STATE OF ALABAMA)
COUNTIES OF SHELBY, TALLADEGA, COOSA,)
TALLAPOOSA, CHAMBERS AND LEE)

THIS CONVEYANCE is made as of the 17th day of December, 2008, by **SOUTHERN ELECTRIC GENERATING COMPANY**, an Alabama corporation (hereinafter referred to as "Grantor"), in favor of **ALABAMA POWER COMPANY**, an Alabama corporation (hereinafter referred to as "Grantee").

W I T N E S S E T H:

FOR AND IN CONSIDERATION of the sum of THREE MILLION THREE HUNDRED ONE THOUSAND FOUR HUNDRED AND NINETY-FOUR DOLLARS (\$3,301,494) in hand paid at and before the sealing and delivery of these presents, and for other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, Grantor does hereby agree with Grantee, and Grantee by its acceptance hereof, does hereby agree with Grantor, as follows:

A. Conveyance of Transmission Lines.

Grantor does hereby grant, bargain, sell and convey unto Grantee, its successors and assigns, all of Grantor's right, title and interest in and to all real and tangible personal property comprising Grantor's Gaston-Goat Rock 230 KV TL Transmission Lines #1 and #2 beginning at "Point A" as described in Exhibit A hereto and ending where such Transmission Lines intersect with Georgia Power Company's Goat Rock T.S. in Lee County, Alabama (hereinafter referred to as the "Easement Area"), together with all other rights of Grantor in, to or for the use of the Easement Area, including without limitation, the following (hereinafter collectively referred to as the "Transmission Lines"):

(i) the easements and agreements evidenced by the documents identified on Schedule 1 attached hereto and hereby made a part hereof; and

(ii) all towers, poles, conduits, conductors, cables, insulators, anchors, guy wires, counterpoise conductors, and all other appliances located on the Easement Area;

To have and to hold the foregoing to Grantee, its successors and assigns forever.

B. Conveyance of Transmission Line Easement Over SEGCO Land.

A portion of the Easement Area lies on land owned by Grantor and Grantor does not hereby convey said land to Grantee but Grantor does hereby grant to Grantee, its successors and assigns, the right to construct, operate and maintain electric transmission and communication lines and all towers, poles, conduits, conductors, cables, insulators,

anchors, guy wires, counterpoise conductors, and all other appliances necessary or convenient in connection therewith from time to time over, under and across, a strip of land 200 feet in width, being 100 feet on either side of a line commencing at Point A described in Exhibit A hereto and ending at Point B described in Exhibit A hereto, together with all rights and privileges necessary or convenient for the full enjoyment or use thereof for the purposes above described, including the right of ingress and egress to and from said strip and the right to cut, remove, or otherwise kill, and keep clear by any means, including chemicals, all trees and undergrowth and all other obstructions under, on or above said strip and the right to cut such timber outside of said strip which in falling would come within five (5) feet of any conductor on said strip, and the right to install, maintain and use anchors and guy wires on land adjacent to said strip, and the right to install grounding devices on Grantor's fences now or hereafter located on such strip and on fences or other structures of Grantor now or hereafter located adjacent to such strip, and the right to prevent the use of such strip as a parking area for automobiles or other vehicles, as a storage area for machinery or materials, or as a road other than a road crossing such strip at a location which does not endanger or interfere with works that have been or may at some future date be constructed on such strip; to have and to hold the foregoing rights to Grantee, its successors and assigns forever,

C. Reservation By Grantor.

Notwithstanding anything contained in this Conveyance to the contrary, Grantor does hereby expressly except from this conveyance and reserve unto itself, its successors and assigns, the facilities constituting its 230 kV electric transmission line commonly referred to as the "Yellowdirt" line (but excluding any that comprise an integral part of the Gaston-Goat Rock Transmission Line # 1), which is located upon the same structures as the Gaston-Goat Rock 230 kV Transmission Line # 1 from its beginning at Grantor's E.C Gaston generating plant to and including the first structure on the east side of the Coosa River (hereinafter referred to as the "Shared Structures"), together with the right to operate and maintain such facilities on the Shared Structures as they may be maintained or replaced by Grantee from time to time and the right to construct, install and maintain all conduits, conductors, cables, insulators, anchors, guy wires, counterpoise conductors, and all other appliances necessary or convenient in connection therewith from time to time, including, in the absence of Grantee's maintaining sufficient structures for such facilities, poles and towers, over, under and across the portion of the Easement Area beginning at Point A described in Exhibit A hereto and ending at the first support structure for Gaston-Goat Rock 230 kV TL # 1 on the east side of the Coosa River, together with all rights and privileges necessary or convenient for the full enjoyment or use thereof for the purposes above described, including the right of ingress and egress to and from said strip and the right to cut, remove, or otherwise kill, and keep clear by any means, including chemicals, all trees and undergrowth and all other obstructions under, on or above said strip and the right to cut such timber outside of said strip which in falling would come within five (5) feet of any conductor on said strip, and the right to install, maintain and use anchors and guy wires on land adjacent to said strip, and the right to install grounding devices on Grantee's fences or other structures now or hereafter located adjacent to such strip, and the

right to prevent the use of such strip as a parking area for automobiles or other vehicles, as a storage area for machinery or materials, or as a road other than a road crossing such strip at a location which does not endanger or interfere with works that have been or may at some future date be constructed on such strip all towers, poles, conduits, conductors, cables, insulators, anchors, guy wires, counterpoise conductors, and all other appliances necessary or convenient in connection therewith; provided, however, that

(i) Grantor shall give Grantee at least sixty (60) days prior notice before any facilities are constructed or installed (except in the event of an emergency, in which case Grantor shall give Grantee as much prior notice as is practicable under the circumstances), and

(ii) Grantor shall attempt to locate such facilities to be constructed or installed at locations mutually agreed upon by Grantor and Grantee, but in the absence of such agreement and in all events Grantor's exercise of the rights enumerated in this paragraph shall not unduly interfere with Grantee's use of the Transmission Lines.

D. Miscellaneous.

Notwithstanding anything contained herein to the contrary, the buildings, other structures and improvements, fixtures and real and personal property herein conveyed are hereby conveyed by Grantor to Grantee, and acquired by Grantee, upon an "as is" and "where is" basis. Neither Grantor nor any person or entity of any kind or nature whatsoever acting for or on behalf of Grantor either has made or hereby makes any representation or warranty whatsoever with respect thereto, whether express or implied, including, without limitation, any representation or warranty as to the value, quality, condition, salability, obsolescence, merchantability, fitness or suitability for use thereof. Notwithstanding the foregoing, Grantee shall, together with Grantor, have the benefit of and is hereby assigned all manufacturers' and vendors' warranties and all patent, trademark and service mark rights running to Grantor in connection with the property herein conveyed to the extent the same are assignable by Grantor. To the extent that the conveyance of any right of Grantor hereunder may require the consent of any other party, the same shall be deemed not to be conveyed until such consent is obtained. The rights and other property conveyed hereby are conveyed subject to all matters of record in the respective Counties listed above and to all matters that an accurate survey of the Easement Area would disclose.

Grantee specifically agrees and hereby waives, releases, and discharges any claim (statutory, contractual or otherwise) it has, or may have in the future, against Grantor with respect to or arising out of the past, present or future conditions or compliance or noncompliance of the Transmission Lines in regard to any environmental laws, rules, regulations, order or requirements (including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, as amended, 42 U.S.C. §§ 9601

et seq. and the Resource Conservation and Recovery Act, as amended, 42 U.S.C. §§ 2601 et seq.).

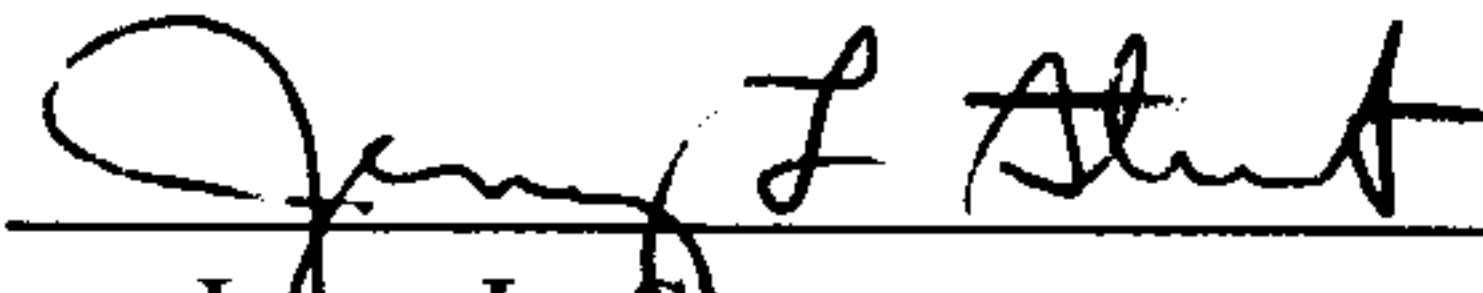

This instrument shall inure to the benefit of, and shall be binding upon, Grantor and Grantee and their respective successors and assigns.

Grantor and Grantee agree that any ad valorem, real or personal property taxes and any other taxes levied upon or assessed against any real property or personal property conveyed hereby for the tax fiscal year beginning October 1, 2008 shall be apportioned and prorated by and between Grantor and Grantee as of the date hereof, based on estimates made in good faith and each of Grantor and Grantee shall be and remain liable to the other for its pro rata portion thereof, when the actual tax bills are received.

This Conveyance may be executed in multiple counterparts each of which shall be an original and all of which shall constitute one and the same instrument.

IN WITNESS WHEREOF, Grantor has caused this instrument to be executed by its duly authorized officer as of the date set forth above.
