### AFFIDAVIT

Comes now the undersigned who after first being duly sworn, deposes and says as follows:

My name is Eugene Peel. I live at 188 Peel Road Helena, Alabama 35080. I am over the age of 18 years and have personal knowledge of the facts contained in this affidavit.

I am familiar with the following property owned by Virginia Wright Spisak:

NW ¼ of SE ¼ of Section 6, Township 21 Range 4W containing 40 acres more or less located in Shelby County, Alabama.

My knowledge of the property goes back well before 1976. My knowledge of the property is based on my having lived close to the property, and knowing the owners. Since my home is near the property I have had many opportunities to interact with the owners. Before Virginia Wright Spisak owned this property, it was owned by her father, P.L Wright. I knew P.L. Wright very well during the time he owned the property. I also knew the gentleman who owned the property prior to Mr. P.L. Wright.

I was given hunting rights by Mr. P. L. Wright when he owned it, and later by Virginia Wright Spisak when she acquired it in 1976. My hunting rights continued until approximately 2002. No one other than Virginia Wright Spisak claimed to have the right to grant hunting rights on the property since 1976.

I do recall that in the late 1980's Virginia Wright Spisak had the timber cut off this property and asserted her role as owner at that time.

I am also in a position to know whether there was any person other than Virginia Wright Spisak who has asserted any claim to it. I can say based on my own knowledge that no one, other than Virginia Wright Spisak, has claimed to own this property since 1976.
