**FIRST MODIFICATION TO LOAN DOCUMENTS**

THIS AGREEMENT made as of the 26 day of September, 2008, by and between, and DAVID A. LAMB and wife, SONYA C. LAMB ("Borrowers" or "Obligors"), and ALAMERICA BANK ("Lender").

**RECITALS:**

A       Lender is the holder of a Multipurpose Note and Security Agreement in the face amount of \$100,000.00, made by LAMB HOME HEALTHCARE, INC., an Alabama corporation (the "Company"), dated July 27, 2006 (the "Company Note"). The Company Note is secured by various documents and instruments all dated July 27, 2006, unless otherwise indicated, including (*inter alia*) the following, all as modified by this agreement:

1.       Accommodation Mortgage and Security Agreement executed by Borrowers recorded under Instrument Number 20050624000314720, in the Probate Office of Shelby County, Alabama (the "Indenture").
2.       UCC-1 Financing Statement file with Secretary of State for the State of Alabama.
3.       Guaranty executed by David A. Lamb in favor of Lender ("Guaranty").

All the documents and instruments referred to or described in this Paragraph A, and all other documents and instruments further securing the Note, are referred to as the "Loan Documents." The real and personal properties pledged and mortgaged under the Loan Documents are referred to as the "Project."

B.       Guarantor has asked Lender for a release from the Guaranty (of the Company debt, as aforesaid), in exchange for payment by Guarantor of half of such debt. [The Company Note is also guaranteed by Guarantor's brother, Michael Vernon Lamb.] Guarantor wishes to borrow from Lender \$25,315 (the "Advance"), being approximately half of such payment Guarantor proposes to make to Lender, which payment shall be applied against the Company's Note. Lender has agreed to such proposal, provided the Advance is evidenced by a promissory note executed by Borrowers (referred to as the "Note") and is secured by the Indenture and the other Loan Documents.

C.       The Indenture states that it secures the Company Note together with all future and additional advances that Lender may make to Guarantors.

D.       The purpose of this document is to provide record notice of the agreement of the parties that the Note is secured by the Indenture and other Loan Documents as the same may be modified from time to time hereafter, and of the other matters specified herein.

If not defined herein, capitalized terms used herein shall have the meanings given to them in the Loan Documents.

**WITNESSETH:**

NOW THEREFORE, in consideration of the premises and of other due, good, and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Note.** All references to the Note, Secured Indebtedness, or Secured Obligations appearing in the Indenture and other Loan Documents shall also include the Note, and the indebtedness and obligations evidenced by such Note. The Note, together with any extensions, renewals, amendments or modifications thereof, are secured by the Loan Documents, whether now existing or hereafter executed. The face amount of the Note, as stated above, is \$25,315.

2. **Release; Indemnity.** Upon completion of the aforesaid transaction, including recordation of this instrument, and conditioned upon the mutual promises continued herein, Guarantor is released from the Company Note; provided, however, that, to induce Lender to agree to such release, Guarantor agrees to indemnify and hold Lender harmless from any claims by the Company or from Guarantor's brother, Michael Vernon Lamb, who is also a guarantor of the Company Note, that this release alters or impairs or modifies in any way the guaranty by Michael Vernon Lamb of the Company Note in favor of Lender, whether such claims are asserted as claims or as defenses or counterclaims or otherwise.

3. **Representations and Warranties.** Obligors represent and warrant to Lender that the following are true, correct and complete as of the date of this agreement:

3.1 [Reserved]

3.2 **Execution, Delivery and Effect of Loan Documents.** Obligors represent (as to its own entity and on its own behalf) that the Loan Documents have each been duly authorized, executed and delivered by Obligors, as the case may be, that each is a legal, valid and binding obligation of Obligors, enforceable in accordance with its terms, that there are no defenses, counterclaims, or set-offs to any of the Loan Documents, and that upon default Lender shall be entitled to exercise any one or more remedies under any one or more of the Loan Documents including without limitation suit, receivership, foreclosure, and/or other remedies available under law or equity.

3.3 **Other Obligations.** No Obligor is in violation of any term or provision of any document governing its organization or existence or in default under any material instruments or obligations relating to the leases executed by any Obligor of portions of (or space in) the Properties or the personal or real property or other thing of value secured by the Loan Documents (the "Collateral"). No tenant or other party has asserted any claim or default relating to any such lease or to any of the Collateral. The execution and performance of the Loan Documents and the consummation of the transactions contemplated thereby will not result in any material breach of, or constitute a material default under, any contract, agreement, document or other instrument to which any Obligor is a party or by which any Obligor may be bound or affected, and do not and will not violate or contravene any laws to which any Obligor is subject; nor do any such instruments impose or contemplate any obligations which are or will be materially inconsistent with the Loan Documents.

3.4 **Legal Actions.** There are no material actions, suits or proceedings including, without limitation, any condemnation, insolvency or bankruptcy proceedings, pending or, to the best of any Obligor's knowledge and belief, threatened, against or affecting any Obligor, its business or the Collateral, or investigations, at law or in equity, before or by any court or governmental authority, pending or, to the best of any Obligor's knowledge and belief, threatened against or affecting any Obligor, any Obligor's business or the Collateral, except actions, suits and proceedings fully covered by insurance and heretofore fully disclosed in writing to Lender or which if resolved adversely to Obligor would not have a material adverse effect on any Obligor or the Collateral. No Obligor is in default with respect to any order, writ, injunction, decree or demand of any court or any governmental authority affecting any such Obligor or the Collateral.

3.5 **Financial Statements.** All statements, financial or otherwise, submitted to Lender by any Obligor in connection with the loan evidenced by the Note ("Loan") are true, correct and complete in all material respects, and all such financial statements have been prepared in accordance with generally accepted accounting principles consistently applied (or other basis of accounting practices permitted by Lender) and fairly present the financial condition of the parties or entities covered by such statement as of the date thereof. Since the date thereof, no Obligor has experienced any material, adverse change in its finances, business, operations, affairs or prospects.

3.6 Title to Collateral. Obligors represent that Borrower has good and clear record and marketable title to the Collateral, free of all liens, encumbrances or restrictions other than the exceptions reflected in the title policies heretofore delivered to and approved by Lender ("Permitted Encumbrances").

3.7 Compliance with Laws and Private Covenants. The Collateral complies in all material respects with all laws. Obligors have examined and are familiar with the Permitted Encumbrances and there now exists no material violation thereof. Obligors have no notice that any of the Improvements are inconsistent with any easement over the Collateral or encroach upon adjacent property.

3.8 Hazardous Waste. To the best knowledge and belief of Obligors, no release of any hazardous waste or hazardous substance (as defined under applicable laws) is present on, in, under, or at the Collateral, nor has any Obligor received any notice from any governmental agency or from any other person with respect to any such hazardous waste or substance.

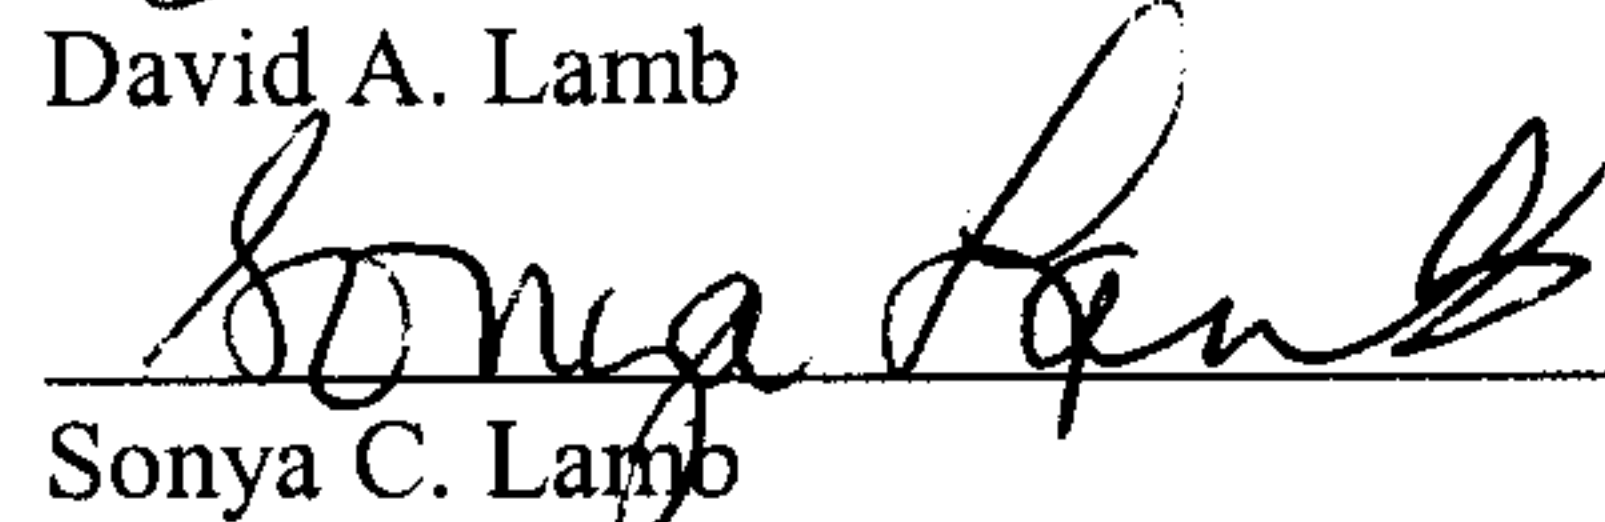

4. Miscellaneous. Except as expressly modified herein, all of the terms, covenants, conditions, agreements and stipulations of the Security Documents shall remain in full force and effect and are hereby ratified and confirmed by each Obligor.

5. Counterparts. This agreement may be executed in counterparts, but all counterparts shall constitute but one and the same document.

6. Waiver of Jury Trial; Mediation. After consultation with counsel and recognizing that any dispute hereunder will be commercial in nature and complex, and in order to minimize the costs and time involved in any dispute resolution process, the parties hereto knowingly, voluntarily, and intentionally waive any right to a trial by jury with respect to any litigation based upon, arising out of, relating to, or in connection with this transaction, this instrument, or any of the other Loan Documents executed in connection with this transaction, or respecting any course of conduct, course of dealing, statement (whether verbal or written) or action of any party and acknowledge that this provision is a material inducement for entering into this loan transaction by all parties. Without limiting the foregoing, in any lawsuit arising between the parties, Lender agrees to submit to mediation of the dispute according to applicable rules of mediation before a mediator the parties mutually agree to, failing which mutual agreement, before a mediator appointed by the court; provided that such agreement to mediate shall not in any way impair or affect Lender's right to pursue remedies judicially.
