To Whom It May Concern:

RE: Gibson Road
Township 21 South, Range 1 West, SW ¼ Section 34

This is to advise that the unpaved road at the above referenced location is prescriptive use public road maintained by the Shelby County Highway Department. This involves periodic blading of the road and clearing of the drainage ditches when necessary. This maintenance begins at its intersection of State Highway 25 to roads end. The road has an approximate length of 850 feet.

If additional information is needed, please contact this office.

Yours truly,

A handwritten signature in black ink, appearing to read "Scott Holladay", is written over a horizontal line.

Scott Holladay, P.E.
Chief Civil Engineer
Shelby County
