SCRIVENER'S AFFIDAVIT

STATE OF ALABAMA

SHELBY COUNTY

Before me, the undersigned, a Notary Public in and for said County and State, personally appeared Jessica Kirk Drennan, who, being by me first duly sworn, deposes and says that she is an Attorney at Law, and, in that capacity, she supervised the preparation of that certain Warranty Deed dated May 21, 2010 showing the Grantors as John Woodham and Jodi Lambert, and the Grantee as Breanne Woodham, recorded in Instrument # 20100628000203880 in the Office of the Judge of Probate of Shelby County, Alabama. Affiant states that through an error in the preparation of said Warranty Deed, the homestead status of the Grantors was omitted. This Warranty Deed should incorporate the following statement: *This property does not represent the homestead of the Grantors, or their respective spouses.*

Done this the 23rd of January, 2012.
