My name is Harold Pickett and I reside in Calera, Alabama 35115, Shelby County, Alabama and have been familiar with Mary Angeline Fancher and her family for approximately 70 years. I understand that this affidavit is given for purposes of securing clear and marketable title and that Purchaser and the title insurance office are relying on this information for that purpose.

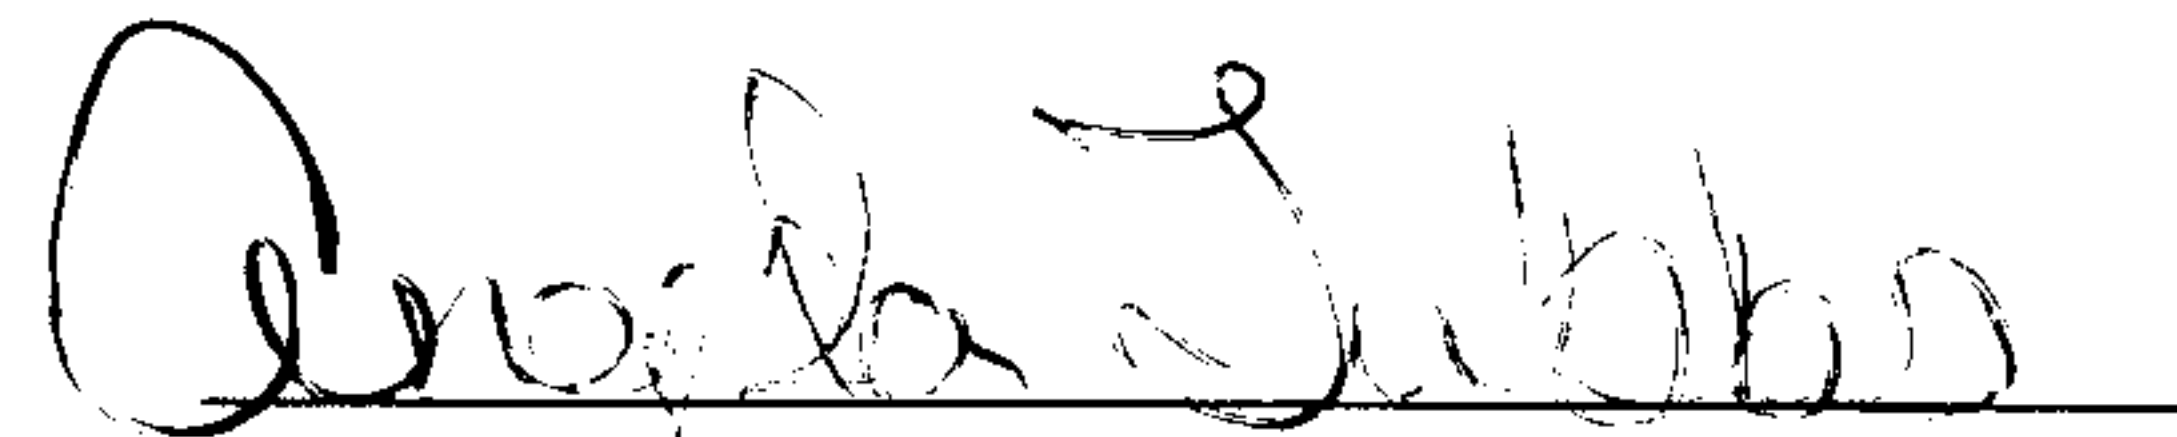

Escar Davis was married to Edna Harrell Davis. Together, from their marriage they produced one child, namely Mary Angeline Davis who upon marriage became Mary Angeline Fancher. During their marriage, Escar and Edna adopted one child, namely Daniel Harrell. Escar and Edna had no other children, natural or adoptive.

In the early 1960's, Escar Davis passed away. He was survived by his wife Edna and the two (2) aforementioned children. I am unfamiliar with whether Escar died with or without a will.

In 2001, Edna passed away and she was survived by the two aforementioned children. Edna was widowed and unmarried at her death and she had no other children except as previously identified.
