as grantor(s), (the "Grantor", whether one or more) for and in consideration of One and No/100 Dollar (\$1.00) and other good and valuable consideration paid to Grantor in hand by Alabama Power Company, a corporation, the receipt and sufficiency of which are hereby acknowledged, does hereby grant to Alabama Power Company, its successors and assigns (the "Company"), the easements, rights and privileges below.

Overhead and/or Underground. The right from time to time to construct, install, operate and maintain, upon, over, under and across the Property described below, all poles, towers, wires, conduits, fiber optics, cables, communication lines, trans closures, transformers, anchors, guy wires and other facilities useful or necessary in connection therewith (collectively, "Facilities"), for the overhead and/or underground transmission and distribution of electric power and communications, along a route selected by the Company, as generally shown on the Company's drawing attached hereto and made a part hereof, but which is to be determined by the actual location(s) in which the Company's facilities are installed. Grantor hereby grants to the Company all easements, rights and privileges necessary or convenient for the full enjoyment and use thereof, including without limitation the right of ingress and egress to and from said Facilities, as applicable, and the right to excavate for installation, replacement, repair and removal thereof; and also the right to cut, remove and otherwise keep clear any and all structures, obstructions or obstacles of whatever character, on, under and above said Facilities, as applicable.

The easements, rights and privileges granted hereby shall apply to, and the word "Property" as used in this instrument shall mean, the following described real property situated in the above named county in Alabama, (the "Property"). See Exhibit "A" attached hereto and made a part hereof:

In the event it becomes necessary or desirable for the Company from time to time to move any of the Facilities in connection with the construction or improvement of any public road or highway in proximity to the Facilities, Grantor hereby grants to the Company the right to relocate the Facilities and, as to such relocated Facilities, to exercise the rights granted above; provided, however, the Company shall not relocate said Facilities on the Property at a distance greater than ten feet (10') outside the boundary of the right of way of any such public road or highway as established or re-established from time to time.
