Before me this day personally appeared
Mildred Carden Roberts ("Tiny"), who being first duly sworn,
deposes and says:

1. I have resided at 1171 Highway 306, Calera, Alabama, 35040 since 1966 through the present.
2. I and my husband, Clyde Roberts (now deceased) have owned the afore mentioned property since 1966.
3. My residence property has always been fronted by Highway 306 and backed by the Paul Wamble property. Said Wamble property being marked at that time by a barbed wire fence running along the actual Wamble property deed line.
4. Some time in approximately 1970, Paul Wamble gave permission for the boundary fence to be taken down and moved back so that we, neighbors Mr. and Mrs. Lum Parvin, and neighbors W.H. and Evelyn Roberts could use the extra land behind our homes for the purpose of putting in gardens. Mr. Wamble did not give us the land, he merely allowed us to use the land.
5. Neighbor Lum Parvin built a small shed on the Wamble property which backed up to Parvin's lot. When confronted by Clyde Roberts about the shed being on Wamble property, Lum replied: "I know it's Wamble property. That's why I didn't connect that small shed to my larger middle shed."
6. When Bruce Wamble, son of Paul Wamble, discovered the shed, he confronted Lum Parvin about the location. Because Parvin acknowledged that the shed was on Wamble land, the the shed was allowed to stand.
7. Running from the center line of Highway 306, my property extends Northwest by a distance of 189 feet back to the Paul Wamble property line.

Further, affiant sayeth not.
