SURVEYOR'S AFFIDAVIT

Comes now Barton F. Carr, a Registered Professional Land Surveyor in the State of Alabama (License No. 16685), who being duly sworn does say and affirm the following:

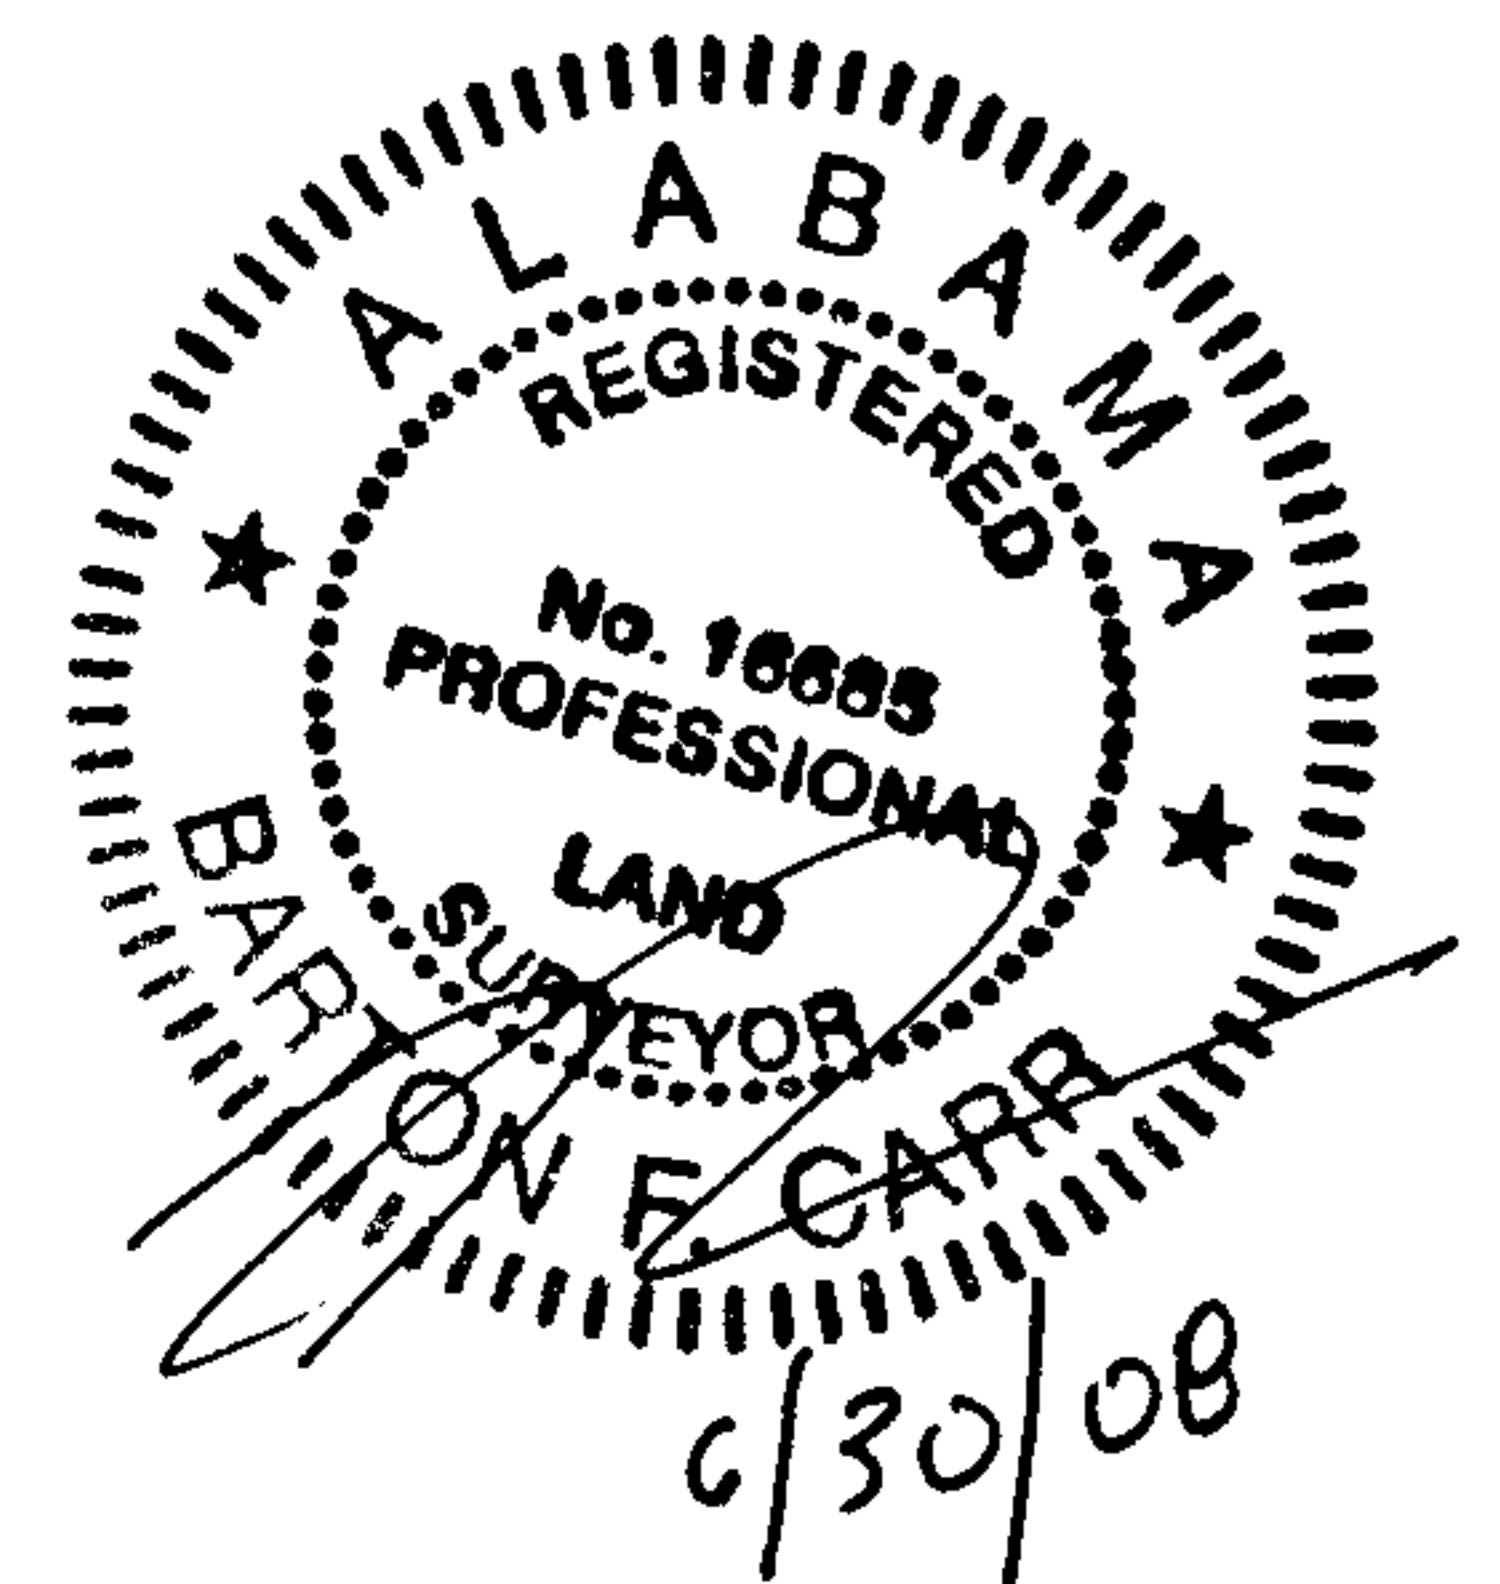

- 1) My name is Barton F. Carr and I am 46 years of age.
- 2) I am President of Carr & Associates Engineers, Inc., founded in 1974 and located at 153 Cahaba Valley Parkway, Pelham, AL, 35124.
- 3) I am the Surveyor of Record and the Signator on POLO CROSSINGS – SECTOR I as recorded in Map Book 39, Page 41 and THE VILLAGE AT POLO CROSSINGS – SECTOR I as recorded in Map Book 39, Page 42, both in the Probate Office of Shelby County, Alabama.
- 4) The purpose of this affidavit is to opine as to the road described in Deed Book 246, Page 587 in the Probate Office of Shelby County, Alabama, being an AFFIDAVIT executed by Mr. William C. Holcombe on July 17, 1989.
- 5) I have personally visited the property, reviewed road maps and reviewed the WESTOVER USGS Quad Map and found the “Old Hargis Road” referenced with the above Deed appears East of the tributary of Little Creek within the 11.18 acre Common Area shown on POLO CROSSINGS – SECTOR I as recorded in Map Book 39, Page 41.
- 6) I observed no such road physically existing within the property.
- 7) It is my opinion the described road is the unnamed road east of the tributary of Little Creek found on various road maps and the USGS Quad Map and as such does not affect any of the above named and recorded subdivision lots.

AFFIRMED this 30th day of June, 2008.

Signed
