WHEREAS, Licensor is using a portion of such strip of land pursuant to such easement and has erected thereon an electric transmission line; and

NOW THEREFORE, in consideration of the premises, it is hereby agreed and covenanted between the parties hereto as follows:

Licensor hereby expressly gives its consent and permission to Licensee that such encroachment may remain upon such strip of land subject to the terms of this agreement.

Licensee will at all times hereafter indemnify, protect and save Licensor harmless from any and all claims, loss, damage, expense and liability which Licensor may incur, suffer or be subjected to resulting from or arising out of the construction, maintenance, use or presence of the encroachment of Licensee upon that portion of Licensor's easement affected by the encroachment; unless such injury (including death) or damage is proximately caused by the intentional misconduct of Licensor and/or sole negligence of Licensor.

Licensee agrees and covenants that neither by the occupancy of such portion of such strip of land with such encroachment, nor in any other way, is Licensee claiming: (1) adversely to Licensor in its ownership of such easement; (2) the right to maintain such encroachment on such strip of land, but that the maintenance of such encroachment by Licensee is with the recognition of the superior easement of Licensor.

Licensee further agrees and covenants that Licensee will, within ninety (90) days from the date of a written notice given Licensee by Licensor, remove such encroachment from such strip of land.

Notice herein referred to shall be deemed to be given by Licensor if the same is in writing and addressed at 188 Appleford Road, Helena, AL. 35080 and posted in the United States mail with postage prepaid. In the event Licensee should fail, within said ninety (90) days after such notice is so mailed, to

remove such encroachment, Licenser is hereby given express privilege, power and authority as agent for Licensee, to remove the same or any part thereof without any liability to Licensee which may accrue on account of any loss thereby sustained. Licensee agrees and covenants that in such event, Licensee will reimburse Licenser for the reasonable removal expense incurred thereby promptly upon bill being rendered for the same. In the event such sum is not so paid within thirty (30) days thereafter, it shall bear interest until paid at the then prime rate.

Licensee agrees to obtain all necessary rights from the owners of the lands crossed by Licenser's easement in the event Licensee does not own the lands and rights.

All the undertakings and covenants contained herein are to be construed as covenants which run with the land and shall be binding upon and enforceable against the respective successors, heirs or assigns of the parties hereto.

Wherever in this agreement the term Licenser or Licensee is used, it shall be deemed to include their respective successors, heirs or assigns.

IN WITNESS WHEREOF, the parties hereto have executed this instrument and affixed their seals on this the 24th day of September, 2013
