**LIMITED POWER OF ATTORNEY**

Coastal States Mortgage Corporation, a FL Corporation, ("Servicer") hereby makes, constitutes and appoints the Federal Home Loan Mortgage Corporation ("Freddie Mac") as its true and lawful Attorney-in-Fact, with full power and authority hereby conferred in its name, place, and stead and for its use and benefit, to execute, sign, make, acknowledge, deliver, and record any assignment of security instrument (including but not limited to individual and blanket assignments), or any other document necessary to transfer Servicer's interest in the security instrument, including a mortgage or deed of trust, to Freddie Mac for any mortgage loan listed on Exhibit A hereto for which Freddie Mac determines there is no executed, original, correctly prepared assignment in the mortgage file or properly recorded in the county in which the property securing the mortgage loan is located, as required by Freddie Mac's Single-Family Seller/Servicer Guide.

Servicer gives to Freddie Mac full power and authority to execute such instruments and to do and perform all and every thing requisite, necessary, and proper to carry into effect the power or powers granted by or under this Limited Power of Attorney as fully, to all intents and purposed, as Servicer might or could do, and hereby does ratify and confirm all that Freddie Mac shall lawfully do or cause to be done by authority hereof. This Limited Power of Attorney is executed and effective as of the date appearing below, and shall continue in full force and effect and shall be binding upon any successors or assigns of Servicer, notwithstanding its continued existence or otherwise.

Third parties without actual notice may rely upon the powers granted under this Limited Power of Attorney upon the exercise of such power by Freddie Mac that all conditions precedent to such exercise of power have been satisfied and that this Limited Power of Attorney has not been revoked unless an instrument of revocation has been recorded.

Coastal States Mortgage Corporation
