The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on each Parcel and shall be a continuing lien upon each Parcel for all assessments made. Each assessment, together with interest, costs, and reasonable attorney's fees, if any, shall also be the personal obligation of the person who was the Owner of the Parcel at the time when the assessment was made. The costs of operating, maintaining, landscaping repairing, and insuring the Common Facilities shall be shared proportionately by all Owners based upon a fraction, the numerator of which is the number of square feet within a particular Parcel and the denominator of which is the number of square feet within the Property.

4.02 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote and protect the health, safety, welfare and general upkeep of the Property and the Common Facilities and for the benefit of the Owner of each Parcel, their respective agents, employees, guests, invitees and licensees and for the discharge of the Association's responsibilities pursuant to **Article III** hereof.

4.04 Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to each Parcel on the conveyance of a Parcel by the Developer. The Developer shall be responsible for the assessments applicable to any Parcel until such Parcel is so conveyed. The Board shall determine the amount of the annual assessment against each Parcel each year in advance

and written notice of such assessment shall be sent to each Owner. The due dates shall be established by the Board and, unless otherwise provided, the Association shall collect each month from the Owner of each Parcel one-twelfth (1/12th) of the annual assessment for each Parcel. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on any Parcel have been paid and such certificates shall be conclusive evidence of the payment of any such assessment.

4.05 Effect of Nonpayment of Assessments: Remedies of the Association. All assessments shall be due on or before the first day of each month or as may be otherwise provided in the notice to each Owner from the Association. If any assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the prime rate as established by Regions Bank, its successors and assigns (the "Prime Rate"), the same to float and fluctuate with the Prime Rate, and the Association may either: after thirty (30) days prior written notice, (a) bring an action at law against the Owner obligated to pay the same; or (b) foreclose the lien against the property, subject to the interest of any such Owner's mortgagee(s), whereby all accrued interest, costs, and reasonable attorney's fees shall be added to the amount of such assessment. Should the Prime Rate exceed the maximum interest allowed under the Alabama Usury Act or amendments or changes thereto, the interest charged shall be the same as the maximum allowed to be charged under the laws of the State of Alabama. Each such Owner, by such Owner's acceptance of a Deed to a Parcel, hereby expressly vests in the Board or their agents the right and power to bring all actions against such Owner for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage or deed of trust lien on real property, and such Owner hereby expressly grants to the Association a power of sale in connection with said lien. In the event an Owner becomes more than thirty (30) days in arrears in payment of any installment of such Owner's assessment, then the entire annual assessment may become due and payable immediately at the discretion of the Board.

4.06 Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Parcel shall not affect the assessment lien. However, the sale or transfer of any Parcel pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer.

4.07 Damage or Destruction. In the event of any damage or destruction to any Structure, the Owner does hereby covenant and agree to promptly reconstruct, replace or repair any Structure on the Parcel caused by such damage and destruction in accordance with the provisions of **Article V** hereof.

This indemnification includes, without limitation, any and all costs incurred due to any investigation of the site or any cleanup, removal, or restoration mandated by a federal, state, or local agency or political subdivision.

Each owner of a Parcel shall provide to the owners of the other Parcels copies of any notices, letters, or requests for information concerning Hazardous Substances in connection with its Parcel or all of the Parcels which such owner receives from any governmental unit or agency overseeing environmental matters and copies received by such owner of any such notices, letters, or requests for information sent to any other owner or tenant of any Parcel.

No Structure shall be commenced, erected, placed, moved onto or permitted to remain on any Parcel, nor shall any existing Structure upon any Parcel be altered in any way which materially changes the exterior appearance thereof, nor shall any use be commenced on any Parcel, unless plans and specifications (including a description of any proposed use) therefor shall have been submitted to and approved in writing by the Committee. Approval of any such plans shall terminate and be rendered void if construction is not begun within six (6) months after such approval unless such six (6) month period is extended by agreement with the Committee, in which event the extended time period shall be applicable.

In any case where the Committee shall disapprove any plans and specifications submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based. Such rules and statements of policy may be amended or revoked by the Committee at any time, and no inclusion in, omission from, or amendment of any such rule or statement shall be deemed to bind the Committee to approve or disapprove any feature or matter subject to approval, or to waive the exercise of the Committee's discretion as to any such matter, but no change of policy shall affect the finality of any approval granted prior to such change. Approval for use on any Parcel of any plans or specifications shall not be deemed a waiver of the Committee's rights, in its discretion, to disapprove such plans or specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use on any other Parcel or Parcels. Approval of any such plans and specifications relating to any Parcel, however, shall be final as to that Parcel and such approval may not be revoked or rescinded thereafter, provided, (i) that the Structures and other improvements or uses shown or described on or in such plans and specifications do not violate any specific

prohibition contained in the restrictions contained in this Declaration and (ii) that the plans and specifications, as approved, and any condition attached to any such approval, have been adhered to and complied with in regard to all Structures and other improvements on and uses of the Parcel in question. The lien provided in this **Section 5.06** shall not be valid as against a bona fide purchaser (or a bona fide mortgagee) of the Parcel in question unless a suit to enforce said lien shall have been filed in a court of record in Shelby County, Alabama, prior to the recordation of the deed (or mortgage) in the Office of the Judge of Probate of Shelby County, Alabama, conveying the Parcel in question to such purchaser (or subjecting the same to such mortgage).

the Developer to cut such drainways.

9.02 Grading. The Developer may at any time make such cuts and fills upon any Parcel or other part of the Property and drain surface waters therefrom; and may assign such rights to Shelby County, Alabama or the City of Chelsea, Alabama, or to any municipal or public authority; provided, however, that after plans for the principal Structure upon a Parcel shall have been approved by the Committee as provided herein, the rights of the Developer under this **Article IX** shall terminate with respect to all parts of such Parcel other than the easement area thereof, except that the Committee or any municipal or public authority having jurisdiction shall thereafter have the right to maintain existing streets and drainage structures.

ARTICLE X

GENERAL

10.01 Grantee's Acceptance. The grantee of any Parcel subject to the coverage of this Declaration, by acceptance of the deed or other instrument conveying an interest in or title to, or the execution of a contract for the purchase thereof, whether from the Developer or a subsequent Owner of such Parcel, shall accept such deed or other contract upon and subject to each and all of the provisions of this Declaration herein contained.

10.02 Indemnity for Damages. Each Parcel Owner and/or future Parcel Owner, in accepting a deed or contract for any Parcel subject to this Declaration, agrees to indemnify the Developer, the Association and the Committee for any damage caused by such Owner, or the contractor, agent, or employees of such Owner, to roads, streets, gutters, walkways or other aspects of Common Facilities, including all surfacing thereon, or to water, drainage or storm sewer lines or sanitary sewer lines owned by the Developer, or for which the Developer or the Association has responsibility, at the time of such damage.

10.03 Severability. Every one of the provisions and restrictions contained in this Declaration is hereby declared to be independent of, and severable from, the rest of the provisions and restrictions and of and from every combination of the provisions and restrictions in this Declaration. Invalidation by any court of any provision or restriction in this Declaration shall in no way affect any of the other provisions or restrictions, which shall remain in full force and effect.

10.04 Right of Developer to Modify Restrictions With Respect to Unsold Parcels. The Developer specifically reserves unto itself and its assigns the right to further subdivide any Parcel owned by Developer or its assigns until all Parcels have been sold by Developer or its assigns.

Developer reserves the right to record, modify, amend, revise and otherwise add to, at any time and from time to time, a subdivision plat setting forth such information as Developer may deem necessary with regard to the Property, including without limitation, the locations and dimensions of all Lots, Common Areas, public or private roads, utility easements, drainage easements, access easements, setback line restrictions, retention

ponds and drainage basins. Any such subdivision plats or any amendments thereto shall be binding on the portions of the Property indicated thereon as if such subdivision plat were specifically incorporated into these Covenants. Notwithstanding anything provided to the contrary in these Covenants, Developer may at any time or from time to time divide and redivide, combine and resubdivide any Lots owned by Developer and change any easement description or relocate any roads affected thereby, subject to approval of any Governmental Authority having jurisdiction thereof.

10.05 Effect of Violation on Mortgage Lien. No violation of any of the provisions of this Declaration shall defeat or render invalid the lien of any mortgage made in good faith and for value upon any portion of the Property; provided, however, that any mortgagee in actual possession, or any purchaser at any mortgagee's or foreclosure sale shall be bound by and subject to the provisions of this Declaration as fully as any other Owner of any portion of the Property.

10.06 No Reverter. No restriction herein is intended to be, or shall be construed as, a condition subsequent or as creating a possibility of reverter.

10.07 Duration and Amendment. These covenants and restrictions shall run with the land and may be changed, modified, amended, altered or terminated only in accordance with the provisions hereof. These covenants and restrictions may be changed, modified, amended, altered or terminated at any time within a period of fifteen (15) years from the date this Declaration is recorded by a duly recorded written instrument executed by the then record Owners (including mortgagees and other lien holders of record, if any) of ninety percent (90%) of the number of Parcels constituting the Property. After fifteen (15) years from the date this Declaration is recorded, the same may be changed, modified, amended, altered or terminated by a duly recorded written instrument executed by the then record Owners (including mortgagees and other lien holders of record, if any) of seventy-five percent (75%) of the number of Parcels constituting the Property. After twenty (20) years from the date this Declaration is recorded, the same may be changed, modified, amended, altered or terminated by a duly recorded written instrument executed by the then record Owners (including mortgagees and other lien holders of record, if any) of sixty-five percent (65%) of the number of the Parcels constituting the Property.

10.08 Enforcement. In the event of a violation or breach of any of the provisions of this Declaration or any Amendments hereto, by any Parcel Owner, or employee, agent, or lessee of such Owner, the Owner(s) of Parcel(s), the Association, their successors and assigns, or any business party to whose benefit these covenants and restrictions inure shall have the right to proceed at law or in equity to compel compliance with the terms and conditions hereof, to prevent the violation or breach of said covenants and restrictions, to sue for and recover damages or other dues or to take all such courses of action at the same time, or such other legal remedy it may deem appropriate. No delay or failure on the part of any aggrieved party to initiate an available remedy set forth herein shall be held to be a waiver of that party or an estoppel of that party or of any other party to assert any right available to him upon the recurrence or continuation of said violation or the occurrence of a different violation.

Damages shall not be deemed adequate compensation for any breach or violation of any provision hereof, but any person or entity entitled to enforce any provision hereof shall be entitled specifically to relief by way of injunction as well as any other available relief at law or in equity.

Any party to a proceeding who succeeds in enforcing the provisions hereof, or enjoining the violation of any provision of this Declaration against a Parcel Owner, may be awarded a reasonable attorney's fee and costs of such proceeding against such Parcel Owner.

10.09 Property and Parcels are Sold AS IS/WHERE IS. Each Parcel is sold in its AS IS/WHERE IS CONDITION. Other than its obligations as an Owner of Parcel(s) within the Property, Developer shall have no further obligation with respect to the improvements on the Property or the Common Facilities.

10.10 No Waiver. The failure of any party entitled to enforce any provision of this Declaration shall in no event be considered a waiver of the right to do so thereafter, as to the same violation or breach or as to such a violation or breach occurring prior or subsequent thereto; provided, however, that approval of plans pursuant to **Article V** shall be binding on any and all parties as a conclusive determination that such plans are in conformity with the requirements of this Declaration.

10.11 No Public Benefit. This Declaration is not intended to and does not dedicate any portions of the Property to the general public or create any rights for the general public.
