This Committee may designate any one of its members to act on its behalf. In the event of a vacancy on the Committee, the remaining members shall have the authority to appoint a replacement. The Committee shall have the authority and power to approve all plans and specifications for all structures to be erected in the Subdivision. Said Committee may act as a representative of the Owners of the lots in the Subdivision and may act to enforce the covenants

Every person and entity which submits plans to the Committee agrees, by submission of such plans, that the party making the submissions will not bring any action or suit against the Committee, the Declarant or either of them to recover any damages or require the Committee or its representative to take or refrain from taking any action. Neither the submission of any complete set of plans to the Declarant or to the Committee for review by the Committee, nor the approval thereof by the Committee, shall be deemed to guarantee or require the actual construction of the building or structure therein described, and no adjacent lot owner may claim any reliance upon the submission and/or approval of any such plans or the buildings or structures described therein.

13. **ENFORCEMENT OF COVENANTS.** The right to enforce these provisions by injunction, together with the right to cause the removal by due process of law of any structure, is hereby vested in each owner of a lot in this subdivision, and in the Committee, its successors and assigns. These covenants and restrictions may all be enforced by a civil action for damages and by any other appropriate remedy at law or in equity. If any person(s) shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons vested with the title of any of the lots herein before described, the Committee, its successors and assigns, or the Declarant, to proceed either in law or in equity, against such person(s) violating or attempting to violate any such covenants, and to enjoin them from so doing, to recover damages for such violation and to seek all other appropriate relief. In the event that the Committee, or the Declarant should employ counsel to enforce any of the foregoing covenants and restrictions, all costs incurred in such enforcement, including reasonable attorneys' fees, shall be paid by the owner of such lot or lots against whom such enforcement action is brought. The Committee, or the Declarant, as the case may be, shall have a lien upon such lot or lots to secure owner's payment of all such costs.
14. **EFFECTIVE DATE.** These Restrictions and Covenants shall be deemed to be effective upon their recording in the Probate office of Shelby County, Alabama.
