Mr. Eagan,
Valley Eye Associates, LLC and its single member Daniel J. Eagan Jr. were assessed for an unpaid withholding tax liability for the period of QE 06-30-2012. As a member of the LLC, a lien was placed on your assets for the unpaid withholding tax liability reported on this period. You have responded that the corresponding lien is now reflected on your credit report.

The liability stemmed from an actual report received from Valley Eye Associates, LLC. The Department received notification that the report figures were incorrect after the lien had been filed. Department records now reflect the correct liability for this period, which had been paid prior to the lien being filed. While every effort is made to send notices to the correct address, the Department can only send a notice to the last address you have provided them. Since your address changed, it is possible you did not receive notification in time to appeal the assessment. Please use this document to reference the liability has been corrected and the lien withdrawn.
