6. Public utility easement(s) of public record affecting said land.
7. 9. Grantee has made its own independent inspections and investigations of said land, and is taking said land **"AS IS, WHERE IS, WITH ALL FAULTS"** and based solely and in reliance upon such inspections and investigations of said land. Grantor makes no representation, warranty or agreement concerning the conditions of said land, the soil or the sub-soil. Grantee, for itself and its successors and assigns, waives all claims, present and future, against Grantor based upon or in connection with the condition of said land, including but not limited to underground aquifers, mines, tunnels, or sinkholes, and hereby releases Grantor from any liability whatsoever with respect thereto, and this covenant shall run with the land as against Grantee and all other successors in title.

11. **Grantor, its successors and assigns, reserves a right of first refusal to purchase said land in the event that the Grantee should desire to sell or otherwise convey the same within forty-eight (48) months from the date of recording hereof.** Grantee shall first offer to sell said land to Grantor, its successors and assigns, for the same price and otherwise upon the same terms and conditions as stated in the real estate sales contract by and between Grantor and Grantee, it being understood and agreed that Grantor, its successors and assigns, shall have the first option to purchase said land upon such terms and conditions. In order to exercise its right of first refusal, Grantor, its successors and assigns, shall give written notice to Grantee of such exercise within seven (7) days following Grantor's, its successors' and assigns', receipt of written notice of Grantee's intent to sell or otherwise convey said land. The right of first refusal provided for in this Paragraph shall terminate upon the earlier of (i) the expiration of forty-eight (48) months from the date of recording hereof; or (ii) upon commencement of construction of a house on said land as evidenced
