TO HAVE AND TO HOLD unto Lender, its successors and assigns, forever, subject to and upon the terms set forth herein.

Although this instrument constitutes a present assignment of the foregoing Leases, Rights, Rents, Guaranties, Damages, interests and privileges, Borrower shall have the right and license to collect and use all rentals due under the Leases, and subject to the covenants and restrictions on Borrower contained in Section III and the other paragraphs of this instrument, to exercise the rights and privileges herein, provided, herein, that such license shall be revoked during the pendency of an Event of Default (as herein defined).

III. COVENANTS

3.1 **No Other Assignment.** Borrower warrants, represents, and covenants that it is the sole owner of the entire lessor's interest in the Leases and has full right to assign the Leases and the rents due or to become due thereunder, that there has been no previous and, without Lender's prior written consent as to form and substance, Borrower will permit no future assignment (as collateral or otherwise) of the Borrower's right, title, and interest in any of the Leases, that the Leases are in full force and effect in accordance with their terms and have not been altered, modified, or amended in any manner whatsoever, except as otherwise disclosed to Lender, that, to the best of Borrower's knowledge, the lessees are not in default under the Leases and the best of Borrower's knowledge as of the date hereof, have no defenses, setoffs, or counterclaim against the lessor under the Leases, that no rent reserved in the Leases has been assigned or anticipated, and that no rent for any period subsequent to the date hereof has been collected for more than one (1) month in advance of the time when the said rent becomes or would become due under the terms of the Leases except for security deposits and except as otherwise disclosed in writing to Lender by Borrower.

3.2 **Management.** At all times until this Assignment is released, or until the assignment granted hereby is exercised by Lender, and at all times thereafter during which Lender is not in actual or constructive possession of the Property, Borrower shall use all reasonable effort to cause the Property to be managed in accordance with sound business practices and cause to be performed all obligations imposed upon the lessor under the Leases and not do or permit to be done anything to impair the security thereof. Borrower shall not, within the exercise of all reasonable effort, permit any of the Rents to be collected in advance, except that monthly rent due and payable under the Leases may be collected for each current month in advance. Except as otherwise permitted in the Loan Agreement (if applicable), Borrower shall not terminate or alter, modify, amend, or change in any material manner any of the terms of any of the Leases or the Guaranties, or give any consent, concession, or waiver under any of the Leases, or exercise any option available to the lessor under the Leases in the event of casualty damage or condemnation affecting the Property, or accept the surrender thereof or consent to any assignment or subletting under any of the Leases, or convey or transfer or suffer or permit a conveyance or transfer of the premises demised by any or all of the Leases or of any interest therein so as to effect directly or indirectly, promptly or remotely, a merger of the estates and rights of, or a termination or elimination of, the obligations of lessees thereunder, without the prior written consent of the Lender, which consent will not be unreasonably withheld or delayed. Borrower shall not make any other assignment of any interest in the Leases or the Rents accruing from such Leases or from the Property, or subordinate any of the Leases or any security deed, mortgage, or other encumbrance, or permit (within the exercise of all reasonable effort), consent, or agree to such subordination without the prior written consent of the Lender, which consent will not be unreasonably withheld. Subject to Borrower's sound business judgment exercised in good faith, Borrower shall cause prompt action, including legal proceedings, for enforcement of any of the Leases and all other remedies available to lessor thereunder to be commenced against any delinquent or defaulting lessee as soon as reasonably necessary to protect such lessor's interest or

immediately upon written request from Lender, and in the event Lender reasonably requests that such a specific action be taken, to use all reasonable efforts to cause such action to be taken promptly. Borrower shall, but only at the discretion of Lender, give any consent of lessor under any of the Leases, or exercise any option available to lessor under any of the Leases in the event of casualty or condemnation affecting the Property. Borrower shall execute and deliver, at the reasonable written request of Lender, all such further assurances and assignments as Lender from time to time shall require.

3.3 **Notice of Lessor's Default.** Borrower shall cause notice to be given to Lender of any notice of default by the lessor under any of the Leases, which default is of a nature which would permit such lessee to terminate such lessee's lease, promptly upon the receipt of notice of such default, but in all events in sufficient time to afford to Lender an opportunity to cure any such default prior to the lessee under the subject lease having any right to terminate the lease by reason of such default.

3.4 **Lender to be Creditor of Lessee.** To the extent permitted by law, Lender shall be deemed to be the creditor of each lessee in the Leases with respect of any and all claims for Damages, assignments for the benefit of creditors and bankruptcy, reorganization, insolvency, dissolution or receivership proceedings affecting such lessee (without obligation on the part of Lender, however, to file or make timely filings of claims in such proceedings or otherwise to pursue creditor's rights therein). Borrower hereby assigns to Lender any and all Damages and any and all money received in connection with such assignment for the benefit of creditors or in any such bankruptcy, reorganization, insolvency, dissolution or receivership proceedings, with Lender to receive such Damages and monies and hold them in escrow for the purposes of applying Damages or any money received by Lender as such creditor in payment of the principal and interest installments secured by or to be paid under the Loan next falling due. To the extent permitted by law, Borrower hereby appoints Lender as its irrevocable attorney-in-fact to appear in any action and/or collect any such money, award or payment.

IV. DEFAULTS AND REMEDIES

4.1 **Defaults.** The occurrence of an Event of Default under the Loan Agreement (if applicable) or any of the other Loan Documents shall constitute an Event of Default hereunder.

4.2 **Exercise of This Assignment of Leases and Rents.**

(a) Lender may exercise the assignment hereby granted upon the occurrence and during the continuation of any Event of Default and pursue its rights to collect the Rents or manage the Property, or both, and otherwise exercise its rights as provided in this Assignment without regard to the adequacy of the security and without waiving any other remedy available to Lender and without waiving such Event of Default.

(b) In the event Lender elects to invoke any of its rights hereunder, and thereafter for any reason relinquishes to the Borrower such rights, this Assignment shall in no respect be terminated but instead remain in full force and effect until the indebtedness represented by the Note is paid in full, it being the intent of the parties that Lender, from time to time upon the occurrence of any Event of Default under this Assignment, which such Event of Default is continuing shall have all the rights granted hereby.

4.3 **Nature of Remedies.** No delay or omission on the part of Lender in the exercise of any remedy for an Event of Default shall operate as a waiver thereof. The remedies available to Lender under this Assignment shall be in addition to, and exercisable in any combination with, any and all remedies

available by operation of law and under the Note and the other Loan Documents. The said remedies shall be cumulative and concurrent, may be pursued separately, successively or together against Borrower or the Property, or either of them, at the sole discretion of Lender and may be exercised as often as occasion therefor shall arise.

4.4 **Application of Rents.** Lender shall have the power to apply the Rents and Damages, in such order as lender may reasonably determine, to the payment of the indebtedness (in the inverse order of maturity) represented by the Note to the payment of the Loan Documents, including without limitation the payment of all advances and reasonable expenses incurred by Lender under the Mortgage and all reasonable expenses for the care and management of the Property, including taxes, insurance, assessments, usual and customary commissions to a real estate broker for leasing real estate and collecting rents, and the reasonable expenses and fees of all attorneys, agents, and servants, which expenses Lender may reasonably deem to be necessary to exercise the powers granted to the Lender hereunder. The receipt by Lender of any Rents pursuant to this Assignment following an Event of Default and the exercise of any remedies provided for in the Note or the other Loan Documents shall not cure such Event of Default or affect or prejudice the exercise of such remedies.

4.5 **Limitation of Lender's Obligations.** Lender's obligations as to any Rents actually collected shall be discharged by application of such Rents for the purposes described in this Assignment. Lender shall not be liable for uncollected rents or for any claim for damages or set-offs arising out of Lender's management of the Property other than for damages arising from Lender's gross negligence or willful misconduct. Lender shall not be liable to any lessee under the Leases for the return of any security deposit made under any lease of any portion of the Property unless Lender shall have received such security deposit from the lessor or such lessee. Lender shall not by reason of this Assignment or the exercise of any right granted herein be obligated to perform any obligation of the lessor or any breach or failure to perform by the lessor with respect to any of the Leases. Nothing contained herein shall be deemed to have the effect of making the Lender a mortgagee in possession of the Property or any part thereof.

4.6 **Reimbursement.** Borrower shall reimburse, indemnify, and hold harmless Lender for and from any and all reasonable expenses, losses, damages, and liabilities which Lender may incur by reason of this Assignment, except for any such caused by Lender's gross negligence or willful misconduct, any of the Leases, or reasonable expenses, losses, damages, and liabilities incurred in exercising any of the rights granted in this Assignment other than for Lender's gross negligence or wilful misconduct. Any and all amount due to Lender under this Section 4.6 shall be immediately due and payable following written notice to Borrower, and shall be added to the principal amount of the Note and secured by this Assignment and the other Loan Documents.

4.7 **Authorization to Lessees.** Each present and future lessee under any of the Leases is hereby authorized and directed to pay the rent payable thereunder to Lender upon written demand from Lender stating that an Event of Default has occurred and is continuing under this Assignment without inquiry as to whether any such Event of Default has occurred or whether Lender is rightfully entitled to such rent.
