WHEREAS, Licensee is the owner of, or the owner of an interest in, the servient estate of the strip of land embraced in such easement and desires to use portions of said easement for the following purpose: To install and maintain fill lines on said right of way as shown on Drawing marked Exhibit "A", attached hereto and made a part hereof, located in Lot 11-A, Grand Oaks Subdivision, as is recorded in Map Book 35, Page 58, in the office of the Judge of Probate, Shelby County, Alabama. hereinafter referred to as the encroachment, and

Licensor hereby expressly gives its consent and permission to Licensee that such encroachment may remain upon such strip of land subject to the terms of this agreement.

Licensee will at all times hereafter indemnify, protect and save Licensor harmless from any and all claims, loss, damage, expense and liability which Licensor may incur, suffer or be subjected to resulting from or arising out of the construction, maintenance, use or presence of the encroachment of Licensee upon that portion of its easement affected by the encroachment; provided further, that Licensee shall indemnify and save Licensor harmless against such claims, loss, damage, expense, and liability to the extent the same may be caused by Licensor's acts of negligence, sole or concurrent, or that of its employees, or agents so long as such claim or loss involves in any way the construction, operation, maintenance or presence of the encroachment.

Licensee agrees and covenants that neither by the occupancy of such portion of such strip of land with such encroachment, nor in any other way, is Licensee claiming: (1) adversely to Licensor in its ownership of such easement; (2) the right to maintain such encroachment on such strip of land, but that the maintenance of such encroachment by Licensee is with the recognition of the superior easement of Licensor; (3) Licensor is relieved of any and all liability and/or claims from damages that might occur during the course of its normal or emergency operations; (4) Licensee is responsible for the fill lines being marked to make the location easily known; and (5) Licensee will take all the steps deemed necessary to prevent erosion on the right of way and will indemnify the Licensor for any and all claims and/or judgements of erosion and silting.

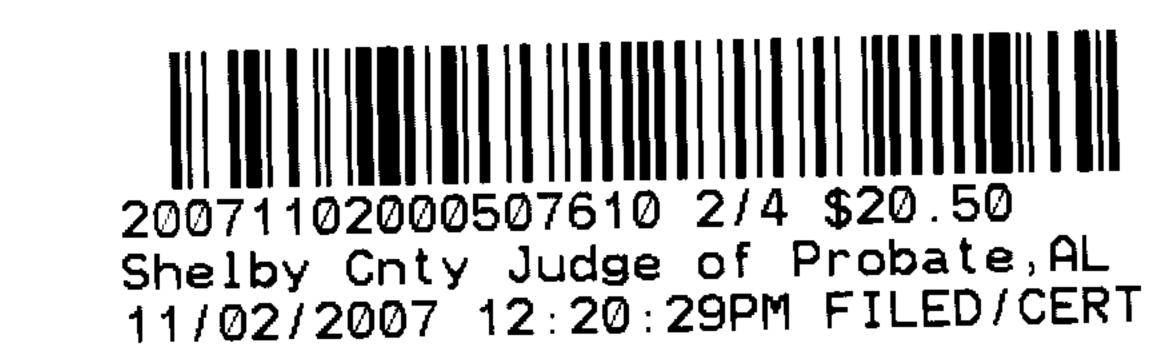

Licensee further agrees and covenants that Licensee will, within sixty (60) days from the date of a written notice given Licensee by Licensor, relocate such encroachment from such strip of land to an area on said strip of land deemed appropriate by both Licensor and Licensee. It is agreed that such relocation will only be required after all acceptable alternatives have been investigated and disapproved by Licensor.
