It gives the person whom you designate (your "Agent" also called "Attorney in Fact") broad powers for a specific transaction, to handle your property during a certain period of time, which may include powers to mortgage your real property with advance notice to you by web based closing. These powers will continue to exist even after you have become disabled or incompetent. This document does not authorize anyone to make medical or other health care decisions. You may execute a different document, a health care proxy to do this. If there is anything about this form that you do not understand, you should ask an attorney to explain it to you.
