RE: Property Survey

Dear Tim and Wendy:

Please be advised that I have recently had a survey done to show the correct property line for my property. According to the survey, your fence encroaches onto my property by several feet. At this time, I am just bringing this to your attention; it is not an issue for me. However, should I decide to sell my property or you sell your property in the future, it may become an issue that we have to deal with and determine the best course of action for all parties involved, which may necessitate the moving of your fence to comply with legal property lines. You may choose to have your own survey performed and should your survey produce different results than mine, I will be happy to discuss resolving the issue. Again, this is not an issue at this time, but I just want to put you on notice of the discrepancy should we need to discuss it in the future.

Sincerely
