

**AFFIDAVIT OF COMMON LAW MARRIAGE**

I, Robert Sherman Nix III, a resident of Shelby County, State of Alabama,

Hereby acknowledge and state that Leigh McFall Cantrell (also known as Leigh Cantrell Nix) is my common law spouse. Although we have not participated in a regular marriage ceremony, we have considered ourselves to be married since April 1996/Oct 3<sup>2013</sup>. At that time, we were each of legal age to marry and neither of us was believed by us to be married to another person. We have cohabited as husband and wife since that time. We hold ourselves out to the public as a married couple, and are publicly recognized as being married.

I understand that a determination that a common law marriage exists may confer certain legal rights and responsibilities on me and my common law spouse, Leigh McFall Cantrell/Nix. I understand that if this application for affidavit of common law marriage is approved, marriage rights and responsibilities cannot be terminated during my marriage except upon proof of divorce. I understand that marriage rights and responsibilities cannot be obtained for another spouse of mine (common law or otherwise) without proof of divorce.

I have read the foregoing and I understand it, and certify that it is true and correct.
