, representative or member of the Board. The officers, agents, representatives and members of the Board shall not be liable for any mistake in judgment, negligence or otherwise except for their own willful misconduct or reckless disregard of duty, as finally determined by a court of competent jurisdiction. The officers, agents, representatives and members of the Board shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association, and the Association shall and does hereby indemnify, defend and agree to forever hold each such officer, agent, representative and member of the Board harmless from any and all liability to others on account of any such contract or commitment. The indemnification, obligations and rights provided for herein shall not be exclusive of any other rights to which any officer, agent, representative or member of the Board may be entitled, including anything provided to the contrary contained in the Articles of Incorporation or the Bylaws. The Association may maintain general liability and officers' and directors' liability insurance in order to fulfill its obligations under this Section 4.08 and the costs of such insurance shall constitute a Common Expense.

## ARTICLE V

### ARCHITECTURAL REVIEW COMMITTEE,

#### **DEVELOPMENT AND ARCHITECTURAL STANDARDS**

Section 5.01 **Committee Composition.** The ARC shall consist of not less than three (3) nor more than seven (7) persons, each of whom shall be appointed or elected as provided in Section 5.02 below. The members of the ARC may, but shall not be required to be, members of the Association or Owners of any Lot or Dwelling. The term of office for each member of the ARC shall be three (3) years, except as provided in Section 5.02(d) below. Any member appointed or elected as provided in Section 5.02 below may be removed with or without cause in the manner provided in Section 5.02 below. Each Owner, by acceptance of a deed to or other conveyance to a Lot, shall be deemed to ratify the provisions of Section 5.02 below.

#### Section 5.02 **Appointment and Removal of ARC Members.**

(a) For so long as Developer owns any Lot in the Property, or until such earlier date as Developer may elect, in Developer's sole discretion, Developer shall have the sole and exclusive right to appoint and remove all of the members of the ARC.

(b) At such time as Developer no longer owns any Lot in the Property, or, upon Developer's written notice to the Association that it no longer desires to exercise the right to appoint and remove members of the ARC as provided in Section 5.02(a) above, then the members of the ARC shall be appointed by the Board of the Association.

(c) Any member of the ARC may be removed, with or without cause, by (i) Developer, in its sole discretion, during the period of time that the provisions of Section 5.02(a) above are in effect, or (ii) the Board of Directors of the Association, in the event the provisions of Section 5.02(b) above are in effect. In the event of death or resignation of a member of the ARC, then Developer, in the event the provisions of Section 5.02(a) above are applicable, or the Board of Directors of the Association, in the event the provisions of Section 5.02(b) above are applicable, as the case may be, shall appoint a substitute member of the ARC to fill the vacancy of such deceased or resigning member for the remainder of the term of such former member.

(d) The Developer shall appoint the initial ARC for terms ranging from one (1) to three (3) years each, in Developer's sole discretion. At the expiration of the term of office of each respective member of the initial ARC, Developer, in the event the provisions of Section 5.02(b) above are applicable, or the Board of Directors of the Association, in the event the provisions of Section 5.02(b) above are applicable, shall appoint a successor of such member for a period of three (3) years.

Section 5.03 **Procedure and Meetings.** The ARC shall elect a chairman and he or she, or in his or her absence, the vice-chairman, shall be the presiding officer at all meetings of the ARC. The ARC shall meet as necessary as well as upon call of the chairman or vice-chairman, and all such meetings shall be held at such places as may be designated by the chairman or vice-chairman. A majority of the total number of members of the ARC shall constitute a quorum of the ARC for the transaction of business and the affirmative vote of a majority of those present in person or by proxy at a meeting of the ARC shall constitute the action of the ARC on any matter which comes before it. The ARC is authorized to retain the services of consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys in order to advise and assist the ARC in performing its functions set forth herein. Each member of the ARC may be paid a stipend or honorarium as may from time to time be determined by the Developer, in the event the provisions of Section 5.02(a) above are applicable, or the Board of Directors of the Association, in the event the provisions of Section 5.02(b) above are applicable and shall otherwise be entitled to a reimbursement of expenses incurred on behalf of the ARC, subject to the approval of such expenses by the Developer, in the event the provisions of Section 5.02(a) above are applicable, or the Board of Directors of the Association, in the event the provisions of Section 5.02(b) above are applicable. The ARC shall have the right from time to time to adopt and establish such rules and regulations as may be necessary concerning the procedure, notice of meetings and all other matters concerning the conduct of the business of the ARC.

Section 5.04 **Architectural Standards.** The ARC is hereby authorized to promulgate and amend or modify from time to time written Architectural Standards governing policies, guidelines and minimum requirements to be satisfied with respect to the construction, location, landscaping and design of all Dwellings and other Improvements on any Lot, the content and manner in which plans and specifications and other documentation and information

concerning the construction of any Dwelling or other Improvements on a Lot are to be submitted to and approved by the ARC, and any other matters affecting the construction, repair or maintenance of any Dwelling or other Improvements on any Lot. The Architectural Standards adopted by the ARC shall be in addition to the provisions and requirements set forth in these Covenants and shall be binding upon and enforceable against all Owners.

Section 5.05 **Approval of Plans and Specifications.**

(a) IN ORDER TO PRESERVE THE ARCHITECTURAL AND AESTHETIC APPEARANCE AND THE NATURAL SETTING AND BEAUTY OF THE PROPERTY, TO ESTABLISH AND PRESERVE A HARMONIOUS DESIGN FOR THE PROPERTY AND TO PROTECT AND PROMOTE THE VALUE OF THE PROPERTY, THE LOTS, THE DWELLINGS AND ALL IMPROVEMENTS THEREON, NO IMPROVEMENTS OF ANY NATURE SHALL BE COMMENCED, ERECTED, INSTALLED, PLACED, MOVED ONTO, ALTERED, REPLACED, RELOCATED, PERMITTED TO REMAIN ON OR MAINTAINED ON ANY LOT OR DWELLING BY ANY OWNER, OTHER THAN DEVELOPER, WHICH AFFECT THE EXTERIOR APPEARANCE OF ANY LOT OR DWELLING UNLESS PLANS AND SPECIFICATIONS THEREFOR HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF SECTION 5.05(b) BELOW. WITHOUT LIMITING THE FOREGOING, THE CONSTRUCTION AND INSTALLATION OF ANY DWELLINGS, SIDEWALKS, DRIVEWAYS, PARKING AREAS, MAILBOXES, DECKS, PATIOS, COURTYARDS, SWIMMING POOLS, TENNIS COURTS, GREENHOUSES, PLAYHOUSES, AWNINGS, WALLS, FENCES, EXTERIOR LIGHTS, RADIO OR TELEVISION ANTENNAS, GAZEBOS, GUEST OR SERVANTS' QUARTERS, GARAGES OR ANY OTHER OUTBUILDINGS, SHALL NOT BE UNDERTAKEN, NOR SHALL ANY EXTERIOR ADDITION TO OR CHANGE OR ALTERATION BE MADE (INCLUDING, WITHOUT LIMITATION, PAINTING OR STAINING OF ANY EXTERIOR SURFACE) TO ANY DWELLING OR IMPROVEMENTS, UNLESS THE PLANS AND SPECIFICATIONS FOR THE SAME HAVE BEEN SUBMITTED TO AND APPROVED BY THE ARC IN ACCORDANCE WITH THE TERMS AND PROVISIONS OF SECTION 5.05(b) BELOW.

(b) The ARC is hereby authorized and empowered to approve all plans and specifications and the construction of all Dwellings and other Improvements on any part of the Property. Prior to the commencement of construction of any Dwelling or other Improvements on any Lot or Dwelling, the Owner thereof shall submit to the ARC plans and specification and related data for all such Improvements, which shall include two copies of each of the following:

(i) Plans and specifications at a scale of  $\frac{1}{4}" = 1'-0"$  or larger, to include the following:

1. Exterior elevations of all Improvements.
2. All finished floor elevations.
3. A description of all exterior materials.
4. Foundation plan.
5. Floor plans for each floor of the Dwelling or Improvements to be constructed.
6. Square feet of Living Space per floor and total, if any.

(ii) Color samples and specifications of all exterior materials and finishes.

(iii) Site development plan prepared at a scale of 1" = 40' indicating the following:

1. Lot lines, building setbacks, utility easements and adjacent street(s).
2. Location of waste disposal field.
3. Erosion control measures.
4. Footprint and finished floor elevation of Dwelling or Improvement to be constructed.
5. Location and size of driveways, decks, terraces, patios, outbuildings, retaining walls, mechanical units, utility meters and drainage pipes, if any.
6. Proposed layout of underground utility lines from the street to the Dwelling or Improvements to be constructed.

(iv) A landscaping plan prepared and submitted in accordance with the provisions of Section 5.06 below.

(v) Such other plans, specifications or other information or documentation as may be required by the Architectural Standards.

(c) The ARC shall, in its sole discretion, determine whether the plans and specifications and other data submitted by any Owner for approval are acceptable. One copy of all plans, specifications and related data so submitted to the ARC shall be retained in the records of the ARC and the other copy shall be returned to the Owner submitting the same marked "approved", "approved as noted" or "disapproved". The ARC shall establish a fee to be charged to and paid by each Owner who submits plans and specifications to the ARC for approval, which fee shall be sufficient to cover the expense of reviewing plans and related data and to compensate any consulting architects, landscape architects, designers, engineers, inspectors and/or attorneys retained in order to approve such plans and specifications and to monitor and otherwise enforce the terms hereof. Notwithstanding anything provided herein to the contrary, an Owner may, without the necessity or requirement that ARC approval or consent be obtained, make interior improvements and alterations within his Dwelling that do not affect exterior appearance and that do not increase the Living Space within such Dwelling as previously approved by the ARC.

(d) The ARC shall have the right to disapprove any plans and specifications upon any ground which is consistent with the objectives and purposes of these Covenants, including purely aesthetic considerations, any failure to comply with any of the provisions of these Covenants or the Architectural Standards, failure to provide requested information, objection to exterior design, appearance or materials, objection on the ground of incompatibility of any such proposed improvement with the scheme of development proposed for the Development or the Property, objection to the location of any proposed Improvements on any such Lot, objection to the landscaping plan for such Lot or Dwelling, objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any Improvement or Dwelling or any other matter which, in the sole judgment of the ARC, would

render the proposed Improvement inharmonious with the general plan of development contemplated for the Property. The ARC shall have the right to approve any submitted plans and specifications with conditions or stipulations by which the Owner of such Lot or Dwelling shall be obligated to comply and must be incorporated into the plans and specifications for such Improvements or Dwelling. Approval of plans and specifications by the ARC for Improvements to one particular Lot or Dwelling shall not be deemed an approval or otherwise obligate the ARC to approve similar plans and specifications or any of the features or elements for the Improvements for any other Lot or Dwelling within the Property.

(e) In the event the ARC fails to approve, or "approve as noted", in writing any such proposed plans and specifications within thirty (30) days after such plans and specifications have been submitted, then the plans and specifications so submitted will be deemed to have been disapproved.

(f) Any revisions, modifications or changes in any plans and specifications previously approved by the ARC must be approved by the ARC in the same manner specified above.

(g) If construction of any Dwelling or Improvements has not substantially commenced (by clearing and grading, pouring of footing and otherwise commencing framing and other related construction work) within one (1) year of approval by the ARC of the plans and specifications for such Dwelling or Improvements, then no construction may be commenced (or continued) on such Lot and the Owner of such Lot shall be required to resubmit all plans and specifications for any such Dwelling or Improvements to the ARC for approval in the same manner specified above.

(h) Any approval of plans and specifications by the ARC pursuant to this Section 5.05 shall not be construed in any respect as a representation or warranty of the ARC, the Developer, or the Association that such plans are in conformity with any applicable rules, regulations, and requirements of any Governmental Authorities or that any such plan or the Dwelling based thereon is architecturally sound or meets any standards of engineering compliance or is properly designed. It shall be the responsibility of each Owner who submits any such plans to the ARC to satisfy himself as to such conformity and proper design.

Section 5.06 **Landscaping Approval.** In order to preserve, to the extent practicable, the natural landscaping and plant life currently situated on the Property, and in order to enhance the aesthetic appearance of the Property, no landscaping, grading, excavation or fill work of any nature shall be implemented or installed by any Owner, other than Developer, on any Lot or Dwelling unless and until landscaping plans therefor have been submitted to and approved by the ARC. The provisions of Section 5.05 above regarding the method that such plans are to be submitted to the ARC, the time for approval or disapproval of the same and the method of approving modifications or changes thereto shall be applicable to such landscaping plans.

Section 5.07 **Construction Without Approval.** If (a) any Improvements or Dwellings are initiated, installed, maintained, altered, replaced or relocated on any Lot or Dwelling without ARC approval of the plans and specifications for the same, or (b) the ARC

shall determine that any approved plans and specifications for any Improvements or the approved landscaping plans for any Lot or Dwelling are not being complied with, then, in either event, the Owner of such Lot or Dwelling shall be deemed to have violated these Covenants and the ARC shall have the right to exercise any of the rights and remedies set forth in Section 5.13 below.

Section 5.08 **Inspection.** The ARC or any agent, employee or representative thereof may at any reasonable time and from time to time enter upon and inspect any Lot or Dwelling or any Improvements being constructed thereon in order to determine whether the approved plans and specifications therefor are being complied with. Any such entry shall not be deemed to be a trespass or any other wrongful act by the ARC.

Section 5.09 **Subsurface Conditions.**

(a) The Property may be located in an area which includes underground mines or other geological formations or conditions which may result in surface subsidence. Approval of the submitted plans and specifications by the ARC as herein provided shall not be construed in any respect as a representation or warranty of the ARC and/or the Developer and/or the Association to the Owner submitting such plans and specifications. It shall be the sole responsibility of the Owner to determine the suitability and adequacy of the surface and subsurface conditions of the Lot for the construction of any and all Dwellings or other Improvements thereon.

(b) Neither the ARC and its individual members, nor the Association and its members, nor the Developer and its partners, agents and employees and the officers, directors, agents and employees of its partners (both in its capacity as a Developer as herein defined and as the owner or prior owner of any minerals subjacent to the Property), shall be liable to any Owner or Occupant, or the successors, assigns, licensees, lessees, employees and agents of any Owner or Occupant, for loss or damage on account of injuries to any parcel of the Property, to any buildings, Improvements, Dwellings or other structures now or hereafter located upon any parcel of the Property, or on account of any past or future injuries to any Owner, Occupant, or any other person in or upon any parcel of the Property, which are caused by, or arise as a result of soil and/or subsurface conditions, known or unknown (including, without limitation, underground mines or other geological formations or conditions) under or on the Property.

Section 5.10 **Limitation of Liability.** Notwithstanding anything provided herein to the contrary, neither Developer, the ARC, the Association, nor any agent, employee, representative, member, shareholder, partner, joint venturer, officer or director thereof, shall have any liability of any nature whatsoever for any damage, loss or prejudice suffered, claimed, paid or incurred by any Owner on account of (a) any defects in any plans and specifications submitted, reviewed or approved in accordance with the provisions of this Article V, (b) any defects, structural or otherwise, in any work done according to such plans and specifications, (c) any failure to approve or disapprove any plans, drawings, specifications or other data submitted by any Owner for approval pursuant to the provisions of this Article V, (d) any construction or performance of any work related to such plans, drawings and specifications, (e) any bodily injuries (including death) to any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of any such Owner or Occupant, or any

damage to any Dwellings, Improvements or the personal property of any Owner, Occupant or the respective family members, guests, employees, servants, agents, invitees or licensees of such Owner or Occupant, which may be caused by, or arise as a result of any defect, structural or otherwise, in any Dwellings or Improvements or the plans and specifications therefore or any past, present or future soil and/or subsurface conditions, known or unknown (including, without limitation, underground mines, tunnels or other geological formations or conditions on or under any Lot or Dwelling) and (f) any other loss, claim, damage, liability or expense, including court costs and attorneys' fees, suffered, paid or incurred by any Owner arising out of or in connection with the use and occupancy of any Lot or Dwelling or any Improvements situated thereon.

Section 5.11 **Commencement and Completion of Construction.**

(a) With respect to each Lot, construction of the Dwelling or Improvement shall be commenced within one (1) year from the date of purchase of such Lot from Developer. Upon commencement of construction of such Dwelling or Improvement, construction work thereon shall be prosecuted diligently and continuously and shall be completed within one (1) year of the commencement date of said construction, such completion to be evidenced by a certificate of occupancy issued by the appropriate Governmental Authorities. In addition to all other rights and remedies for breach of these Covenants, in the event the Owner of any Lot shall fail to commence construction of a Dwelling or Improvement within (1) year from the date of purchase of such Lot from Developer, then Developer shall have the option, but not the obligation, to repurchase such Lot for an amount equal to the purchase price paid to Developer for such lot, without interest.

(b) If any Owner who is a participant in Developer's approved builder program ("ABP") fails to comply, in Developer's sole discretion, with all terms, conditions and provisions of the ABP, Developer shall have the right, but not the obligation, to repurchase any Lot owned by any such Owner upon which construction of a Dwelling or site preparation has not yet commenced, at an amount equal to the purchase price paid to Developer for such Lot, without interest.

Section 5.12 **Sales and Construction Activities.** Notwithstanding any provisions or restrictions contained in these covenants to the contrary, Developer, its successors and assigns, shall have the right and option to maintain and carry on such facilities and activities as may be reasonably required, convenient, or incidental to the completion, improvement, and sale of Lots or the development of Lots, Dwellings, Improvements, Common Areas and the Additional Property, including, without limitation, the installation and operation of sales and construction trailers and offices, signs and model Dwellings, all as Developer may need from time to time. The right to maintain and carry on such facilities and activities shall include, without limitation, the right to use Dwellings as model residences and as offices for the sale of Lots and for any related activities.

Section 5.13 **Enforcement and Remedies.** In the event any of the provisions of this Article V are breached or are not otherwise being complied with in all respects by any Owner or Occupant or the respective family members, guest, invitees, agents, employees or contractors of any Owner or Occupant, then the ARC and the Association shall each have the right but not the obligation at their option to (a) enjoin any further construction on any Lot or

Dwelling and require the removal or correction of any work in place which does not comply with the plans and specifications approved by the ARC for such Improvements and/or (b) through their designated agents, employees, representatives and independent contractors, enter upon such Lot and take all action necessary to extinguish such violation or breach. All costs and expenses incurred by the ARC or the Association in enforcing any of the provisions of this Article V, including, without limitation, attorneys' fees, court costs, costs and expenses of witnesses, engineers, architects, designers, land planners and any other persons involved in the correction of nonconforming work, the completion of uncompleted work or in any judicial proceeding, together with any other costs or expenses incurred by the ARC or the Association in causing any Owner or such Owner's contractors, agents or invitees to comply with the terms and provision of this Article V, shall be paid by such Owner, shall constitute an individual Assessment to such Owner pursuant to Section 8.06 below and, if the same is not paid when due, shall be subject to the lien provided for in Section 8.09 below and be subject to foreclosure as provided for therein. Notwithstanding anything provided herein to the contrary, the right and remedies of the ARC and the Association set forth herein shall not be deemed exclusive of any other rights and remedies which the ARC or the Association may exercise at law or in equity or any of the enforcement rights specified in Section 6.34, 8.09, 11.01, 11.02 and 11.03 below.

Section 5.14 **Compliance Certification.** The ARC or any authorized representative thereof shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to an Owner a certificate in writing setting forth whether all necessary ARC approvals have been obtained and whether any Dwelling or Improvement has been constructed in accordance with the provisions of these Covenants. Any such approval shall not be construed in any respect as a representation or warranty of the ARC and/or Developer and/or the Association that all applicable rules, regulations and requirements of all Governmental Authorities with respect to any such Lot or Dwelling have been fulfilled.

Section 5.15 **Repurchase Option.** In the event the Owner of any Lot desires to convey such Lot prior to the expiration of one (1) year after the purchase of such Lot from Developer, and in the event the Owner has not then commenced construction of a Dwelling thereon, Developer shall have and retains the option, but not the obligation, to purchase such Lot for an amount equal to the purchase price paid to Developer for the Lot, without interest. and the number of votes necessary to approve action taken by the ARC shall be binding upon the ARC in any matters regarding the granting of variances.

Section 6.34 **Enforcement and Remedies.** In the event any of the provisions of this Article VI are breached or are not otherwise being complied with in all aspects by any Owner, Occupant or the respective family members, guests, invitees, agents, employees or contractors of any Owner or Occupant, then the Association or the ARC shall each have the right, but not the obligation, at their option to (a) enjoin such violation or noncompliance, and/or (b) through their designated agents, employees, representatives and independent contractors, enter upon such Lot and take all action necessary to extinguish or correct such violation or breach. All costs or expenses incurred by the ARC or the Association in enforcing any of the provisions of this Article VI, including, without limitation, attorney's fees, court costs, costs and expenses of witnesses, engineers, architects, designers, land planners and any other persons involved in the correction of any noncompliance or the removal of such violation or in any judicial proceeding, together with any other costs or expenses incurred by the ARC or the Association in connection therewith, shall be paid by such Owner who has violated or breached any of the provisions of this Article VI, shall constitute an individual Assessment to such Owner pursuant to Section 8.06 below and, if the same is not paid when due, shall be subject to the lien provided for in Section 8.09 below and be subject to foreclosure as provided for therein. Notwithstanding anything provided herein to the contrary, the rights and remedies of the ARC and the Association set forth herein shall not be deemed exclusive of any other rights and remedies which the ARC or the Association may exercise at law or in equity or any of the enforcement rights specified in Sections 5.13, 6.21, 6.22(a), 6.34, 7.02(b), 8.06, 8.09 and 11.01 below.

(a) Except as may be otherwise provided herein to the contrary, the Association shall maintain and keep in good repair and condition (i) all portions of the Common Areas, which responsibility shall include the maintenance, repair, upgrade, improvement and replacement of any private roads, walks, trails, paths, walkways and lanes, street lights, landscaped areas, and other Improvements made by Developer or the Association within any of the Common Areas or within any of the easements encumbering the Lots, (ii) such utility lines, pipes, plumbing, wires, conduits and related systems, sanitary sewage disposal system installed by Developer, in Developer's sole discretion, appurtenances, equipment and machinery which are a part of the Common Areas and which are not maintained by a public authority, public serve district, public or private utility, or other person, (iii) all lawns, trees, shrubs, hedges, grass and other landscaping and all ponds situated within or upon the Common Areas and (iv) all retention lakes, ponds and other water areas and facilities constructed by Developer or the Association. ## ARTICLE VIII

### COMMON AREA ASSESSMENTS

Section 8.01 Assessments and Creation of Lien. Each Owner of a Lot, by acceptance of a deed or other instrument conveying any interest therein, regardless of whether such deed or instrument contains a reference to these Covenants, is hereby deemed to covenant and agree to pay to the Association: (a) annual Assessments, as established and to be collected as provided in Section 8.04 below, (b) special Assessments, to be established and collected as provided in Section 8.05 below, and (c) individual Assessments against any particular Lot which are established or assessed pursuant to the terms of these Covenants, including, but not limited to any fines as may be levied or imposed against such Lot or Dwelling in accordance with the provisions of Section 5.13, 6.21, 6.22(a), 6.34, 7.02(b), 8.09 and 11.01 hereof. All Assessments, together with late charges and interest as provided in Section 8.09(a) below, and all court costs and attorneys' fees incurred by the Association to enforce or collect such Assessments, shall be an equitable charge and a continuing lien upon each Lot for which the Owner thereof is responsible for the payment of the same, which lien may be enforced in the manner provided in Section 8.09(c) below. Each Owner shall be personally liable for the payment of all Assessments coming due while he, she or it is the Owner of any Lot and such Owner's grantee shall take title to such Lot subject to the equitable charge and continuing lien therefor, but without prejudice to the rights of such grantee to recover from his, her or its grantor any amounts paid by such grantee to the Association which were the legal obligations of such grantor. All Assessments, together with late charges and interest at the Applicable Rate, as specified in Section 8.09(a) below, court costs and attorneys' fees incurred with respect thereto by the Association, shall also be a personal obligation of the person who was the Owner of the Lot at the time such Assessments and other costs and charges were assessed or incurred. In the event of co-ownership of any Lot, all of the co-Owners shall be jointly and severally liable for the entire

amount of such Assessments. Assessments shall be paid in such manner and on such dates as may be fixed by the Association. All assessments shall be payable in all events without offset, diminution or abatement by reason of fire or other casualty or any taking as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase of lieu thereof with respect to any Lot, Dwelling or Common Area or any other portion of the Property or any other cause or reason of any nature.

Section 8.02 **Purpose of Assessments.** The annual and special Assessments provided for herein shall be used for the payment of Common Expenses and for the general purposes of promoting the recreational, health, education, safety, welfare, common benefit and enjoyment of the Owners and Occupants of the Property, and otherwise for the general upkeep and maintenance of the Property.

Section 8.03 **Uniform Rate of Assessments.**

(a) Both annual and special Assessments, as described in Section 8.04 and 8.05 below, shall be assessed against each Residential Use Lot designated for single-family use in the Property at a uniform rate, with the Owner of each Lot or Dwelling being required to pay his or her pro rata portion of such annual and/or special Assessments, as determined by a fraction, the numerator of which shall be one and the denominator of which shall be the total number of Lots designated for single-family Residential Use in the Property of that portion of the budget that is associated to the single-family Residential Use Lots. Each Lot designated for single-family Residential Use Lot shall be subject to equal annual and special Assessments.

(b) Each Owner of a Residential Use Lot designated for multifamily use in the Property shall pay that portion of the annual and/or special assessments as determined by a fraction, the numerator of which shall be one and the denominator of which shall be the total number of Lots designated for multifamily Residential Use in the Property of that portion of the budget that is associated to the multifamily Residential Use Lots. Each Lot designated for multifamily Residential Use Lot shall be subject to equal annual and special Assessments.

(c) Each Lot designated for Commercial Use in the Property shall pay that portion of the annual and/or special assessments as determined by a fraction, the numerator of which shall be one and the denominator of which shall be the total number of Lots designated for Commercial Use in the Property of that portion of the budget that is associated to the Commercial Use Lots. Each Lot designated for Commercial Use Lot shall be subject to equal annual and special Assessments.

(d) Notwithstanding anything provided in Section 8.03(a) above to the contrary, in the event any Additional Property is added to the Property, then the single-family Residential Use Lots within the Additional Property shall be subject to the same annual or special Assessments then being paid by the Owners of all single-family Residential Use Lots in the Property and each multifamily Residential Use Lot and each Commercial Use Lot shall pay a share equal to that stated in 8.03(b) and (c).

Section 8.04 **Computation of Annual Assessments.**

(a) The Association shall determine and adopt annually an annual budget covering the estimated Common Expenses for the Property for the upcoming year, such budget to include a capital contribution or reserve account if the Board deems it necessary for the capital needs of the Association. The amount set forth in such budget shall constitute the aggregate amount of annual Assessments for the then applicable year and each Owner shall pay his or her pro rata share of the same as provided in Section 8.03 above. A copy of the budget setting forth the amount of annual Assessments to be levied against the Lots for the following year shall be delivered by the Association to each Owner.

(b) If any budget or the amount of annual Assessments collected by the Association at any time proves to be inadequate or insufficient for any reason to fully pay all costs and expenses of the Association and all Common Expenses, then the Board may assess special Assessments as provided in Section 8.05 below. If the actual amount of annual Assessments collected in any one year exceeds the actual costs incurred for Common Expenses for such year, the excess shall be retained by the Association for subsequent years' Common Expenses.

(c) The Common Expenses to be funded by the annual and special Assessments may include, but shall not be limited to, the following:

(i) Salaries, fringe benefits and other compensation paid and out-of-pocket expenses reimbursed by the Association for its employees, agents, officers, and any third party contractors;

(ii) Management fees and expenses of administration, including legal and accounting fees, incurred by the Association;

(iii) The costs of any insurance policies purchased for the benefit of the Association as required or permitted by these Covenants, if any, including, without limitation, public liability coverage and such other insurance coverage as the Board determines to be in the best interest of the Association, including errors and omissions insurance, directors and officers liability insurance and any other liability insurance coverage for the benefit of the Association, the members of the Board, any officers, employees, agents or representatives of the Association or for any of the members of the ARC;

(iv) The expenses of maintaining, operating and repairing any other amenities and facilities serving the Property which the Association or the Board determines from time to time would be in the best interest of the Owners and the Property to so maintain, operate and/or repair;

(v) The expenses of the ARC attributable to the Property which are not defrayed by applicable plan review charges;

(vi) The costs and expenses for conducting recreational, culture or other related programs for the benefit of the Owners and Occupants of the Property;

(vii) All other fees, costs and expenses incurred by the Association in accordance with the terms and provisions of these Covenants or which the Board determines to be appropriate to be paid by the Association, including, without limitation, taxes and governmental charges not separately assessed against Lots; and

(viii) If the Board deems it economically prudent, the establishment and maintenance of a reasonable reserve fund or funds (1) to cover major repair, replacement or maintenance expenditures, (2) to cover emergencies and repairs required as a result of casualties which are not funded by insurance proceeds, or (3) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments as well as from emergency expenditures and other matters, all as may be authorized from time to time by the Board.

Section 8.05 **Special Assessments.** In addition to the annual Assessments authorized in Section 8.04 above and the special Assessments authorized in Section 9.01(b) and 9.03(a)(i) below, the Board of the Association may levy in any year special Assessments for Common Expenses or any extraordinary costs incurred by the Association. The Board may make such special Assessments payable in one lump sum or in installments over a period of time which may, in the Board's discretion, extend beyond the then fiscal year in which said special Assessments are levied and assessed. Special Assessments shall be levied against and payable by each Owner in accordance with the provisions of Section 8.03 above.

Section 8.06 **Individual Assessments.** Any expenses of the Association which, in the opinion of the Board of the Association, is occasioned by the conduct of less than all of the Owners or by an Owner or Occupant, or the respective family members, agents, guest, servants, employees, invitees or contractors of any Owner or Occupant, shall be specially assessed against such Owners and their respective Lots. The individual Assessments provided for in this Section 8.06 shall be levied by the Board and the amount and due date of such Assessment shall be specified by the Board in a notice to such Owner. The provisions of this Section 8.06 shall apply, without limitation, to any individual Assessments levied pursuant to Sections 5.13, 6.22(a), 6.34, 7.02(b) and 11.01 hereof.

Section 8.07 **Notice of Meetings and Quorum.**

(a) Written notice of each annual meeting of the Association shall be sent to all Owners not less than ten (10) days nor more than fifty (50) days in advance of such meeting. With respect to annual meetings, the presence in person or by proxy of Owners entitled to cast 50% of all the votes of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, except as hereinafter provided, but the required quorum at the subsequent meeting shall be the presence in person or by proxy of Owners entitled to cast at least one-third (1/3) of the total vote of the Association. Any notice for any such subsequent meeting shall state that the necessary quorum therefor shall be one-third (1/3) of the total votes of the Association present in person or by proxy. At such time as a quorum is obtained, the vote of a majority of the Owners who are voting in person or by proxy at such meeting shall be required to approve any matter in which all of the members of the Association are entitled to vote.

(b) Written notice of any meeting of the Association other than an annual meeting shall be sent to all Owners not less than five (5) days nor more than thirty (30) days in advance of such meeting. With respect to any such other meeting of the Association, there shall be no specific requirement establishing a quorum and the vote of a majority of the Owners who are voting in person or by proxy at any such special meeting shall be binding on all the members of the Association.

Section 8.08 **Date of Commencement of Assessments.** The annual Assessments provided for herein shall commence as to each Lot on the day on which such Lot is conveyed to a person other than Developer and shall be due and payable in such manner and on such schedule as may be established from time to time by the Board of the Association. Annual Assessments and any outstanding special Assessments shall be adjusted for each Lot according to the number of months then remaining in the then fiscal year of the Association and the number of days then remaining in the month in which such Lot is conveyed. Annual and special Assessments for Lots within any portion of the Additional Property hereafter submitted to the terms of these Covenants, or any other portion of the Property, shall commence with respect to each such Lot on the date on which such Lot is conveyed to a person other than Developer, subject to proration and adjustment according to the number of months then remaining in the fiscal year of the Association and number of days then remaining in the month in which such Assessments commence. Notwithstanding anything provided herein to the contrary, Developer shall not be responsible for the payment of annual or special Assessments on any Lot which it owns in the Property. Furthermore, for so long as Developer is the owner of any Lot in the Property, or until such earlier date as Developer may elect, in Developer's sole discretion, Developer shall have the option to either pay annual Assessments on unsold Lots in the Property or advance any deficits which may exist between the total amount of annual Assessments assessed to all other Owners and the actual costs incurred by the Association for Common Expenses for the Property. At such time as Developer no longer has any interest in any Lot in the Property, Developer shall have no further obligation of any nature to pay any Assessments or otherwise fund any deficits relating to the Common Expenses.

Section 8.09 **Effect of Non-Payment; Remedies of the Association.**

(a) Each Owner of a Lot is and shall be deemed to covenant and agree to pay to the Association all Assessments provided for herein. In the event any Assessments or any portion thereof are not paid when due, the same shall be subject to a late charge in an amount determined and uniformly applied by the Board from time to time and the Owner of such Lot or Dwelling shall be deemed in default herewith. In the event any Assessments or any portion thereof are not paid within thirty (30) days after the due date of the same, then the unpaid portion of the Assessment shall accrue simple interest at the lesser of eighteen percent (18%) per annum or the highest rate which may be charged to said Owner by law (the "Applicable Rate") from and after the thirtieth (30<sup>th</sup>) day from the due date until the same is paid in full. In the event the Association employs an attorney or otherwise takes any legal action in attempting to collect any amounts due from any Owner, such Owner agrees to pay all attorneys' fees, court costs and all other expenses paid or incurred by the Association. The lien and equitable charge upon each Lot for Assessments as provided above shall also include all late charges, interest at the Applicable Rate and all attorneys' fees, court costs and all other expenses paid or incurred by the Association in attempting to collect any unpaid Assessments.

(b) In the event any Assessments or other amounts due to the Association are not paid by any Owner when the same becomes due, then in addition to all other rights and remedies provided at law or in equity, the Association, acting through its Board or through any of its officers or authorized representatives, may undertake any or all of the following remedies:

(i) The Association may commence and maintain a suit at law against an Owner to enforce such charges and obligations for Assessments and any such judgment rendered in any such action shall include the late charge and interest at the Applicable Rate, as specified in Section 8.09(a) above, together with attorneys' fees, court costs and all other expenses paid and incurred by the Association in collecting such unpaid Assessments; and/or

(ii) The Association may enforce the lien pursuant to Section 8.01 above in the manner hereinafter provided.

(c) There is hereby created a continuing lien on each Lot, with power of sale, which secures the payment to the Association of any and all Assessments levied against or upon such Lot, all late charges and interest at the Applicable Rate assessed pursuant to Section 8.09(a) above and all attorneys' fees, court costs and all other expenses paid or incurred by the Association in collecting any Assessments. If any Assessments remain unpaid for more than sixty (60) days, then the Association, through its Board or any officer or authorized representative thereof, may, but shall not be obligated to, make written demand on such defaulting Owner, which demand shall state the date and amount of delinquency. Each default shall constitute a separate basis for a demand and claim of lien, but any number of defaults may be included in a single demand. If such delinquency is not paid in full within ten (10) days after the giving of such demand or, even without giving demand, the Association may file a claim shall be executed by any member of the Board of the Association or any officer of the Association, contain the following information and be recorded in the Probate Office of Shelby County, Alabama:

(i) The name of the delinquent Owner;

(ii) The legal description and street address of the Lot upon which the lien claim is made;

(iii) The total amount claimed to be due including late charges, interest at the Applicable Rate, collection costs and attorneys' fees incurred to date and a statement, if applicable, that such charges and costs shall continue to accrue and be charged until full payment has been received; and

(iv) A statement that the claim of lien is made by the Association pursuant to these Covenants and its claimed against such Lot in an amount equal to that stated therein. The lien provided for herein shall be in favor of the Association, shall be for the benefit of all other Owners (other than those Owners in default) and may be foreclosed in the same manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, as the same may be modified or amended from time to time. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey and sell any such Lot. Each Owner, by acceptance of a deed to any Lot, shall

be deemed to (1) grant to and vest in the Association and/or its agents the right and power to exercise the power of sale granted herein and foreclose the lien created herein, (2) grant to and vest in the Association and/or its agents the right and power to bring all actions against such Owner personally for the collection of all amounts due from such Owner, (3) expressly waive any objection to the enforcement and foreclosure of the lien created herein, and (4) expressly waive the defense of the statute of limitations which may be applicable to the commencement of any such suit or action for foreclosure.

Section 8.10 **Subordination of Lien.** Notwithstanding anything provided herein to the contrary, the lien for Assessments and other charges authorized herein with respect to any Lot in the Property is and shall be subordinate to the lien of any Mortgage held by a Mortgagee, but only to the extent that the Mortgage held by such Mortgagee is recorded in the Probate Office of Shelby County, Alabama prior to the filing of a claim of lien by the Association pursuant to Section 8.10(c) above. When an Mortgagee exercises its foreclosure rights provided in its Mortgage and acquires title to or sells to a third party its interest in any Lot or Dwelling, then such Institutional Mortgagee was recorded in the Probate Office of Shelby County, Alabama prior to the filing of claim of lien by the Association pursuant to Section 8.09(c) above. When a Mortgagee exercises its foreclosure rights provided in its Mortgage and acquires title to or sells to a third party its interest in any Lot, then such Mortgagee or its purchaser or transferee at such foreclosure sale shall (a) not be liable for any Assessments or other charges incurred prior to the date of transfer or acquisition of title by foreclosure so long as the Mortgage held by such Mortgagee was recorded in the Probate Office of Shelby County, Alabama prior to the filing of a claim of lien by the Association pursuant to Section 8.09(c) above, but (b) be liable for all Assessments other charges levied, assessed or incurred with respect to such Lot from and after the date of such foreclosure sale. The foregoing shall not relieve any Owner whose Lot has been foreclosed from the personal obligation to pay all Assessments and any other charges levied, assessed or incurred by the Association and the Association shall have the right to pursue all rights and remedies against a defaulting Owner notwithstanding the foreclosure of a Mortgage by a Mortgagee on such Owner's Lot.

Section 8.11 **Certificates.** The Association or any officer or authorized representative thereof shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to any Owner a certificate in writing setting forth whether the Assessments for such Owner is responsible have been paid and, if not paid, the outstanding amount due and other costs and expenses due from such Owner. Such certificate shall be conclusive evidence of payment of any Assessments stated therein.

## ARTICLE IX

### **CASUALTY, CONDEMNATION AND INSURANCE**

#### Section 9.01 **Damage or Destruction to Common Areas.**

(a) In the event of any damage or destruction to any of the Common Areas by fire or other casualty, then, subject to the terms and provisions of this Article IX, the Association

shall promptly repair, replace and restore the damaged portions of the Common Areas to the condition to which they existed immediately prior to such fire or other casualty.

(b) Notwithstanding anything provided in Section 9.01(a) above, in the event the amount of insurance proceeds, if any, recovered as a result of such damage or destruction is insufficient to fully repair, replace and restore the damaged portions of the Common Areas, and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board of the Association, if it deems it economically feasible and prudent, may levy a special Assessment against all Owners, which such special Assessments shall be in an amount sufficient to provide funds to pay a proportionate share of the remaining costs necessary to repair, replace or restore the Common Areas to the condition as existed immediately prior to such fire or other casualty. Such Special Assessments shall be levied against each Lot equally as provided in Section 8.03 above. Any and all insurance proceeds received by the Association on account of any damage to or destruction of any of the Common Areas and any amounts collected as special Assessments shall be disbursed by the Association in payment for the costs of such repair or restoration in such manner as may be determined by the Board of the Association. In no event shall the Association or the Owner or Mortgagee of any Lot be entitled to any portion of any special Assessments or proceeds of insurance payable as a result of the damage to or destruction of any portion of the Common Areas.

Section 9.02 **Damage or Destruction to Lots, Improvements and Dwellings.**

In the event of any fire or other casualty which damages or destroys any portion of any Lot, Improvements or Dwelling located thereon, then the Owner of such damaged Lot, Improvements or Dwelling shall promptly repair and otherwise restore such Lot, Improvements or Dwelling to the condition to which the same existed immediately prior to such fire or other casualty; provided, however, that any such restoration or repair shall be subject to compliance with all of the terms and provisions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. Any such restoration or repair shall be commenced within one hundred twenty (120) days following the occurrence of such fire or other casualty. The Owner of any such damaged Lot, Improvement or Dwelling shall proceed diligently and complete all such restoration and repair no later than one (1) year following the occurrence of such fire or other casualty. In the event the restoration or repair of such Lot, Improvement or Dwelling is impracticable or would otherwise violate any of the terms and provisions of these Covenants, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such fire or other casualty and shall leave such Lot or Dwelling and any remaining Improvements thereon in a clean, orderly, safe and sightly manner.

Section 9.03 **Condemnation of Common Areas.**

(a) In the event of the taking of all or any portion of any of the Common Areas as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof, the award from such taking or sale in lieu thereof shall be paid to the Association and shall be disbursed or held as follows:

(i) To the extent the Common Areas subject to such taking can either be restored or replaced, then to the extent practicable, the Association shall take such action, including the utilization of any other Common Areas within the Property, to restore, rebuild or

replace, as the case may be, those portions of the Common Areas subject to such taking. If the award is insufficient to fully defray the cost of such repair or replacement and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, the Board of the Association may levy a special Assessment against all Owners, which such special Assessments shall be in an amount sufficient to provide funds to pay a proportionate share of the remaining costs of repair, restoration or reconstruction. Such special Assessments shall be levied against each Owner as provided in Section 8.03 above.

(ii) To the extent the Common Areas subject to such taking cannot be restored or replaced or if the Association shall determine that the portions of the Common Areas so taken should not be replaced or restored, then in any such event, the net award from such taking shall be retained by and used for the benefit of the Association.

(b) If any portion of the award from any taking remains after restoration or replacement of any of the Common Areas, the remainder of such award shall be retained by and used for the benefit of the Association, without any claim thereto by any Owner. Except as specifically provided in Section 9.03(c) below, no Owner or Mortgagee of any Lot or Dwelling shall be entitled to any portion of the award made to the Association as a result of the taking of any portion of the Common Areas.

(c) If any such taking or sale in lieu thereof includes all or any part of a Lot, Improvement or Dwelling and also includes any part of the Common Areas, then the award from such taking shall be equitably apportioned in accordance with the decision of a court of competent jurisdiction and such award shall be disbursed separately to the association and to the Owners so affected by such taking; provided, however, that the Owners of any Lot, Improvement or Dwelling which is subject to any such taking and the Association may mutually agree on the amount of such apportionment, which mutual agreement shall be binding on all Owners.

Section 9.04 **Condemnation of Lots, Improvements and Dwellings.** In the event that all or any portion of a Lot, Improvement or Dwelling is taken as a result of, in lieu of or in anticipation of the exercise of the right of eminent domain, condemnation or by private purchase in lieu thereof, then, to the extent practicable, the Owner of such Lot, Improvement or Dwelling shall promptly repair, reconstruct, rebuild and otherwise restore the remaining portions of the Lot, Improvement or Dwelling as nearly as practicable to the condition to which the same existed immediately prior to such taking; provided, however, that any such restoration shall be subject to all of the terms and conditions set forth in Article V above and all then applicable rules, regulations, statutes and ordinances of the Governmental Authorities. In the event the restoration of such Lot, Improvements or Dwelling is impracticable or would otherwise violate any of the terms and provisions of these Covenants, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such taking and shall leave such Lot or Dwelling and any remaining Improvements thereon in a clean, orderly, safe and sightly condition.

Section 9.05 **Insurance.**

(a) The Association may, at the discretion of the Board, obtain and maintain property and casualty insurance in such form as the Association deems appropriate for the

benefit of the Association insuring all insurable Improvements in and on the Common Areas against loss or damage by fire or other hazards, including, without limitation, extended coverage, flood, vandalism and malicious mischief, which coverage should be in an amount, with such insurance carriers, at such costs and with such deductibles as the Board of the Association, in its sole discretion, may determine.

(b) The Board of the Association shall have the right and authority to obtain and maintain in effect at all times such public liability insurance coverage covering all of the Common Areas in such amounts, with such insurance carriers, at such costs and with such deductibles as the Board of the Association, in its sole discretion, may deem necessary or desirable.

(c) The Board of the Association shall have the right to obtain workman's compensation insurance, employer's liability insurance, and all other types of insurance required by law, including, without limitation, errors and omissions and directors and officers liability insurance coverage, in such amounts, with such insurance carriers, at such costs and with such deductibles as the Board, in its sole discretion, may determine.

(d) All insurance coverage authorized in this Section 9.05 above shall be written in the name of the Association and all costs thereof shall be a Common Expense. To the extent the same may be obtained at a nominal cost, all such policies shall contain a waiver of subrogation clause pursuant to which the insurer waives any claims against the Developer, the Association, the members of the Board and all officers, agents and employees of the Association, including the manager for the Development, the Association, the Owners and the family members, servants, agents, tenants and guests of the Owners and shall also name Developer as an additional insured.

Each Owner, by acceptance of a deed or other instrument conveying any interest in any Lot, Improvement or Dwelling, does hereby waive and release Developer, the ARC, the Association, the manager of the Property and their respective agents, employees, representatives, partners, shareholders, members, officers and directors, from any and all liabilities or damage covered by (or which should be covered by) fire and casualty (e.g., homeowner's and/or builder's risk) insurance and general liability insurance which any Owner maintains, even if such loss or damage has been caused by the fault or negligence of any of the foregoing persons or parties.

Section 10.01 **Term.** The terms, covenants, conditions and restrictions set forth in these Covenants shall run with and bind all of the Property, shall inure to the benefit of all Owners and Mortgagees and their respective heirs, executors, personal representatives,

administrators, successors and assigns, and shall be and remain in effect for a period of ninety-nine (99) years from and after the date hereof, after which time these Covenants shall be automatically renewed and extended for successive and continuous periods ten (10) years each, unless, at any time after twenty (20) years from the date hereof, an agreement executed by the Owners of at least two-thirds (2/3) or more of the Lots within the Property agreeing to terminate or modify these Covenants has been recorded in the Probate Office of Shelby County, Alabama; provided, however, that the rights of way and easements established, granted and reserved in Article III hereof shall continue and remain in full force and effect for the time periods and duration specified therein.

Section 10.02 **Amendment by Developer.** For so long as Developer owns any Lot within the Property, or until such earlier date as Developer elects, in Developer's sole discretion, Developer may amend these Covenants by a written instrument filed and recorded in the Probate Office of Shelby County, Alabama, without obtaining the approval of any Owner or Mortgagee; provided, however, that except as otherwise provided in Section 10.04 below, (a) in the event any amendment proposed by Developer materially and adversely alters or changes any Owner's rights to the use and enjoyment of his or her Lot, Improvement or Dwelling or materially or adversely affects the title to any Lot, Improvement or Dwelling, then such amendment shall be valid only upon the written consent thereto by the affected Owner, or, alternatively, by fifty percent (50%) of all of the Owners (including Developer who shall have the voting rights attributable to any Lots owned by Developer), or (b) in the event any such proposed amendment by Developer would materially and adversely affect the title and interest of any Mortgagee, such amendment shall be valid only upon the written consent thereto of all such Mortgagees affected thereby. Any amendment made pursuant to this Section 10.02 shall be certified by Developer and shall be effective upon recording of the same in the Probate Office of Shelby County, Alabama. Each Owner, by acceptance of a deed or other conveyance to a Lot, and each Mortgagee, by acceptance of a Mortgage on any Lot, Improvement or Dwelling, agrees to be bound by all amendments permitted by this Section 10.02 and further agrees that, if requested to do so by Developer, such Owner and Mortgagee will consent to the amendment of these Covenants or any other instruments relating to the Property or the Association if such amendment is (i) necessary to bring any provision hereof into compliance or conformity with the provision of any law, ordinance, statute, rule or regulation of any applicable Governmental Authority or the judicial decision of any state or federal court, (ii) necessary to enable any reputable title insurance company to issue title insurance coverage with respect to any Lot or Dwelling, (iii) required by any Mortgagee in order to enable such Mortgagee to make a Mortgage loan on any Lot or Dwelling, or (iv) necessary to enable any governmental agency or reputable private insurance company to insure Mortgages on any Lot or Dwelling within the Property.

Section 10.03 **Amendments by Association.** Amendments to these Covenants, other than those authorized by Section 10.02 above, shall be proposed and adopted by the Association in the following manner:

(a) At any annual or special meeting of the members of the Association, upon proper notice an amendment to these Covenants may be proposed by either the Board of the Association or by any Owners present in person at such meeting. Any such proposed amendment must be approved by the Owners holding at least two-thirds (2/3) of the total votes in

the Association; provided, however, that (i) for so long as Developer owns a Lot within the Property, or until such earlier date as Developer elects, in Developer's sole discretion, Developer must approve such proposed amendment, and (ii) to the extent the proposed amendment affects any of the matters described in Section 10.04 below, then the provisions of Section 10.04 below shall be applicable to such proposed amendment.

(b) Any and all amendments which have been approved in accordance with the provisions of Section 10.03(a) above shall be executed by all parties whose consent to the same is required, including the Owners holding at least two-thirds (2/3) of the total votes in the Association; provided, however, that in the alternative, the sworn statement of the President of the Association stating unequivocally that the agreement of the requisite number of Owners was lawfully obtained may be attached to and incorporated into such amendment without obtaining the signatures of all Owners or Mortgagees. Any such amendment shall be effective upon recording of the same in the Probate Office of Shelby County, Alabama.

Section 10.04 **Restrictions on Amendment.** Notwithstanding anything provided in the Declaration to the contrary, so long as Developer owns any Lot in the Property no amendment shall be effective unless Developer consents in writing to any such amendment. The consent of Developer to any such proposed amendment may be withheld in the sole discretion of Developer with or without any reason.

## ARTICLE XI

Section 11.01 **Authority and Enforcement.** In addition to the provisions of Sections 5.13, 6.21, 6.22(a), 6.34, 7.02(b) and 8.09 above, in the event any Owner or Occupant or their respective agents, contractors or invitees, violates any of the provisions of these Covenants, the Articles of Incorporation, the Bylaws or any rules or regulations adopted by the Board of the Association from time to time, the Board shall have the power to (i) impose reasonable monetary fines which shall constitute an equitable charge and continuing lien upon the Lot, Improvement and/or Dwelling and shall be a personal obligation of such Owner or Occupant who is guilty of such violation, (ii) suspend an Owner's right to vote in the Association, or (iii) suspend an Owner's or Occupant's right (and the right of such Owner's or Occupant's family members, guests and tenants) to use any of the facilities located in or upon the Common Areas, and the Board shall have the power to impose all or any combination of any of the foregoing sanctions. Any such suspension of rights may be for the duration of the infraction.

Section 11.02 **Procedure.** In the event any of the terms or provisions of these Covenants, the Articles of Incorporation, the Bylaws, or any rules and regulations of the Association are violated by an Owner or Occupant, or the respective agents, contractors or invitees of any Owner or Occupant, the Board shall not impose a fine, suspend voting rights or infringe upon or suspend any other rights pursuant to Section 11.01 above unless written demand to cease and desist from an alleged violation shall be served upon the Owner responsible for such violations which demand shall specify:

- (a) The alleged violation;

(b) The action required to abate such violation; and

(c) A time period of not less than ten (10) days during which the violation may be abated without further sanction, if such violation is a continuing one or if the violation is not a continuing one, a statement that any further violation of the same provision of these Covenants, the Architectural Standards, the Articles of Incorporation, the Bylaws or any of the rules and regulations of the Association may result in the imposition of sanctions. The foregoing procedure shall only be applicable to the enforcement rights specified in Section 11.01 above and shall not apply to the exercise of any of the rights and remedies specified in any other section or provisions of these Covenants.

Section 11.03 **Nonexclusive Remedies.** Notwithstanding anything provided to the contrary in these Covenants, the authority, enforcement and procedural rights set forth in this Article XI are in addition to and shall not be deemed to limit the other rights and remedies set forth in these Covenants or which the Association, acting through the Board, would have the right to exercise at law or in equity.

## ARTICLE XII

### **MISCELLANEOUS PROVISIONS**

Section 12.01 **Control by Developer.** NOTWITHSTANDING ANYTHING PROVIDED TO THE CONTRARY IN THESE COVENANTS, THE ARTICLES OF INCORPORATION, THE BYLAWS OR IN ANY OTHER DOCUMENT OR INSTRUMENT RELATING TO THE PROPERTY, DEVELOPER HEREBY RETAINS THE RIGHT TO APPOINT AND REMOVE ANY MEMBER OR MEMBERS OF THE BOARD OF THE ASSOCIATION AND ANY OFFICER OR OFFICERS OF THE ASSOCIATION AS PROVIDED BY AND FOR THE PERIOD OF TIME SET FORTH IN SECTION 4.02 ABOVE. Each Owner, by acceptance of a deed or other conveyance of any interest in a Lot or Dwelling, agrees that Developer shall have the authority to appoint and remove members of the Board and officers of the Association in accordance with the foregoing provisions of this Section 12.01 and the provisions of Section 4.02 above. At such time as Developer no longer owns any interest in any portion of the Property, or at such earlier date as Developer elects, in Developer's sole discretion, a special meeting of the Association shall be called within a reasonable time thereafter at which time the Owners shall elect a new Board which shall undertake the responsibilities of the Board and Developer shall deliver all books, accounts and records of the Association, if any, which Developer has in its possession.

Section 12.02 **Legal Expenses.** In addition to the rights and remedies set forth in Sections 5.13, 6.27(f), 6.34, 7.02(b), 8.09 and in Article XI above, in the event either the ARC, its agents or representatives, or the Board, its agents and representatives, undertake any legal or equitable action which either of them deem necessary to abate, enjoin, remove or extinguish any violation or breach of these Covenants, then all costs and expenses incurred by them, including, without limitation, attorneys' fees and court costs, in enforcing any of the terms, provisions, covenants or conditions in these Covenants shall be paid for by the Owner against whom such action was initiated. The ARC, its agents and representatives, and the Board, its agents and

representatives, are each hereby authorized to take any and all legal or equitable action as may be necessary under the circumstances to restrain or enjoin any such violation or breach or to otherwise seek monetary damages as a result of any expenses incurred by either the ARC or the Board of the Association to cure such violation or breach.

Section 12.03 **Severability.** If any provision of these Covenants or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of these Covenants or the application of such provision to persons or circumstances other than those as to which it is held invalid or unenforceable to the fullest extent permitted by law.

Section 12.04 **Captions and Headings.** The captions and headings contained in these Covenants are for convenience of reference only and shall not be used in the construction or interpretation of any provisions of these Covenants. Section 12.06 **Binding Effect.** The terms and provisions of these Covenants shall be binding upon each Owner, Occupant, and Mortgagee and the respective heirs, executors, administrators, personal representatives, successors and assigns of each Owner, Occupant and Mortgagee, and shall inure to the benefit of Developer, the ARC, the Association, all of the Owners and their respective Mortgagees and their respective heirs, executors, administrators, personal representatives, successors and assigns.

Section 12.07 **Conflict or Ambiguity.** In the event of any conflict or ambiguity in the terms and provisions of these Covenants, the general rules of construction against one party as a result of that party having drafted these Covenants are hereby waived by each Owner and, to the fullest extent provided by law, no conflicts or ambiguity shall be resolved in favor or to the advantage of one party as opposed to another in interpreting any ambiguity or conflict contained herein.

Section 12.08 **No Reverter.** No restriction or provision hereof is intended to be or shall be construed as a condition subsequent or a possibility of re-enter in favor of Developer nor shall any provision be deemed to vest any reversionary interest in Developer.

Section 12.09 **Interpretation.** In all cases, the provisions set forth and provided for in these Covenants shall be construed together and given that interpretation or construction which, in the opinion of Developer, the Association or the Board, as the case may be, will best effect the intent of the general plan of development for the Property. The provisions hereof shall be liberally interpreted and, if necessary, they shall be so extended or enlarged by implication so as to make them fully effective. The provisions of these Covenants shall be given full force and effect notwithstanding the existence of any zoning ordinance or building codes which are less

restrictive. The effective date of these Covenants shall be the date hereof. These Covenants shall be construed under and in accordance with the laws of the State of Alabama.

Section 12.10 **Right of Third Parties.** These Covenants shall be recorded for the benefit of Developer, the Association, the Owners and their respective Mortgagees and by such recording, no other adjoining property owner or third party shall have any right, title or interest whatsoever in the Property or the Development or the operation and continuation of either, in the enforcement of any of the provisions of these Covenants or the right to consent to or approve any amendment or modification to these Covenants.

Section 12.11 **No Trespass.** Whenever the Association, the Developer, the ARC, or their respective agents, employees, representatives, successors and assigns, are permitted by these Covenants to enter upon and correct, repair, clean, maintain or preserve or do any other action within any portion of a Lot or Dwelling, the entering thereon and the taking of such action shall not be deemed a trespass.

Section 12.12 **No Partition.** Each Owner hereby waives any right to seek or obtain judicial partition of any portion of the Property or the Development.

Section 12.13 **Reservation of Rights.** Notwithstanding anything provided herein to the contrary, no sale, transfer, conveyance, lease, pledge, encumbrance or other hypothecation of any Lot or Dwelling by Developer to a third party shall constitute or be deemed a transfer of any of the rights reserved herein to Developer unless reference is made in such instrument of conveyance to the specific rights created in these Covenants which Developer is transferring to any such third party.

Section 12.14 **Standards for Review.** Whenever in these Covenants Developer, the Association or the ARC has the right to approve, consent to, or require any action be taken pursuant to the terms hereof, such approval, consent or required action shall, except as otherwise specifically provided herein to the contrary, be given or withheld in the sole and absolute discretion of the Developer, the Association or the ARC, as the case may be.

Section 12.15 **Oral Statements.** Oral statements or representations by Developer, the Association, the ARC, or any of their respective employees, agents, representatives, successors or assigns, shall not be binding on Developer, the Association, or the ARC.

Section 12.16 **Notices.** Notices required hereunder shall be in writing and shall be delivered by hand, by overnight courier, telecopier, or sent by registered or certified United States Mail, postage prepaid return receipt requested. Any notice so addressed and mailed shall be deemed to be given five (5) days after deposit in the United States Mail, and if delivered by hand, shall be deemed to be given when delivered, and if telecopier or delivered by overnight courier, shall be deemed to be given on the business day immediately following the day on which it was sent or delivered. or to such other address as the Association or the ARC may from time to time specify in a notice to the Owners. All notices to Developer shall be sent or delivered to Developer at the above address or to such other addresses as Developer may notify the Association.

Section 12.17 **Assignment.** Subject to the provisions of Section 12.14 above, Developer and the ARC shall each have the right to assign any and all of the rights, powers, reservations and duties contained herein to any person or entity who shall thereupon have the same rights, power, reservations and duties as Developer, the Association, and the ARC, respectively.

Section 12.18 **Further Assurances.** Each Owner covenants and agrees to execute, sign and deliver, or cause to be executed, signed and delivered and to otherwise do or make or cause to be done and made, any and all agreements, instruments, papers, deeds, acts or things, supplemental, conformity or otherwise, which may be reasonably requested by Developer, the Association or the ARC for the purpose of or in connection with the clarifying, amending or other consummating any of the transactions and matters herein.

Section 12.19 **No Waiver.** All rights, remedies and privileges granted to Developer, the Association and the ARC pursuant to the terms and provisions of these Covenants shall be deemed to be cumulative and the exercise of any one or more of such rights, remedies or privileges shall not be deemed to constitute an election of remedies nor shall it preclude the party exercising the same, or any other party, from pursuing such other and/or additional rights, remedies or privileges as may be available to such party at law or in equity. The failure at any time to enforce any covenant or restriction set forth herein shall in no event be deemed a waiver of the right thereafter to enforce such covenant or restriction.
