Grantor and Grantees acknowledge that they have participated jointly in the negotiation and drafting of this Deed and as such they agree that if an ambiguity or question of intent or

interpretation arises hereunder, this Deed shall not be construed more strictly against one party than another on the grounds of authorship.

4.2 **No Third Party Beneficiaries.** Nothing in this Deed shall provide any benefit to any third party or entitle any third party to any claim, cause of action, remedy or right of any kind, it being the intent of the parties hereto that this Deed shall otherwise not be construed as a third party beneficiary contract.

4.3 **Successors and Assigns.** The rights and interests of any party to this Deed may be sold or assigned in whole or in part, and the provisions hereof shall extend to the respective heirs, executors, administrators, successors and assigns of the parties hereto. Notwithstanding the foregoing, if a Grantee elects to sell or assign any part or all of its rights and interests hereunder, such Grantee and their assignees shall remain liable and responsible for all surface and subsurface damages that may be caused to the tracts in connection with the ownership or operation of the Mineral Lands as provided under this Deed, both before and after the effective date of any such assignment. Grantees shall comply and cause any successor or assignee to comply with all valid laws affecting the Mineral Lands and all operations thereon.

4.4 **Governing Law.** This Deed, other documents delivered pursuant hereto and the legal relations between the parties hereto shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the principles of conflicts of laws, except to the extent that it is mandatory that the law of some other jurisdiction, wherein the Mineral Lands are located, shall apply.

In addition to filing this Deed, the parties hereto shall execute and file with the appropriate authorities, whether federal, state or local, all forms or instruments required by applicable law to effectuate the conveyance contemplated hereby. Said instruments shall be deemed to contain all of the exceptions, reservations, rights, titles and privileges set forth herein as fully as though the same were set forth in each such instrument. The interests conveyed by such separate deeds are the same, and not in addition to the Assets conveyed herein.

4.7 **Further Cooperation.** After the Effective Time, Grantor agrees to execute and deliver, or cause to be executed and delivered, from time to time and without additional consideration, such further deeds, conveyances, assignments or other instruments of conveyance as may be necessary to evidence the transfer of the Assets to Grantees in the manner contemplated by this Deed.

4.8 **Power of Attorney.** Grantor hereby irrevocably constitutes and appoints each of the Grantees as its true and lawful attorney-in-fact, with full power of substitution, in the name of Grantor, and on behalf of and for the benefit of each Grantee, to execute, acknowledge and deliver one or more counterparts of this Deed or any other instrument of conveyance, assignment or transfer that may be necessary to carry out the purposes and intent of this Deed; to do all such acts and things in relation thereto as such Grantee shall deem advisable; and to execute such other documents and instruments and perform such further acts as deemed reasonably necessary by such Grantee or its representatives to effectuate the transactions contemplated hereby. Grantor agrees that the foregoing powers are coupled with an interest and shall be irrevocable by Grantor or by its dissolution or by the cancellation of its certificate of limited partnership or in any manner or for any reason. Notwithstanding the foregoing, in no event shall any action by Grantees pursuant to this power of attorney increase the liability of Grantor hereunder.

4.9 **Severability.** In the event that any provision of this Deed shall be held by any court of appropriate jurisdiction to be unenforceable by virtue of a final, nonappealable judgment thereof, such provision shall be stricken from this Deed as if same had not been included in it, and the remaining terms and conditions hereof shall, to the fullest extent permissible, remain enforceable in accordance with their respective terms and conditions.
