**PAYMENT AND PERFORMANCE.** Except as otherwise provided in this Assignment or any Related Documents, Grantor shall pay to Lender all amounts secured by this Assignment as they become due, and shall strictly perform all of Grantor's obligations under this Assignment. Unless and until Lender exercises its right to collect the Rents as provided below and so long as there is no default under this Assignment, Grantor may remain in possession and control of and operate and manage the Property and collect the Rents, provided that the granting of the right to collect the Rents shall not constitute Lender's consent to the use of cash collateral in a bankruptcy proceeding.

**GRANTOR'S REPRESENTATIONS AND WARRANTIES.** Grantor warrants that:

**Ownership.** Grantor is entitled to receive the Rents free and clear of all rights, loans, liens, encumbrances, and claims except as disclosed to and accepted by Lender in writing.

**Right to Assign.** Grantor has the full right, power and authority to enter into this Assignment and to assign and convey the Rents to Lender.

**No Prior Assignment.** Grantor has not previously assigned or conveyed the Rents to any other person by any instrument now in force.

**No Further Transfer.** Grantor will not sell, assign, encumber, or otherwise dispose of any of Grantor's rights in the Rents except as provided in this Assignment.

**LENDER'S RIGHT TO RECEIVE AND COLLECT RENTS.** Lender shall have the right at any time, and even though no default shall have occurred under this Assignment, to collect and receive the Rents. For this purpose, Lender is hereby given and granted the following rights, powers and authority:

**Notice to Tenants.** Lender may send notices to any and all tenants of the Property advising them of this Assignment and directing all Rents to be paid directly to Lender or Lender's agent.

**Enter the Property.** Lender may enter upon and take possession of the Property; demand, collect and receive from the tenants or from any other persons liable therefor, all of the Rents; institute and carry on all legal proceedings necessary for the protection of the Property, including such proceedings as may be necessary to recover possession of the Property; collect the Rents and remove any tenant or tenants or other persons from the Property.

**Maintain the Property.** Lender may enter upon the Property to maintain the Property and keep the same in repair; to pay the costs thereof and of all services of all employees, including their equipment, and of all continuing costs and expenses of maintaining the Property in proper repair and condition, and also to pay all taxes, assessments and water utilities, and the premiums on fire and other insurance effected by Lender on the Property.

**Compliance with Laws.** Lender may do any and all things to execute and comply with the laws of the State of Alabama and also all other laws, rules, orders, ordinances and requirements of all other governmental agencies affecting the Property.

**Lease the Property.** Lender may rent or lease the whole or any part of the Property for such term or terms and on such conditions as Lender may deem appropriate.

**Employ Agents.** Lender may engage such agent or agents as Lender may deem appropriate, either in Lender's name or in Grantor's name, to rent and manage the Property, including the collection and application of Rents.

**Other Acts.** Lender may do all such other things and acts with respect to the Property as Lender may deem appropriate and may act exclusively and solely in the place and stead of Grantor and to have all of the powers of Grantor for the purposes stated above.

**No Requirement to Act.** Lender shall not be required to do any of the foregoing acts or things, and the fact that Lender shall have performed one or more of the foregoing acts or things shall not require Lender to do any other specific act or thing.

**APPLICATION OF RENTS.** All costs and expenses incurred by Lender in connection with the Property shall be for Grantor's account and Lender may pay such costs and expenses from the Rents. Lender, in its sole discretion, shall determine the application of any and all Rents received by it; however, any such Rents received by Lender which are not applied to such costs and expenses shall be applied to the indebtedness. All expenditures made by Lender under this Assignment and not reimbursed from the Rents shall become a part of the indebtedness secured by this Assignment, and shall be payable on demand, with interest at the Note rate from date of expenditure until paid.

**FULL PERFORMANCE.** If Grantor pays all of the indebtedness when due and otherwise performs all the obligations imposed upon Grantor under this Assignment, the Note, and the Related Documents, Lender shall execute and deliver to Grantor a suitable satisfaction of this Assignment and suitable statements of termination of any financing statement on file evidencing Lender's security interest in the Rents and the Property. Any termination fee required by law shall be paid by Grantor, if permitted by applicable law.

**LENDER'S EXPENDITURES.** If Grantor fails (A) to keep the Property free of all taxes, liens, security interests, encumbrances, and other claims, (B) to provide any required insurance on the Property, or (C) to make repairs to the Property then Lender may do so. If any action or

(Continued)**

proceeding is commenced that would materially affect Lender's interests in the Property, then Lender on Grantor's behalf may, but is not required to, take any action that Lender believes to be appropriate to protect Lender's interests. All expenses incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note, or the maximum rate permitted by law, whichever is less, from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Assignment also will secure payment of these amounts. The rights provided for in this paragraph shall be in addition to any other rights or any remedies to which Lender may be entitled on account of any default. Any such action by Lender shall not be construed as curing the default so as to bar Lender from any remedy that it otherwise would have had.

**DEFAULT.** At Lender's option, Grantor will be in default under this Assignment if any of the following happen:

**Payment Default.** Grantor fails to make any payment when due under the Indebtedness.

**Default on Other Payments.** Failure of Grantor within the time required by this Assignment to make any payment for taxes or insurance, or any other payment necessary to prevent filing of or to effect discharge of any lien.

**False Statements.** Any representation or statement made or furnished to Lender by Grantor or on Grantor's behalf under this Assignment or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished.

**Defective Collateralization.** This Assignment or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

**Death or Insolvency.** The death of Grantor, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

**Taking of the Property.** Any creditor or governmental agency tries to take any of the Property or any other of Grantor's property in which Lender has a lien. This includes taking of, garnishing of or levying on Grantor's accounts with Lender. However, if Grantor disputes in good faith whether the claim on which the taking of the Property is based is valid or reasonable, and if Grantor gives Lender written notice of the claim and furnishes Lender with monies or a surety bond satisfactory to Lender to satisfy the claim, then this default provision will not apply.

**Property Damage or Loss.** The Property is lost, stolen, substantially damaged, sold, or borrowed against.

**Events Affecting Guarantor.** Any of the preceding events occurs with respect to any guarantor, endorser, surety, or accommodation party of any of the Indebtedness or any guarantor, endorser, surety, or accommodation party dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

**Insecurity.** Lender in good faith believes itself insecure.

**RIGHTS AND REMEDIES ON DEFAULT.** Upon the occurrence of any Event of Default and at any time thereafter, Lender may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

**Accelerate Indebtedness.** Lender shall have the right at its option without notice to Grantor to declare the entire Indebtedness immediately due and payable, including any prepayment penalty that Grantor would be required to pay.

**Collect Rents.** Lender shall have the right, without notice to Grantor, to take possession of the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender shall have all the rights provided for in the Lender's Right to Receive and Collect Rents Section, above. If the Rents are collected by Lender, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

**Appoint Receiver.** Lender shall have the right to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

**Other Remedies.** Lender shall have all other rights and remedies provided in this Assignment or the Note or by law.

**Election of Remedies.** All of Lender's rights and remedies will be cumulative and may be exercised alone or together. An election by Lender to choose any one remedy will not bar Lender from using any other remedy. If Lender decides to spend money or to perform any of Grantor's obligations under this Assignment, after Grantor's failure to do so, that decision by Lender will not affect Lender's right to declare Grantor in default and to exercise Lender's remedies.

**Attorneys' Fees; Expenses.** If Lender institutes any suit or action to enforce any of the terms of this Assignment, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest at the Note rate from the date of the expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's reasonable attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including reasonable attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees, title insurance, and fees for the Trustee, to the extent permitted by applicable law. Grantor also will pay any court costs, in addition to all other sums provided by law. Grantor agrees to pay reasonable attorneys' fees to Lender in connection with closing, amending, or modifying the loan. In addition, if this Assignment is subject to Section 5-19-10, Code of Alabama, as amended, any reasonable attorneys' fees provided for in this Assignment shall not exceed fifteen percent (15%) of the unpaid debt after default and referral to an attorney who is not Lender's salaried employee.

**MISCELLANEOUS PROVISIONS.** The following miscellaneous provisions are a part of this Assignment:

**Amendments.** What is written in this Assignment and in the Related Documents is Grantor's entire agreement with Lender concerning the matters covered by this Assignment. To be effective, any change or amendment to this Assignment must be in writing and must be signed by whoever will be bound or obligated by the change or amendment.

**Caption Headings.** Caption headings in this Assignment are for convenience purposes only and are not to be used to interpret or define the provisions of this Assignment.

**Governing Law.** This Assignment will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Alabama without regard to its conflicts of law provisions. This Assignment has been accepted by Lender in the State of Alabama.

**Choice of Venue.** If there is a lawsuit, Grantor agrees upon Lender's request to submit to the jurisdiction of the courts of Shelby County, State of Alabama.

**Joint and Several Liability.** All obligations of Grantor under this Assignment shall be joint and several, and all references to Grantor shall mean each and every Grantor. This means that each Grantor signing below is responsible for all obligations in this Assignment.

**Merger.** There shall be no merger of the interest or estate created by this assignment with any other interest or estate in the Property at any time held by or for the benefit of Lender in any capacity, without the written consent of Lender.

**Interpretation.** (1) In all cases where there is more than one Borrower or Grantor, then all words used in this Assignment in the singular shall be deemed to have been used in the plural where the context and construction so require. (2) If more than one person signs this Assignment as "Grantor," the obligations of each Grantor are joint and several. This means that if Lender brings a lawsuit, Lender may sue any one or more of the Grantors. If Borrower and Grantor are not the same person, Lender need not sue Borrower first, and that Borrower need not be joined in any lawsuit. (3) The names given to paragraphs or sections in this Assignment are for convenience purposes only. They are not to be used to interpret or define the provisions of this Assignment.

**No Waiver by Lender.** Grantor understands Lender will not give up any of Lender's rights under this Assignment unless Lender does so in writing. The fact that Lender delays or omits to exercise any right will not mean that Lender has given up that right. If Lender does agree in writing to give up one of Lender's rights, that does not mean Grantor will not have to comply with the other provisions of this Assignment. Grantor also understands that if Lender does consent to a request, that does not mean that Grantor will not have to get Lender's consent again if the situation happens again. Grantor further understands that just because Lender consents to one or more of Grantor's requests, that does not mean Lender will be required to consent to any of Grantor's future requests. Grantor waives presentment, demand for payment, protest, and notice of dishonor.

**Notices.** Any notice required to be given under this Assignment shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Assignment. Any person may change his or her address for notices under this Assignment by giving formal written notice to the other person or persons, specifying that the purpose of the notice is to change the person's address. For notice purposes, Grantor agrees to keep Lender informed at all times of Grantor's current address. Unless otherwise provided or required by law, if there is more than one Grantor, any notice given by Lender to any Grantor is deemed to be notice given to all Grantors. It will be Grantor's responsibility to tell the others of the notice from Lender.

**Powers of Attorney.** The various agencies and powers of attorney conveyed on Lender under this Assignment are granted for purposes of security and may not be revoked by Grantor until such time as the same are renounced by Lender.

**Severability.** If a court finds that any provision of this Assignment is not valid or should not be enforced, that fact by itself will not mean that the rest of this Assignment will not be valid or enforced. Therefore, a court will enforce the rest of the provisions of this Assignment even if a provision of this Assignment may be found to be invalid or unenforceable.

**Successors and Assigns.** Subject to any limitations stated in this Assignment on transfer of Grantor's interest, this Assignment shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Property becomes vested in a person other than Grantor, Lender, without notice to Grantor, may deal with Grantor's successors with reference to this Assignment and the indebtedness by way of forbearance or extension without releasing Grantor from the obligations of this Assignment or liability under the indebtedness.

**Time is of the Essence.** Time is of the essence in the performance of this Assignment.

**Waiver of Homestead Exemption.** Grantor hereby releases and waives all rights and benefits of the homestead exemption laws of the State of Alabama as to all indebtedness secured by this Assignment.
