  - (b) Payment for services, supplies, or materials shall not exceed the amount ordinarily paid for such services, supplies, or materials in the area where the services are rendered or the supplies or materials furnished.
  - (c) The mortgaged property, equipment, buildings, plans, offices, apparatus, devices, books, contracts, records, documents, and other papers relating thereto shall at all times be maintained in reasonable condition for proper audit and subjectto examination and inspection at any reasonable time by the Secretary or his duly authorized agents. - (d) The books and accounts of the operations of the mortgaged property and of the project shall be kept in accordance with the requirements of the Secretary.
- (e) Within sixty (60) days following the end of each fiscal year the Secretary shall be furnished with a complete annual financial report based upon an examination of the books and records of mortgagor prepared in accordance with the requirements of the Secretary, prepared and certified to by an officer or responsible Owner and, when required by the Secretary, prepared and certified by a Certified Public Accountant, or other person acceptable to the Secretary.
- (f) At request of the Secretary, his agents, employees, or attorneys, the Owners shall furnish monthly occupancy reports and shall give specific answers to questions upon which information is desired from time to time relative to income, assets, liabilities, contracts, operation, and condition of the property ad the status of the insured mortgage.
- (g) All rents and other receipts of the project shall be deposited in the name of the project in a financial institution, whose deposits are insured by an agency of the Federal Government. Such funds shall be withdrawn only in accordance with the provisions of this Agreement for expenses of the project or for distributions of surplus cash as permitted by paragraph 6(e) above. Any Owner receiving funds of the project other than by such distribution of surplus cash shall immediately deposit such funds in the project bank account and failing so to do in violation of this Agreement shall hold such funds in trust. Any Owner receiving property of the project in violation of this Agreement shall hold such funds in trust. At such time as the Owners shall have lost control and/or possession of the project, all funds held in trust shall be delivered to the mortgagee to the extent that the mortgage indebtedness has not been satisfied.
- (h) If the mortgage is insured under Section 232:
- (1) The Owners or lessees shall at all times maintain in full force and effect from the state or other licensing authority such license as may be required to operate the project as a nursing home and shall not lease all or part of the project except on terms approved by the Secretary.
- (2) The Owners shall suitably equip the project for nursing home operations.
- (3) The Owners shall execute a Security Agreement and Financing Statement (or other form of chattel lien) upon all items of equipment, except as the Secretary may exempt, which are not incorporated as security for the insured mortgage. The Security Agreement and Financing Statement shall constitute a first lien upon such equipment and shall run in favor of the mortgagee as additional security for the insured mortgage.
  - (i) If the mortgage is insured under Section 231, Owners or lessees shall at all times maintain in full force and effect from the state or other licensing authority such license as may be required to operate the project as housing for the elderly: (Continued on Rider attached)
- Owners will comply with the provisions of any Federal, State, or local law prohibiting discrimination in housing on the grounds of race, color, religion or creed, sex, or national origin, including Title VIII of the Civil Rights Act of 1968 (Public Law 90-284; 82 Stat. 73), as amended, Executive Order 11063, and all requirements imposed by or pursuant to the regulations of the Department of Housing and Urban Development implementing these authorities (including 24 CFR Parts 100, 107 and 110, and

- Subparts I and M of Part 200).
- 11. Upon a violation of any of the above provisions of this Agreement by Owners, the Secretary may give written notice thereof, to Owners, by registered or certified mail, addressed to the addresses stated in this Agreement, or such other addresses as may subsequently, upon appropriate written notice thereof to the Secretary, be designated by the Owners as their legal business address. If such violation is not corrected to the satisfaction of the Secretary within thirty (30) days after the date such notice is mailed or within such further time as the Secretary determines is necessary to correct the violation, without further notice the Secretary may declare a default under this Agreement effective on the date of such declaration of default and upon such default the Secretary may:
  - (a) (i) If the Secretary holds the note declare the whole of said indebtedness immediately due and payable and then proceed with the foreclosure of the mortgage;
    - (ii) If said note is not held by the Secretary notify the holder of the note of such default and request holder to declare a default under the note and mortgage, and holder after receiving such notice and request, but not otherwise, at its option, may declare the whole indebtedness due, and thereupon proceed with foreclosure of the mortgage, or assign the note and mortgage to the Secretary as provided in the Regulations;
  - (b) Collect all rents and charges in connection with the operation of the project and use such collections to pay the Owners' obligations under this Agreement and under the note and mortgage and the necessary expenses of preserving the property and operating the project. See Rider attached hereto and made part hereof.

  - (d) Apply to any court, State or Federal, for specific performance of this Agreement, for an injunction against any violation of the Agreement, for the appointment of a receiver to take over and operate the project in accordance with the terms of the Agree-, ment, or for such other relief as may be appropriate, since the injury to the Secretary arising from a default under any of the terms of this Agreement would be irreparable and the amount of damage would be difficult to ascertain.
- 12. As security for the payment due under this Agreement to the reserve fund for replacements, and to secure the Secretary because of his liability under the endorsement of the note for insurance, and as security for the other obligations under this Agreement, the Owners respectively assign, pledge and mortgage to the Secretary their rights to the rents, profits, income and charges of whatsoever sort which they may receive or be entitled to receive from the operation of the mortgaged property, subject, however, to any assignment of rents in the insured mortgage referred to herein. Until a default is declared under this Agreement, however, permission is granted to Owners to collect and retain under the provisions of this Agreement such rents, profits, income, and charges, but upon default this permission is terminated as to all rents due or collected thereafter.
