An assessment for privilege license tax has been entered against the above taxpayer under Section(s) 40-12-69 and 40-12-151 covering the period October 2007 through September 2009. In the event the taxpayer seeks to purchase the license(s) shown above from your office, please call for guidance and an updated payoff amount.

There are two ways to handle the payment. The preferred and most efficient way would be to issue the taxpayer the license(s) paid for by following your regular license issuance procedures. This office will, of course, need a copy of all license(s) that were issued pertinent to the assessment. The alternative way would be to send the taxpayers payment to this office. Upon receipt of the payment, and with the assessment paid in full and the assessment file closed, the payment would then be returned to you for the issuing of the license(s) and distribution of the proceeds. For questions on procedures, please call me at (334) 242-9600.
