Mrs. Adele Nelson
City of Alabaster, Alabama
City Service Building
10052 Hwy 119
Alabaster, AL 35007

**Subject: Pearce Subdivision Approval
General Engineering Services Agreement
Alabaster, Alabama
InSite Project No. 05004**

Dear Mrs. Nelson:

Attached is the approved mylar for the Pearce Subdivision.

Please note that the ingress / egress easement may be modified but the City of Alabaster will not be responsible for the decision made to do so. The owners, attorney, will have to give direction to any further modification to the easement.

As far as its current use of the lot and easement a building may not encroach onto the easement and it must remain passable as this lot develops.

As always, we sincerely appreciate the opportunity to work with you and the City of Alabaster. If you need any additional information please call us at (205) 733-9696.

Sincerely,

InSite Engineering LLC

James M. Cassidy, P.E.
