Dear Sirs,

Alabama Power Company heretofore acquired and recorded the following easement in the office of the Judge of Probate, Shelby County, Alabama.

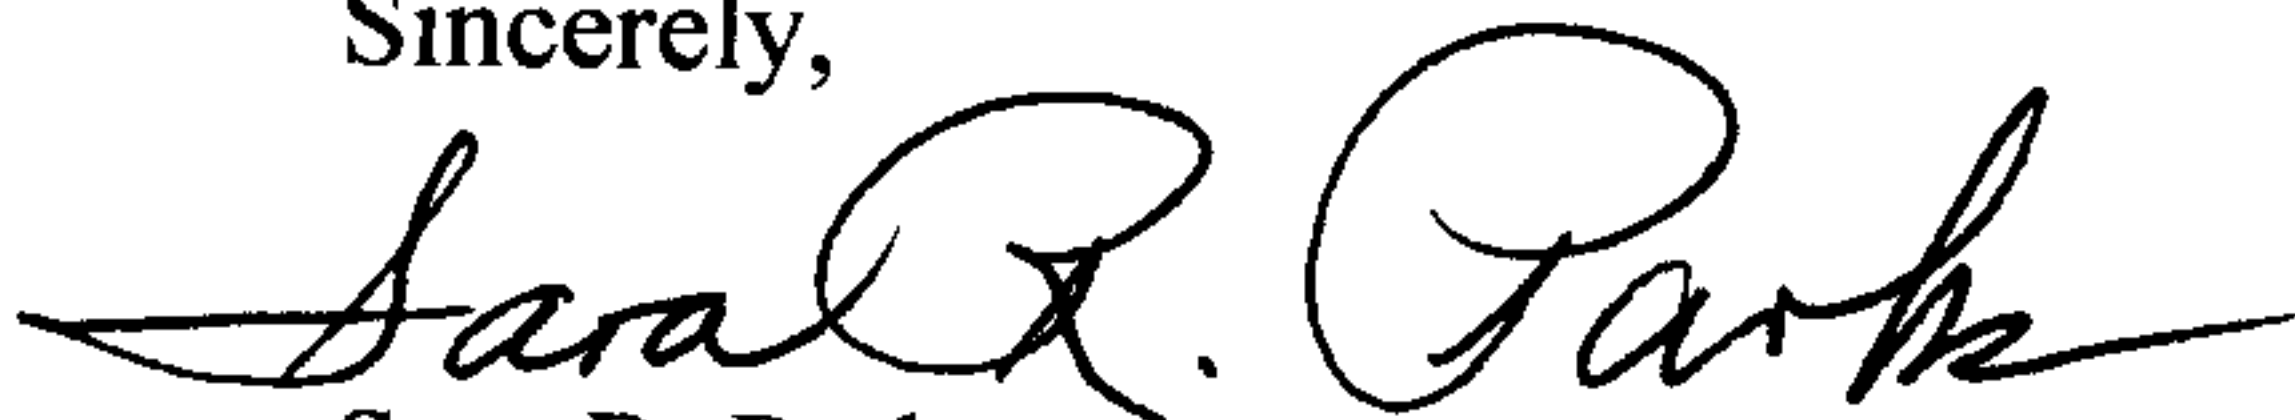

That certain instrument from Connors Steel, by George W. Connors, Jr., President, dated December 29, 1947, recorded in Deed Book 133, Page 55, in the office of the Judge of Probate, Shelby County, Alabama.

The purpose for which the above right of way was acquired was to construct, operate, and maintain Alabama Power Company's distribution facilities. Alabama Power Company does not claim the right to construct additional lines under the authority granted in the above described permits.

Should the need arise in the future for any power line facilities to be installed on the property described in the subject, Alabama Power Company will acquire the necessary rights of way from the owner of record on that date.

We hope this information will be sufficient for your needs but if you have additional questions, please do not hesitate to contact Jeff Callicott at (205) 226-1749.

Sincerely,

Sara R. Parks
