### SCRIVENER'S AFFIDAVIT

Before me, the undersigned, a notary public in and for said county in said state, personally appeared Timika Randall who, being by me first duly sworn deposes and states as follows:

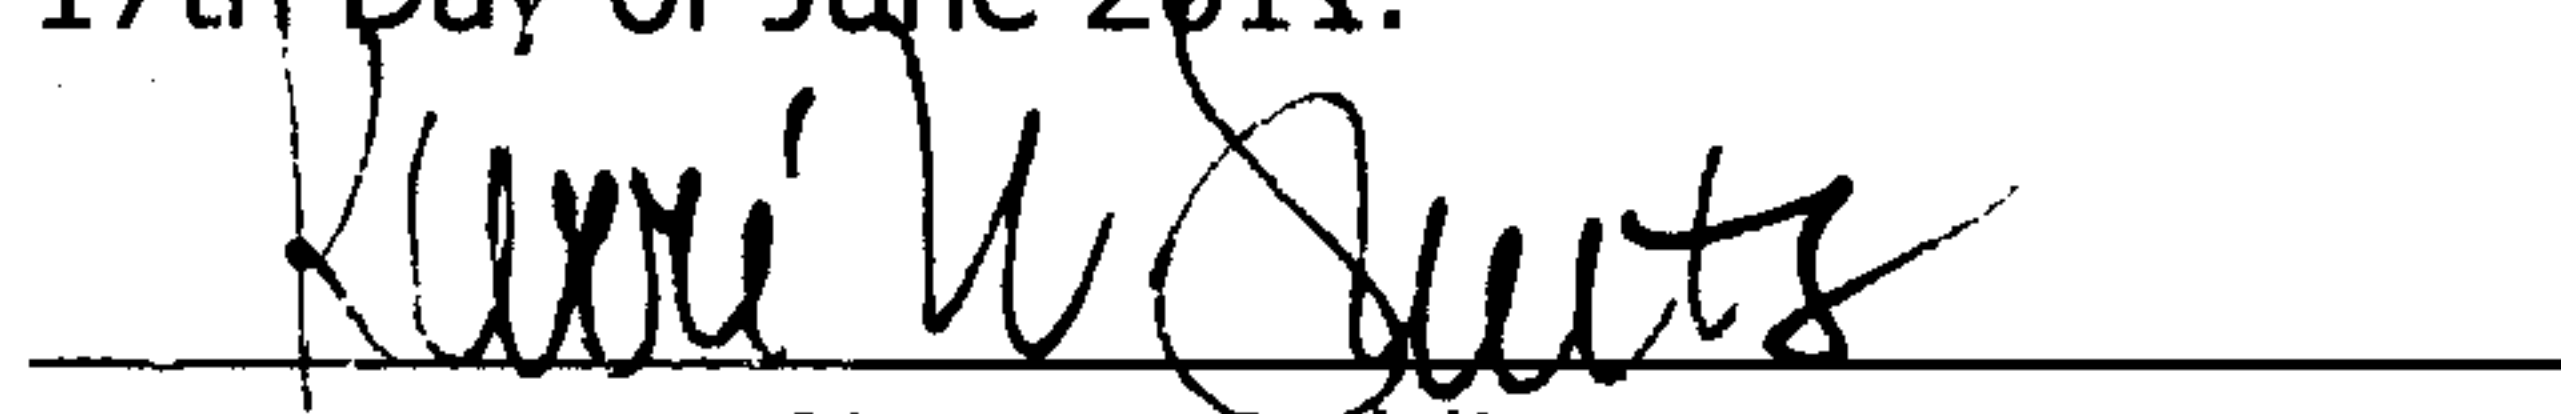

1. I prepared the following documents (collectively, the "Modification Agreement") among **Thomas W. Strickland and Lynda C. Strickland** and First Commercial, a division of Synovus Bank dated February 22, 2011.
2. After the Modification Agreement was recorded, in **Shelby County Inst. # 20110308000077120** it was discovered that the recitals in such documents contained errors, namely: the modification agreement contained an incorrect instrument number for the mortgage dated 9/14/09 (20091015000390550; *incorrect*). The correct instrument number is: **20091016000390550**
3. The purpose of this affidavit is to give notice of the correct information as shown above.
