

**Notice of Fee Schedule and Remedy for personal protection from
Federal/State/County/City/Municipal/Corporation employees**

I, Eric Glenn of the Family Glenn, a people in the state known as Alabama, am hereby, as a gesture of peace, giving proper notice to the State of Alabama corporation and to the United States corporation and all municipal corporations and other corporations of the following: As a peaceful man desiring to avoid conflict and live lawfully, with all my freedom, I am providing you with this Fee Schedule and Remedy for personal protection from Federal/State/County/City/Municipal/Corporation employees as a courtesy to you and as a remedy should you decide to trespass upon me or my Family. Failure to know or obey any or your thousands of corporate regulations does not constitute a crime absent a victim or damaged property or fraud (CORPUS DELICTI). If you should face a jury, you should know that the jury has the duty to judge the law and the facts and the jury can provide just remedy for the people. In every prosecution for crime it is necessary to establish the "corpus delicti", i.e., the body or elements of the crime." People v. Lopez, "The corpus delicti consists of two elements, namely, (1) the injury or loss or harm; and (2) a criminal agency causing them to exist. People v. Fre

Please note that this self defense Notice of Fee Schedule and Remedy for personal protection from Federal/State/County/City/Municipal/Corporation employees is just and modest and well below the precedent set by Trezevant v City Tampa wherein the damages established were at \$25,000 for 23 minutes of unlawful arrest! This particular remedy calculates to more than 1.5 million per day!

Here is my modest fee schedule for basic trespass to be considered by a lawful jury of the people/freemen. Lawyer fees and other remedies not included in this fee schedule.

United States for the protection of the people on the land known as any of the fifty (50) states which make up the union known as the united states of America. This lawful paper must be honored in any court within any of the fifty (50) states which make up the union known as the united states of America. The United States Supreme Court has stated, 92 US 551: " U.S. v Cruikshank "The people of the United States resident within any State are subject to two Governments: one State , and the other National; but there need be no conflict between the two. The powers which one possesses, the other does not. They are established for different purposes, and have separate jurisdictions. Together they make one whole, and furnish the people of the United States with a complete government, ample for the protection of all their rights at home and abroad. True, it may sometimes happen that a person is amenable to both jurisdictions for one and the same act... It is the natural consequence of a citizenship which owes allegiance to two sovereignties, and claims protection from both. The citizen cannot complain, because he has voluntarily submitted himself to such a form of government."

(This opinion in this case is 100% correct as long as one is referring to " people of the United States ", not I or my woman or my children are of the United States, we are of God.)

Let it be clear that a people is not a person; a person is not a people. True sovereignty is within the people who have all Rights, but citizens on the other hand are subjects, by choice, of the State Government corporations and local Government corporations and Federal Government corporations, in exchange for privileges/rights. Let it be clear that not I or any people of my Family is a person/citizen/employee/subject of any corporation which may under color of Law, act as a Legal Government. Let it be clear that we have only one sovereignty and that sovereignty is God.

LAW OF NATURE.

The law of nature is that which God, the sovereign of the universe, has prescribed to all men, not by any formal promulgation, but by the internal dictate of reason alone. It is discovered by a just consideration of the agreeableness or disagreeableness of human actions to the nature of man; and it comprehends all the duties which we owe either to the Supreme Being, to ourselves, or to our neighbors; as reverence to God, self-defence, temperance, honor to our parents, benevolence to all, a strict adherence to our engagements, gratitude, and the like.

In the Constitution for the United States we find Article the eleventh:

Article the eleventh, Amendment 9: The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people.
