AFFIDAVIT

Roderick R. Pair & Darla Pair, who being first duly sworn depose and state as follows:

Our names are Roderick R. Pair & Darla Pair, we are over the age of 19 years and have personal knowledge of the facts stated herein.

There exists in all that part of the Southeast $\frac{1}{4}$ of the Northwest $\frac{1}{4}$ of Section 21, Township 20 South, Range 1 East lying east of Highway 109 Shelby County, Alabama a road named Storey Book Trail. Storey Book Trail runs in an easterly direction from Shelby County Highway 109 to property previously owned by Charles L. Boyles located in the Southwest $\frac{1}{4}$ of the Northeast $\frac{1}{4}$ of Section 21, Township 20 South, Range 1 East Shelby County, Alabama. Storey Book Trail has a green road sign at the intersection of Storey Book Trail and Shelby County Highway 109 indicating that it is Storey Book Trail.

Storey Book Trail has been used openly and continuously in excess of 20 years by property owners east of Shelby County Highway 109 to access their properties and in most instances is the only access to such properties. We are the owners of real property located in the Northeast $\frac{1}{4}$ of Section 21, Township 20 South, Range 1 East, Shelby County, Alabama and have used Storey Book Trail since our ownership to access our property and have observed others using Storey Book Trail to access their properties. We have never been told that we could not use Storey Book Trail to access our properties by anyone nor that the use of Storey Book Trail was by permission only.

We believe Storey Book Trail to be a prescriptive use public road.

Further, the Affiants saith not.
