invalidity shall not affect the remaining terms of this Easement, which shall continue in full force and effect.

26. Mortgages. This Easement shall be subordinate to any mortgage given by Grantor which currently encumbers Grantor's Property including the Easement Area, provided that any mortgagee holding such a mortgage shall recognize the validity of this Easement in the event of foreclosure of Grantor's interest and Grantee's rights under this Easement. In the event that the Easement Area is or shall be encumbered by such a mortgage, Grantor shall obtain and furnish to Grantee a non-disturbance agreement for each such mortgage, in recordable form.

27. Grantor's Property. Grantor shall not do or permit anything that will interfere with or negate any special use permit or approval pertaining to the Easement Area or cause any communications facilities on the Easement Area to be in nonconformance with applicable local, state, or federal laws. Grantor covenants and agrees that it shall not subdivide the Grantor's Property if any such subdivision will adversely affect the Easement Area's compliance (including any improvements located thereon) with applicable laws, rules, ordinances and/or zoning, or otherwise adversely affects Grantee's ability to utilize Grantor's Property for its intended purposes. Grantor shall not initiate or consent to any change in the zoning of Grantor's Property or any property of Grantor contiguous to, surrounding, or in the vicinity of Grantor's Property, or impose or consent to any other restriction that would prevent or limit Grantee from using the Easement Area for the uses intended by Grantee.

28. Successors and Assigns. The terms of this Easement shall constitute a covenant running with the Grantor's Property for the benefit of Grantee and its successors and assigns and shall extend to and bind the heirs, personal representatives, successors and assigns of the parties hereto and upon each person having any interest therein derived through any owner thereof. Any sale, mortgage, lease or other conveyance of Grantor's Property shall be under and subject to this Easement and Grantee's rights hereunder.

29. Construction of Easement. As used herein, "including" shall mean "including, without limitation." This document may be executed in multiple counterparts, each of which shall be deemed a fully executed original.

30. Grantor's Ongoing Obligations. Grantor shall:

- (a) not suffer or allow any breach, default or event of default by Grantor to occur under the Lease;
- (b) not take any action, or fail to take action, for the purpose of, or with the effect of, terminating the Lease or inducing or causing a tenant to exercise, or not to exercise, a right to renew or extend the Lease; and
- (c) promptly forward to Grantee any written notice or communication by, to or from Grantor and any tenant, government authority, taxing authority, service provider, lender, mortgagee or otherwise which may affect the Lease or any existing or future lease or other agreement at or upon the Grantor's Property or which notice may affect or relate to the Grantor's Property or the operation or function thereof in any manner or respect.

If Grantor has failed, after reasonable notice and opportunity to perform any covenant, obligation or duty which Grantor is bound to perform hereunder or any other agreement or the Law relating to the Lease, then Grantee may, but without any obligation to do so, from time to time and at any time, without releasing the Grantor from any obligation herein or under the Lease, perform such covenant, obligation or duty, and Grantor within thirty (30) days of receipt of an invoice therefor shall reimburse Grantee all reasonable costs and expenses incurred by Grantee in connection therewith, including attorneys' fees.

31. Additional Tenants. It is the intent of the Parties to encourage the addition of tenants to the Easement Area throughout and after the term hereof. Grantor hereby irrevocably constitutes and appoints Grantee as its true and lawful attorney-in-fact, with full power of substitution and resubstitution to negotiate and consummate leases, licenses and/or other agreements of use with tenants and all rights and remedies of Grantor under the Lease and any renewals, modifications or amendments thereof, as well as new agreements with new tenants or licensees. Grantor ratifies and acknowledges the right of Grantee to enter into such agreements, and the Grantor's Property and Grantor shall be bound by such agreements throughout and after the termination of this Agreement for any reason. Grantor acknowledges that all such agreements entered into by Grantee shall survive the termination of this Agreement for any reason. Grantor agrees that it shall not, directly or indirectly, divert or solicit the business of any of Grantee's tenants or licensees on behalf of itself or on behalf of any third party.

32. Cooperation by Grantor. From time to time hereafter, (a) Grantor shall promptly furnish to Grantee such information (including documents and

records in Grantor's possession, custody or control) regarding Grantor's ownership of the Grantor Property as Grantee reasonably requests; and (b) Grantor shall promptly execute any confirmatory or related documents, easements, agreements or applications relating to the Easement Area, improvements or installations thereon to the extent that the same are necessary, required or advisable and/or requested by a tenant, any governmental authority or Grantee, its stockholders, members, partners, affiliates or lenders. Grantor shall promptly deliver to Grantee a copy of any written communication that Grantor receives from a tenant or any other person relating to the Lease or the Easement Area.

30. Rule Against Perpetuities. If the rule against perpetuities or any other rule of law would invalidate this Easement or any portion or provision hereof or would limit the time during which the entire Easement or any portion or provision thereof shall be effective due to the potential failure of an interest in property created therein to vest within a particular time, then each such interest in property shall be effective only from the date hereof until the passing of twenty (20) years after the death of the last survivor of the members of Congress of the United States of America (including the House of Representatives and the Senate) representing the state in which the Easement Area is located who are serving on the date hereof, but each such interest in property shall be extinguished after such time, and all other interests in property created herein and all other provisions hereof shall remain valid and effective without modification.
