This Power of Attorney shall become effective upon my execution of it. This Power of Attorney shall not be affected by the disability, incompetency, or incapacity of the principal. Determination of incapacity shall be based upon the provisions and directions of the following paragraph:

For all purposes under this Power of Attorney, a person shall be deemed "incapacitated" if and so long as (i) a court of competent jurisdiction has made a finding to that effect or a guardian or conservator of the person, or estate of any person, duly appointed by a court of competent jurisdiction is serving; (ii) upon certification by two licensed physicians a person is unable to take appropriate action with regard to a person's property and affairs enumerated in this document, which certification shall be made by each physician in a written declaration under penalty of perjury; or (iii) a person's unavailability for a period of not less than six months when a person's whereabouts are unknown and it is not known whether a person is dead or alive. If this original document or a duplicate original is recorded, a certified copy of the decree declaring incapacity or appointing a guardian or conservator or the physicians' certificate(s) shall be recorded in the same county or counties as this original or duplicate original document.

I appoint my Agent to act in my name, place and stead in any way which I myself could do, if I were personally present, (to the extent I am permitted to act through an agent) with respect to the powers as indicated in my Power of Attorney, consisting of two (2) Articles, with the

understanding that they will be used for my benefit and on my behalf and will be exercised only in a fiduciary capacity.

My Agent may accept, receive, receipt for, assign, release, pledge, exchange, sell or consent to a reduction in or modification of a share in or payment from the fund.

**b. Disclaim**

My Agent is authorized to execute and deliver a disclaimer as defined under Internal Revenue Code Section 2518, as amended, and the law of this state dealing with disclaimers.

**c. Trust Withdrawal Rights**

My Agent is authorized to exercise on my behalf and benefit any annual withdrawal rights from trusts that are limited to the greater of \$5,000 or five percent of such trust assets (or such other amounts as set forth in Sections 2514(e) and 2041(b)(2) of the Code), and to take possession of and use or distribute such withdrawn property to or for my benefit. My Agent shall also have the right to allow such withdrawal rights to lapse, if my Agent believes such lapse is in my best interest, and well as the interests of the creator and other beneficiaries of such trust.

My Agent shall have the power to establish any trust with my assets for my benefit and the benefit of my issue and any other of my dependents, or one or more of us, upon such terms as my Agent determines are necessary or proper after due consideration of the estate plan I have in place and of my known desires;

transfer any asset in which I have an interest to any such trust or to any such trust that I have created; and exercise in whole or in part, release, or let lapse any power I may have as an individual and not as a fiduciary under any trust whether or not created by me. My Agent may be Trustee of any trust established by my Agent.

**b. Amend, Revoke or Exercise Powers Over Existing Trusts**

I give my Agent the power to amend, revoke and/or exercise any and all other powers I could exercise under the terms of any trust of which I am a Trustor.

**Section 13. Resignation From Fiduciary Positions**

My Agent shall have the power to resign from any fiduciary position to which I have been or may be in the future named, appointed, nominated, or elected, including by way of illustration, but not of restriction, the positions of executor, administrator, personal representative, trustee, agent, guardian, director or officer of a corporation, or governmental position or office; and to take whatever steps are necessary to accomplish such resignation, for example, by rendering an accounting or appearing in court to receive approval for such action, as appropriate.

**Section 14. Government Benefits**

My Agent shall have the powers listed in this Section and such powers shall be exercisable equally with respect to benefits from social security, Medicare, Medicaid, Supplemental Security Income, in-home support services, or other governmental programs, or civil or military service, existing when my Power of Attorney was executed or accruing thereafter, whether existing or accruing in this state or elsewhere.

**a. Long Term Care Planning Authority**

My Agent is authorized to engage in government assistance planning, including, but not limited to, the power and authority to receive assets transferred back to me from the trust estate of my revocable living trust, if any; make home improvements and additions to my family residence; pay off, partly or in full, the encumbrance, if any, on my family residence; purchase a family residence, if I do not own one; purchase a more expensive family residence; purchase an annuity under the guidelines provided by Health Care Financing Administration ("HCFA") Transmittal No. 64 or any successor guidelines issued by the Health Care Financing Administration or similar government agency; make gifts as provided under Section 15 of this Article; make payments under any care contract which my Agent has negotiated on my behalf; and make payments as part of a "spend-down" program instituted by my Agent on my behalf. In exercising the powers under this Subsection, my Agent shall take into consideration that my primary concern shall be for the mutual welfare of myself and my spouse, if I have one then living, and all government assistance planning shall be of secondary importance to such welfare.

**b. Acknowledgement of Intent to Return to Any Residence**

My Agent may sign on my behalf any document necessary to reflect my intention to return to my residence after any incapacity or other condition which prevents me from currently residing in such residence.

**c. Execution of Vouchers**

My Agent may execute vouchers in my name for allowances and reimbursements payable to me by the United States or a foreign government or by a state or subdivision of a state, including allowances and reimbursements for my transportation and transportation for any persons customarily or legally entitled to my support, and for shipment of my household effects.

**d. Benefits**

My Agent may prepare, file, and prosecute my claim to a benefit or assistance, financial or otherwise, to which I claim to be entitled under a statute or governmental regulation. Furthermore, my Agent may prosecute, defend, submit to arbitration, settle, and propose or accept a compromise with respect to any benefits I may be entitled to receive, and upon receipt of the financial proceeds of such claim, conserve, invest, disburse, or otherwise dispose of it.

**Section 15. Power to Make Gifts**

**a. General Gift Authority**

My Agent is authorized to make gifts, grants, or other transfers without consideration, either outright or in trust, for any legitimate estate planning purpose, to or for my benefit, the benefit of my spouse and my descendants, or charitable organizations (including, without limitation, any Private Charitable Foundation, Charitable Remainder Trust, or Charitable Lead Trust established by me, as well as any public charity). Such gifts may include the forgiveness of indebtedness, the completion of any charitable pledges I have made, and the direct payment of tuition and medical care for the benefit of any such persons pursuant to the provisions of Section 2503(e) of the Internal Revenue Code, as amended. Such gifts may be made in cash, in kind, or partly in each on a pro rata or non-pro rata basis. If any gifts are made to any individuals, then such gifts shall be made equally to all descendants of the same generation. For example, if a gift is made to my child or grandchild, as the case may be, then a similar gift or gifts of the same amount must be made to each of my then living children or grandchildren, as the case may be.

**b. Deathbed Gifts**

Without limiting my Agent's authority to make gifts under Subsection a. above, if my Agent determines that (i) I am terminally ill and it is unlikely that I will live,

and (ii) my estate is or may be subject to estate taxes (or other inheritance, succession, or other taxes due by reason of my death), then my Agent may make gifts up to the full amount of the federal gift tax annual exclusion amount under Internal Revenue Code Section 2503(b), as amended, taking into account, if I am married at such time, the amount that may be given by either me or my spouse, if I have one, from my separate property, if any, if my spouse, if I have one, is willing and able to sign a consent to split the gift pursuant to Section 2513 of the Internal Revenue Code, as amended (hereinafter referred to as "deathbed gifts").

#### **1. Permissible Donees**

My Agent is authorized to make deathbed gifts to the following individuals: (i) First, to my then living children; provided, however, that if sufficient funds or suitable assets are not available to make the full amount of such gifts to all of my said children, then the funds or assets that are available shall be apportioned equally among said children; (ii) Second, if there are sufficient funds or suitable assets remaining after making the foregoing gifts to my then living children, then out of the remaining funds or assets, gifts shall be made to the then living children of my said children (i.e., my grandchildren), in equal shares, per capita and not per stirpes or by right of representation; provided, however, that if sufficient funds or suitable assets are not available to make the full amount of such gifts to all of such grandchildren, then the funds or assets that are available shall be apportioned equally among said grandchildren. I request that my Agent take all action reasonably necessary to insure that the deathbed gifts authorized hereunder are completed for federal gift tax purposes prior to my death, including making gifts by wire transfer, electronic funds transfer, or other method that is reasonably calculated to complete such gifts. If I am in an irreversible coma or vegetative state and my life is being prolonged solely by artificial means under circumstances where the timing of death may be subject to the control of my Health Care Agent, the Conservator of my person, or other legal representative, then I request that my Agent confer with such Health Care Agent, Conservator, or legal representative concerning the timing of such gifts in relation to the timing of my death.

#### **2. Effect on Testamentary Plan**

It is my desire that my Agent make such deathbed gifts in order to save estate taxes (or other inheritance, succession, or other taxes due by reason of my death) even if doing so is inconsistent with my testamentary plan. For example, if my Will or Trust Agreement provides for distribution of my estate to my children in equal shares upon my death, it is my desire that my Agent include my grandchildren in such deathbed gifts if estate taxes (or other

inheritance, succession, or other taxes due by reason of my death) could thereby be reduced, even if the effect would be to reduce the amounts passing to my children at my death or shift the total amount passing to each line of descent.

**c. Limitation on Gifts to Agent**

Notwithstanding the provisions of Subsections a. and b. above, any gifts my Agent is authorized to make to himself or herself, or for his or her benefit, either directly or indirectly, including the discharge of his or her legal obligations, shall be limited to the greater of (i) five thousand dollars, or (ii) five percent of the estate over which my Agent has control during any calendar year, or such other amount as set forth by Sections 2514(e) or 2041(b)(2) of the Code. Such power shall be non-cumulative and shall lapse at the end of each calendar year; provided, however, that gifts to my Agent may exceed such limitation if any one of the following conditions is met: (i) I have named a Special Co-Trustee under my Trust Agreement and such Special Co-Trustee consents in writing to the gift to such Agent, (ii) my then living adult children (other than my Agent) unanimously consent in writing to the gift to such Agent, or (iii) court approval of the gift to the Agent is obtained on petition by the Agent or any other interested person pursuant to state law.

**d. Income Tax Effects**

In making gifts hereunder, my Agent may, but shall not be required to, consider the income tax effects of making a gift of any asset the income tax basis of which differs from the fair market value, including the possibility of a step-up in basis at the death of one or both of us pursuant to Internal Revenue Code Section 1014, as amended. In that regard, my Agent shall have the discretion to determine whether the estate tax savings of making such gifts outweighs the income tax consequences.

**e. Gifts are Discretionary**

My Agent shall have the sole discretion to determine whether and to what extent to make gifts hereunder; provided, however, that, except as otherwise provided above in Subsection b., it is my desire that the donees of each generation be treated equally. Nothing stated herein shall be construed to require my Agent to make any gifts and my Agent shall not be liable to any person for failing to make any gifts authorized hereunder, or for the manner in which such gifts are made, except for his or her bad faith, willful misconduct, or gross negligence, including, without limitation, the death tax or income tax consequences to our estates, beneficiaries, or heirs at law. My Agent shall be held free and harmless from any such liability, loss, cost, or expense, including reasonable attorney's fees, arising from my Agent's acts or omissions in connection with making any gifts permitted under this Section.

**f. Payments to or for Benefit of Minors**

## Article Two - General Provisions

### Section 1. Explanation of Power of Attorney for Property Management

I understand that this Durable Power of Attorney for Property Management is an important legal document. Before I executed this document, my lawyer explained to me the following:

- a. This document provides my Agent with broad powers to dispose of, sell, convey and encumber my real and personal property.
- b. The powers granted in my Power of Attorney will exist for an indefinite period of time unless I limit their duration by the terms herein or revoke the Power of Attorney. I understand the powers granted under my Power of Attorney will continue to exist notwithstanding my subsequent disability or incapacity.
- c. I have the right to revoke or terminate my Power of Attorney at any time.

### Section 2. Reliance on the Power of Attorney by Third Parties

To induce third parties to act in accordance with the powers granted to my Agent under my Power of Attorney I represent and warrant that:

- a. If my Power of Attorney is revoked or amended for any reason, I, my estate, my heirs, successors and assigns will hold any third party harmless from any loss suffered or liability incurred by the third party in acting in accordance with this document before the third party's receipt of written notice of termination or amendment.
- b. The powers conferred on my Agent may be exercised only by my Agent and my Agent's signature or act under the authority granted in this document may be accepted by third parties as fully authorized by me and with the same force and effect as if I were personally present, competent and acting on my own behalf.
- c. No person who acts in reliance upon any representation of my Agent as to the scope of my Agent's authority granted under this document shall incur any liability to me, my estate, my heirs, successors or assigns for permitting my Agent to exercise any such power nor shall any person who deals with my Agent be responsible to determine or ensure the proper application of funds or property.
- d. All third parties from whom my Agent may request information regarding my personal affairs or my physical or mental health including medical,

dental and hospital records are hereby authorized to provide such information to my Agent without limitation and are released from any legal liability whatsoever to me, my estate, my heirs, successors or assigns for complying with those requests. I authorize in advance all physicians, dentists, psychiatrists and psychologists who have treated me and all other providers of health care including hospitals to release to my Agent all information or photocopies of any records that my Agent may request. If I am able to confirm this authorization at the time of the request third parties may seek such confirmation from me, but this authorization shall not be conditional on that confirmation. Physicians, hospitals and other providers of health care shall treat the request of my Agent as that of a legal representative of an incompetent patient and shall honor that request on that basis. I waive any privilege applicable to such information and records and to any communication pertaining to me and made in the course of a physician-patient or psychiatrist-patient relationship.

### **Section 3. Ratification**

I ratify and confirm all acts of my Agent under the authority granted in my Power of Attorney. I hold my Agent harmless and release from liability to me or any of my successors in interest for any action taken or not taken by my Agent in good faith, but hold my Agent liable for any willful misconduct or gross negligence.

### **Section 5. Revocation and Amendment**

Except as to any power of attorney for health care and any state statutory form power of attorney which specifically indicates that it is intended to be supplemental to this power, I revoke all prior General Powers of Attorney that I may have executed and I retain the right to revoke or amend this document and to substitute other Attorneys-in-Fact in place of my Agent. Any amendments to this document by me shall be made in writing (not by my Agent) and such amendments shall be attached to the original of this document and recorded in the same county or counties as the original if the original is recorded.

### **Section 6. Copies**

Persons dealing with my Agent may rely fully on a copy of my Power of Attorney.

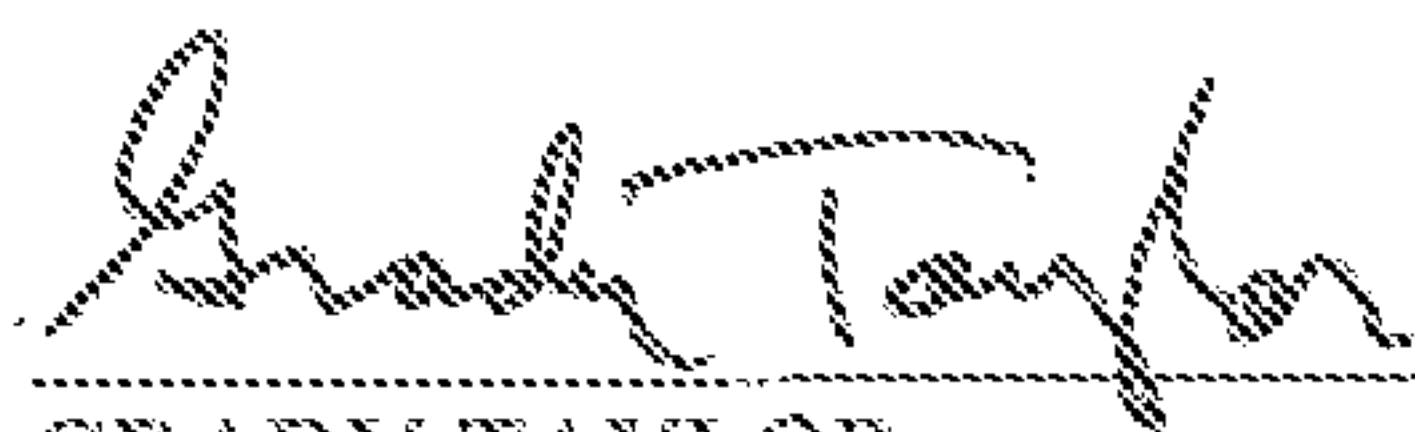

## Section 7. Severability

If for any reason any of the provisions of my Power of Attorney are found to be invalid, such invalidity shall not affect any of the other provisions of my Power of Attorney and all invalid provisions shall be wholly disregarded.
