This letter is lawful notification to you, pursuant to The Bill of Rights of the National Constitution, the Supreme Law of the Land, in particular, but not limited to, the Fourth, Fifth, Seventh, and Ninth Amendments, and the Alabama State Constitution, and pursuant to your oath, and requires your written response to me specific to the subject matter. Your failure to respond, within 15 days, as stipulated, and rebut, with particularity, everything in this letter with which you disagree is your lawful, legal and binding agreement with and admission to the fact that everything in this letter is true, correct, legal, lawful and binding upon you, in any court, anywhere in America, without your protest or objection or that of those who represent you. Your silence is your acquiescence. See: *Connally v. General Construction Co.*, 269 U.S. 385, 391. Notification of legal responsibility is "the first essential of due process of law." Also, see: *U.S. v. Tweel*, 550 F. 2d. 297. "Silence can only be equated with fraud where there is a legal or moral duty to speak or where an inquiry left unanswered would be intentionally misleading."

You swore an oath to uphold and support the Constitution of the United States of America and the Constitution of Alabama, and pursuant to your oath, you are required to abide by that oath in the performance of your official duties. You have no Constitutional or other valid authority to defy the Constitutions, to which you owe your LIMITED authority, delegated to you by and through the People, and to which you swore your oath; yet, by your actions against me, committed acting as an agent/Officer of the Court for Bryant Bank, and in so doing, you perjured your oath by violating my Constitutionally guaranteed Rights and all aspects of due process of law, in particular those rights secured in the Bill of Rights, including, but not limited to, my 4th, 5th, 7th and 9th Amendment Rights and those rights guaranteed and protected in the Alabama Constitution Declaration of Rights.

My property has been unlawfully and criminally sold through an unlawful foreclosure process as of 5/8/2012, and at no time in this unlawful process of "foreclosure" have I waived any of my rights including those relevant to the National Constitution specific to the Bill of Rights Article IV "the right of the people to be secure in their persons, houses, papers, and effects against unreasonable searches and seizures shall not be violated...", Article V "No person shall..be deprived of life, liberty, or property without due process of law.." and per Article VII "In Suits at common law, where the value in controversy shall exceed 20 dollars, the right to trial by jury shall be preserved..." Yet, you acted in contradiction to my guaranteed unalienable rights through assisting a fictional entity, under color of law, to make a theft of my property.

At all times that I have domiciled in this property I have had and continue to have a vested interest of ownership which I have not released to any party nor has any party offered or made settlement to me for my interest in said property of at least \$349,440.00.

Pursuant to Marbury v. Madison, (1803), all laws repugnant to the Constitution are null and void. Your actions are repugnant to the Constitutions, thus, are without the weight of law and without valid authority as well as all actions through this unlawful foreclosure process against me.

If you are an attorney, an officer of the court, you are required to have an oath of office on file for public scrutiny and bonds to guarantee your faithful performance of your duties, pursuant to your oath, as the law requires, as well as malpractice insurance. I respectfully demand that you send me a certified copy of your timely filed oath of office and copies of all bonds you are required to obtain according to law including documented proof of your malpractice insurance. If you fail to provide these, then you admit that you have no oath of office, no bonds as required by law and no malpractice insurance.

Should you persist in your efforts to violate my Rights, then, you commit deliberate fraud, which perjures your oath and violates state laws governing attorneys and the Rules of Professional Conduct. Such actions could subject you to criminal charges, civil action and disciplinary action from the Bar Association and the state Supreme Court, with whom I will file charges against you. In addition, I will notify your malpractice insurer of your unlawful actions in violation of including, but not limited to, due process of law, which may adversely impact you and possibly your entire law firm.

Should you fail to properly resolve this matter by immediately ceasing and desisting any and all activities against me, then, be assured that I will take any and all necessary measures against you, as stated above, to protect my private property, to claim and exercise my Constitutionally guaranteed Rights, to publicly expose your fraud and see that you are held accountable and liable for your unlawful, fraudulent actions.

If you disagree with anything in this letter, then rebut that with which you disagree, in writing, with particularity, to me, within 15 days of this letter's date, and support your disagreement with evidence, fact and valid Law. Your failure to respond, as stipulated, is your agreement with and admission to the fact that everything in this letter is true, correct, legal, lawful, and is your irrevocable agreement attesting to this, fully binding upon you, in any court in America, without your protest or objection or that of those who represent you.
