EXHIBIT "A"

ITEM SIX of the Last Will and Testament of Ann Nicholson Paget dated March 4, 1968

ITEM SIX

I hereby grant to my Executor and also to the Trustee of each trust established hereunder the continuing, absolute discretionary power to deal with any property, real or personal, held in my estate or in any trust, as freely as I might in the handling of my own affairs. Such power may be exercised independently and without the prior or subsequent approval of any court or judicial authority, and no person dealing with the Executor or Trustee shall be required to inquire into the propriety of any of its actions. Without in any way limiting the generality of the foregoing, I hereby grant to my Executor and also to any Trustee hereunder, the following specific powers and authority, in addition to and not in substitution of powers conferred by law:

- A. To compromise, settle or adjust any claim or demand by or against my estate or any trust and to agree to any rescission or modification of any contract or agreement.
- B. To retain any security or property owned by me at the time of my death, so long as such retention appears advisable, to exchange any such security or property for other securities or properties and to retain such items received in exchange.
- C. To sell, exchange, assign, transfer and convey any security or property, real or personal, held in my estate or in any trust fund, at public or private sale, at such time and price and upon such terms and conditions (including credit) as it may determine.
- D. To invest and reinvest in such stocks, bonds and other securities and properties as it may deem advisable, including property which is outside of my domicile, all without diversification as to kind or amount without being restricted in any way by the Constitution of Alabama, any statute or court decision (now or hereafter existing) regulating or limiting investments by fiduciaries.
- E. To register and carry any property in its own name or in the name of its nominee or to hold it unregistered, but without thereby increasing or decreasing its liability as fiduciary.
- F. To vote in person or by proxy any stock or securities held and to grant such proxies and powers of attorney to such person or persons as it may deem proper.
- G. To consent to and participate in any plan for the liquidation, reorganization, consolidation or merger of any

Ann Paget

corporation, any security of which is held.

- H. To borrow money (from itself individually or from others) upon such terms and conditions as it may determine and to mortgage and pledge estate and trust assets as security for the repayment thereof.
- I. Whenever required or permitted to divide and distribute my estate or any trust created hereunder, to make such division or distribution in money or in kind or partly in money and partly in kind; and to exercise all powers herein conferred, after the termination of any trust until the same is fully distributed.
- J. During the minority or incapacity of any beneficiary to or for whom income or corpus is authorized or directed to be paid, my Executor or Trustee may pay the same directly to such beneficiary, to the Guardian of the person of such beneficiary, or may expend such income or corpus directly for the education, maintenance or welfare of such beneficiary. My Executor or Trustee shall have the power in its uncontrolled discretion to determine whether a beneficiary is incapacitated and its determination shall be conclusive.
