WITNESSETH:

WHEREAS, Assignee has agreed to lend to Assignor the sum of Fifty-Eight Thousand and 00/100 Dollars (\$58,000.00) secured by a mortgage on the following described property located in Shelby County, AL:

See Legal Description Attached hereto as Exhibit A

and as further security therefore and to induce the Assignee to make such loan, Assignor has agreed to assign all leases hereafter arising from the occupancy of the above described property.

NOW, THEREFORE, in consideration of the premises and the mutual agreements herein contained and other good and valuable considerations, Assignor hereby sells, assigns, transfers and sets over unto Assignee, it's Successors and Assigns, all of it's right, title, and interest, claim or demand in and to all leases or rental agreements or any letting of or any agreements for the use or occupancy of any part of the above described property, which hereafter may be made or agreed to between Assignor or any other owner of the above described property, so long as the mortgage loan above described and the indebtedness included therein and any other charges or other costs due or owing there under and secured thereby remain unpaid.

IT IS FURTHER AGREED by and between the parties hereto as follows:

1. Assignor will perform all of its obligations as lessor under any and all present or future leases of all or any portion of the above described property, and will not commit, permit, or suffer a default by Assignor in its obligations under any such lease, nor will Assignor take any action, nor omit to take any action, except to the extent expressly permitted by the lease, if such action or omission reasonably may cause the termination of any lease, or otherwise diminish or impair the value of any lease. Without limitation, Assignor will not (a) except in connection with this financing, assign or encumber its interest in the leases; (b) except in connection with this financing, assign any portion of Rents; (c) consent to the modification, cancellation, or surrender of any lease having an unexpired term of more than one year, except as expressly permitted by the terms of such lease; or (d) collect Rents for more than one month in advance. Further, without limitation, Assignor will not amend any lease without Assignee's prior written consent, or enter into future leases unless and until each such lease has been approved by Assignee as to form, terms, and rentals, which approval may not be unreasonably withheld. Any act or omission in violation of the provisions of this paragraph shall be voidable, at Assignee's sole and exclusive option.

2. Assignor hereby appoints Assignee his true and lawful attorney in the name and stead of Assignor to take such action or measures as in the discretion of Assignee may be deemed proper or necessary to enforce the leases hereby granting to Assignee the full right and authority to fill any vacancy and to rent, let or lease the same to any party or parties, in Assignee's sole discretion, and to give notices which may be or become necessary and do any and all other things which the Assignor might do as landlord or lessor as fully and effectively as Assignor.

3. Assignee shall not be liable for any failure on its part to do any other things which it is by the terms hereof authorized to do and furthermore that it shall not be liable to any tenant or purchaser of the above described property as a result of or on account of this Assignment of Leases.

4. This Assignment of Leases is given as additional security for the payment of the above described mortgage and note secured thereby and shall not be construed as impairing or affecting the validity of either or such instruments or any of the terms and provisions thereof; and this Assignment of Leases shall in no way operate to prevent the owner and holder of the note or the mortgage from pursuing any remedy which such owner and holder might hereafter have because of any breach of any of the terms thereof; and that the acceptance of remedy the Assignee hereunder shall be without prejudice to Assignee's right to foreclose the above described mortgage or the laws of the State of Alabama.

5. Assignor represents and warrants that he has not sold or assigned the leases from the above described property to any other person and that he will not, during the life of the above described mortgage, assign leases to any other person, persons, corporation or corporations.

6. This Assignment shall remain in full force and effect and be binding upon the heirs, executors, administrators, successors, and assigns of the Assignor until the indebtedness secured by the above described mortgage shall be fully paid and satisfied of record, and until all expenses incurred by Assignee pursuant hereto have been fully paid or until such time as this Assignment of Leases shall be validly released by Assignee.

1. **COLLATERAL ASSIGNMENT:** For value received, the sufficiency of which is hereby acknowledged, and in consideration of a loan and other financial accommodations granted or to be made to Mortgagor by Mortgagee, Mortgagor hereby unconditionally grants, transfers, and assigns to Mortgagee, its successors and assigns, all of the right, title, and interest of Mortgagor in and to the Contract Documents, and grants to Mortgagee, its successors and assigns, a security interest in such Contract Documents, and all rights and privileges of any nature there under accruing, together with any changes, extensions, revisions, modifications, or guarantees of performance of obligations to Mortgagor under the Contract Documents, for the purpose of providing additional security (a) for payment of all sums now or at any time hereafter due Mortgagee as evidenced by a Promissory Note of even date herewith, secured by the Mortgage and Security Agreement, together with any renewals, extensions, or modifications thereof and any future advances made there under to the extent permitted under applicable law, (b) for any other amount which may be added to the indebtedness under the terms of the Mortgage and Security Agreement, and (c) for performance and discharge of each obligation, covenant, and agreement of Mortgagor contained in the Mortgage and Security Agreement, the Promissory Note or any Loan Document as defined in the Mortgage and Security Agreement.

2. **TERMINATION OF ASSIGNMENT:** By accepting this Assignment, Mortgagee agrees that upon the payment in full of all indebtedness secured hereby, as evidenced by the recording of filing of an instrument of satisfaction or full release of the Mortgages and Security Agreement without the simultaneous recording of another mortgage in favor of Mortgagee affecting the Premises, this Assignment shall become null, void, and of no further effect.

3. **WARRANTIES BY MORTGAGOR:** Mortgagor warrants that:

- (a) There is no other assignment of any of its rights under the Contract Documents to any other person.
- (b) Mortgagor has done no act nor omitted to do any act which might prevent Mortgagee from, or limit Mortgagee in, acting under any of the provisions

herein.

- (c) There is no default under the terms of the existing Contract Documents to the knowledge of Mortgagor, and all Contract Documents remain in full force and effect.
- (d) Mortgagor is not prohibited under any agreement with any other person or any judgment or decree from the execution and delivery of this Assignment of the Contract Documents, the performance of each and every covenant of Mortgagor hereunder and in the Contract Documents, and the meeting of each and every condition herein contained.

4. COVENANTS:

- (a) Mortgagor agrees, so long as it is indebted to Mortgagee, that Mortgagor will:
 - (i) fulfill, perform, and observe each and every condition and covenant of Mortgagor contained in the Contract Documents; (ii) give prompt notice to Mortgagee of any claim of default under the Contract Documents given to Mortgagor or given by Mortgagor, together with a complete copy of any such claim; (iii) at the sole cost and expense of Mortgagor, enforce the performance and observance of each and every covenant and condition of the Contract Documents to be performed or observed; (iv) appear in and defend any action growing out of, or in any manner connected with the Contract Documents or the obligations or liabilities of Mortgagor or any guarantor there under; and (v) not do any act prohibited by the terms of the Mortgage and Security Agreement, Promissory Note, or any other Loan Documents.
- (b) The rights assigned hereunder include all of Mortgagor's right and title to modify the Contract Documents, to terminate the Contract Documents, and to waive or release the performance of observance of any obligation or condition of the Contract Documents. Mortgagor covenants that Mortgagor will neither modify the terms of the Contract Documents (unless required to do so by the terms of the Contract Documents) nor waive or release any person from the performance of any obligation to be performed under the terms of the Contract Documents or from liability on account of any warranty given to them.

5. EVENT OF DEFAULT: The occurrence of any one of the following events (herein called "event of default") shall constitute a default under the Loan Documents.

- (a) The failure by Mortgagor to perform or observe any covenant of Mortgagor contained in this Assignment, the Mortgage and Security Agreement, the Promissory Note, or any other Loan Document, after the expiration of any applicable cure periods.
- (b) Any warranties of Mortgagor contained in any of the aforesaid instruments prove untrue or misleading in any material aspect.
- (c) The failure of Mortgagor to meet any condition set forth in the Contract Documents.

6. REMEDIES UPON DEFAULT: Upon default Mortgagee may:

- (a) Declare the total indebtedness due by Mortgagor to Mortgagee and secured by this Assignment immediately due and payable.
- (b) Proceed to enter upon, take possession of, and operate the Premises under this Assignment to the extent allowed by applicable law without becoming a Mortgagee in possession.

- (c) Proceed to perform any and all obligations of Mortgagor contained in any of the Contract Documents and exercise any and all rights of Mortgagor therein as fully as Mortgagor itself could, and this without regard to the adequacy of security for the indebtedness hereby secured and with or without the bringing of any legal action.
- (d) Do all other acts which Mortgagee may deem necessary or proper to protect its security.

7. ADDITIONAL REMEDIES:

- (a) Mortgagor does hereby specifically authorize Mortgagee, in Mortgagor's name or in Mortgagee's name, to sue for or otherwise collect and receive issues and profits from the Contract Documents, including those past due and unpaid, and apply the same against all costs and expenses of operation of the Premises or the performance of Mortgagor's obligation under the Contract Documents, including reasonable attorney's fees as defined in the Mortgage and Security Agreement. Any amount remaining after such application shall be applied next to interest and then to the principal on the indebtedness evidenced by the Promissory Note referred to herein. Neither entry upon and taking possession of the property nor the collection of the issues and rights from the Contract Documents shall in any way operate to cure or waive any default under any other instrument given by Mortgagor to Mortgagee, or prohibit the taking of any other action by Mortgagee under any such instrument, or at law or in equity, to enforce payment of the indebtedness secured by the Contract Documents or to realize on any other security.
- (b) Mortgagor further agrees that:
 - (i) Should Mortgagor fail to perform or observe any covenant or comply with any condition contained in the Contract Documents, then Mortgagee, but without obligation so to do and without further notice to or further demand on Mortgagor or releasing Mortgagor from its obligation so to do, may perform such covenant or condition and may appear in and defend any action affecting the Contract Documents. To the extent that the Mortgagee shall incur any costs or pay any monies in connection therewith, including any costs or expenses of litigation, and reasonable attorney's fees (whether incurred in litigation or otherwise), then such charges shall be included in the indebtedness secured hereby and shall bear interest from the incurring of payment thereof at the maximum contract rate of interest permitted by law.
 - (ii) Mortgagee shall not be obligated to perform or discharge any obligation of Mortgagor under the Contract Documents and Mortgagor agrees to indemnify and hold Mortgagee harmless against any and all liability, loss, or damages which Mortgagee may incur under the Contract Documents or under or by reason of this Assignment and of and from all claims and demands whatsoever which may be asserted against it by reason of an act of Mortgagee under this Assignment or under the Contract Documents. Should the Mortgagee incur any such liability, loss, or damage under any Contract Document or under or by reason of this Assignment, or in defense against any such claims or demand, the amount thereof, including costs, expenses, and reasonable attorney's fees as defined in the Mortgage and Security Agreement, together with interest thereon at the rate applicable to such charges in accordance with the terms of the Mortgage and Security Agreement, shall be included in the indebtedness secured by the Mortgage and Security Agreement, and the Mortgagor shall reimburse the Mortgagee therefor immediately upon demand.

8. **APPLICABLE LAW:** This Assignment has been executed and delivered in the State of Alabama. The rights of all parties hereunder shall be governed and decided exclusively by the laws of the State of Alabama, with reference to which the parties have made the Promissory Note and other instruments securing or executed with respect to the indebtedness evidenced thereby.
